## City Council Meeting.

The city council met in regular session Tuesday evening with all present except Councilman Bell. The park and paving levy was confirmed, and monthly reports received and placed on file.

Three petitions for street lights to be placed on the corners of west Eighth and Augusta Avenue, Elm and C streets and Third and Elm were referred to the committee.

The petition for plumber's license of C. J. Burke & Son was held over until they secure a place for their business.

A resolution was passed making a special levy for opening Willow, A, B, and C streets through the former Thompson tract of land.

David Scott complained of an open switch frog on the Locust street crossing of the Union Pacific. This was referred to the street committee.

The question of a suitable place for the keeping of the fire truck caused a lengthy discussion and was held over until the next meeting of the council.

An ordinance amending the tax ordinance, increasing peddlers' licenses from \$2 to \$5 was passed.

The water commissioner asked for repairs to be made to the power plant. Upon motion he was ordered to proceed with said repairs. Monthly bills were allowed.

## Dismiss Health Inspector

The city council at its meeting Tuesday evening voted to dismiss the health inspector after October 15th, the object probably being to do away with the expense during the winter months. A. B. Hoagland has been filling the position, and the number of people he has hauled into the police court for failure to comply with the health ordinance is pretty good evidence that he has been a courageous official. To his credit it can be said that among those cited to appear in court were some of our most prominent citizens—he absolutely played no favorites.

During his tenure of office Mr. Hoagland cleaned up the greater part of the city of refuse matter, abated many nuisances and compelled many houses to connect with the sewer, thus doing away with unsanitary cess pools and vaults. There is, however, much of this latter work yet to be done, and we believe it should have been prosecuted until cold weather arrived. The cessation of the work at this time is likely to make the fellow who was compelled to do the work feel a little "sore" because the other fellow has now been allowed to let the work go over until next spring or summer.

Hoagland is to be complimented for the good work he has done, and the council is to be congratulated for appointing a man who has had the courage to do the work regardless of the anathemas that has been hurled at him by irate householders.

## Short on Cattle

Nell Turpie and Earl Hamilton returned from Omaha Tuesday. They marketed seventy head of calves in South Omaha and received a price that was not altogether satisfactory. These calves were gathered up among farmers, and in view of the fact that Lincoln county has 20,000 head of cattle less than it should have in order to consume the grass and rough feed, it is to be regretted that any young stuff should be shipped out. For ten years past the county has lost thousands of dollars each year because there has not been enough cattle to eat up the grass. At one time there were 65,000 head of cattle within its borders. Today the number is less than 45,000.

Shipment of western cattle to the eastern markets has been unusually heavy this fall. At the local stock yards the number fed in transit has been the heaviest in recent years.

## Sues City for \$3,000

Thomas Sherman Carr filed a complaint against the city of North Platte Tuesday for \$3,000 for injuries alleged to have been received on an icy walk last winter. He claims that while walking on the crossing between Walnut and C streets on January 27th he slipped and fell and broke the bone in his left leg, causing him great pain and rendering him unable to perform the manual labor of which he was formerly capable and leaving him unable to provide for his family. He states that drainage at said crossing was neglected and the water allowed to stand until ice formed, making the walk dangerous and also states that a notice in writing of the accident and injury was given the city clerk on Feb. 16, 1915.

United Doctors Specialists Will Again Be At The KNAPP HOTEL

Wednesday, October 20. ONE DAY ONLY

Hours 10 a. m. to 8 p. m. Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases

Offer Their Services Free of Charge

The United Doctors, licensed by the State of Nebraska for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of treatment. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

These doctors are among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, tape worm, leg ulcers, weak lungs and those afflicted with long-standing, deep seated, chronic diseases that have baffled the skill of the family physicians, should not fail to call. Deafness often has been cured in sixty days.

According to their system no more operations for appendicitis, gall stones, tumors, goiter, piles, etc., as these diseases are treated without operation or hypodermic injection.

They were among the first in America to earn the name of "Bloodless Surgeons," by doing away with the knife, with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two ounce bottle of your urine for chemical analysis and microscopic examination.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you.

Worn-out and run-down men or women, no matter what your ailment, consult them. It costs you nothing.

Remember, this last free offer is for this visit only.

Married ladies come with their husbands and minors with their parents.
