

ATHENA Underwear for Women and Children.

Here are the features that give Athena its comfort, its daintiness and its tailored fit.

Sloping Shoulders and Sleeves

Conform to the shoulders without wrinkling under arms.

Perfect Shoulder-Stay

Keeps garment from stretching across the shoulder, and holds sleeve in place.

Curved Armhole

Brings arm seams to the natural curve of the shoulder and holds garment snugly and smoothly up under arm, doing away with unnecessary cloth.

Three-Cornered Gusset

Is so shaped as to relieve the usual strain at the thigh. Insures greater comfort and longer wear.

Low-Neck Sleeveless Suit

Just as a woman is fuller across the bust than the back, so this garment is made with extra fullness in front.

Patent Seat

This consists of a plait on each side of the back, instead of extra cloth in the middle where it causes discomfort. Always stays closed and allows sufficient room, sitting or standing.

Single garments as low as 50c.
Union Suits as low as \$1.00.

A style for every taste—a weight for every temperature—a price for every purse—a scientifically improved underwear.

WILL JEFFERS IS MADE GENERAL SUPERINTENDENT

Effective November 1st, Wm. Jeffers, superintendent of the Nebraska division and a former North Platte boy, will become general superintendent of the Union Pacific. This office was abolished three years ago when Charles Ware was made general manager, but will be re-created November 1st, presumably for the purpose of relieving Mr. Ware of part of his duties which probably have become greater than even so efficient manager as he can handle with best results.

Mr. Jeffers' appointment as general superintendent is another promotion that his North Platte friends are glad to see, and is one in line with The Tribune's "Watch Bill Jeffers Climb" prediction made when he was appointed assistant superintendent of the Wyoming division, and The Tribune is confident that "Bill" is not yet through climbing.

Supt. Brophy, of the Wyoming division succeeds Mr. Jeffers on the Nebraska division, and Asst. Supt. Toucey, who has been stationed at Ogden, becomes superintendent of the western division with headquarters at Cheyenne.

Including the wives of several of the players, the party will consist of at least forty and two Pullman cars and a baggage car will be occupied. Two of the players, Strunk and Shang, are on their wedding trip, having been married after the world series games. Frank Bancroft will be in charge of the party. From here they will go to Greeley, Col., Thursday night.

Foot Ball Game Friday.

The Gothenburg high school foot ball team will be here Friday afternoon for a game with the local team. By reason of the friendly rivalry, which has existed between these schools at foot ball for several years much interest is taken in the coming game. So far this season Gothenburg has not been defeated. The games they have played and the scores were as follows: Curtis agricultural school 39 to 0, second team of the Kearney Normal 6 to 0, Hastings high school last Friday 37 to 7.

It is evident that the local team will know that there is a game on their hands when they tackle the boys from down the line.
