WELL KNOWN YOUNG PEOPLE ARE MARRIED WEDNESDAY.

Wednesday morning of this week at the Church of Our Saviour occurred the wedding of two of North Platte's most popular young people, Miss Mabel Duke and Dr. Claude A. Selby. The church was beautifully decorated with ferns, smilax and asters. Thos. Golden and Harold Duke served as ushers.

Promptly at 9:30 Miss Helen Minshall took her place at the pipe organ and in her usual charming manner played "The Morning Prelude" and and Longhrin's wedding march as a processional. Traumerl was rendered during the impressive ceremony at the chancel and Mendelsohn's as a recessional. Dean J. J. Bowker entered, followed by the groom and his attendant, Alvin Sandall, and after them the bride on the arm of her father. The bride was gowned in a blue tailored suit with fur trimmings and wore a black picture hat. She wore a corsage bouquet of white rose buds and lilies of the valley.

After the ceremony the bridal party and relatives enjoyed a three-course wedding breakfast at the Duke bungalow on east Fifth street. In the receiving line were Mr. and Mrs. L. R. Duke, Dr. and Mrs. Selby and Mr. and Mrs. Isaac Selby. The color scheme throughout was green and white. The open stairway was massed with asparagus ferns and autumn leaves and the dining room and living room were decorated with flowers and ferns. The guests were seated at small tables scattered about the dining room. The bridal party was seated at a nicely appointed table in the living room. Those assisting in serving were Misses Ruby Manuel, Helen Minshall, Maud Rees, Sarah Monical and Esther Hummel.

The numerous gifts of sterling, cut glass and hand painted china which were seen in the prettily arranged gift room showed the high esteem in which the bride and groom were held. Dr. and Mrs. Selby left on the noon train for Chicago, where Dr. Selby is house physician in one of city's well known hospitals.

The best wishes and congratulations of the entire community are extended. The out of town guests who were in attendance were Mr. and Mrs. Thos. Golden and two sons of Des Moines and Mr. and Mrs. Geo. Shoupe and Mr. and Mrs. Bernard Gummers, of Sutherland. XX

The Six Leading Styles

AMONG our many handsome Wooltex tailored suits, we want you to see especially the six models we call the

Winningham suits

EACH one has distinctive features, yet all have the style tendencies that fashion requires this season.

In these six models you will see the correct style tendencies—the natural-figure lines, flaring collars, semi-military effects, convertible collars with wide revers, belted effects with flare below, fur trimmings and skirts with soft rolling plaits.

These Winningham suits include special models for misses, for young and elderly women, for slender, medium and stout figures.

To their stylish beauty is added all the well known Wooltex superiority of materials and tailoring

Variety of fabrics and colors

Each model is shown in a variety of fashionable materials and colors—such as broadcloth, gabardine, poplin, serge, cheviot, worsteds and Scotch mixtures. Colors are blues, browns, grays, black and novelty mixtures.

The quality of materials

Every thread of materials in all Wooltex suits is pure wool, sponged and shrunk before cutting. The linings are pure silk.

Custom-quality tailoring

Custom-quality characterizes the tailoring of every Wooltex garment. You see it in the straight seams, the soft-rolling lapels and shapely busts, the thin, flat edges, the trim skirt bands that do not wrinkle. In fact, the longer you wear a Wooltex garment, the more apparent is its exceptional quality.

Quality that means service

It takes good materials and good tailoring to maintain the trim, fresh appearance of good styles. That's why Wooltex tailored suits and coats give so much more satisfactory service than ordinary garments, made in the ordinary way.

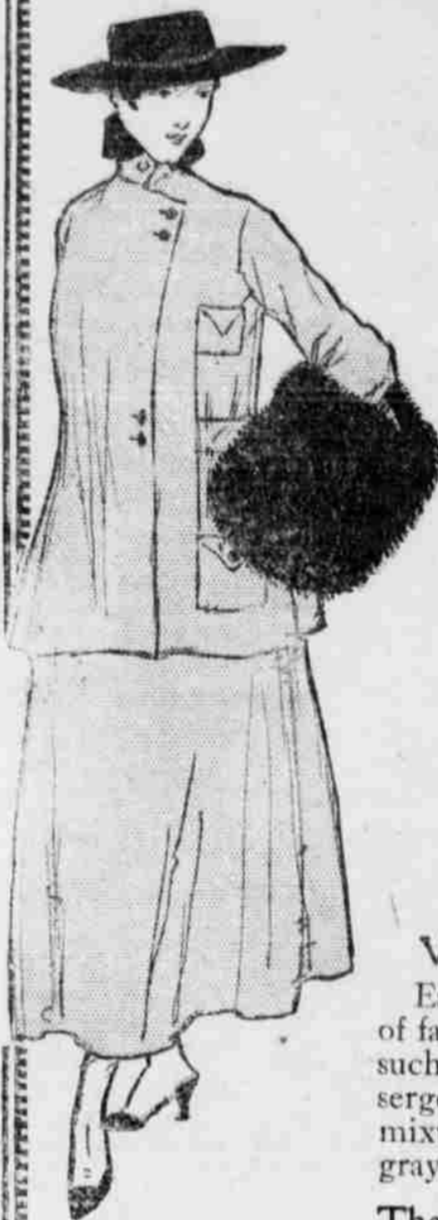

See the Winningham suits. Then you will know the correct styles for fall. Choose your suit now and have full enjoyment of it for the whole season.
