GOES TO IOWA TO

GET AUTO THIEF.

Sheriff Salisbury left last night for Pocahontas, Iowa, to bring back Earl Inman, who will face the charge of having stolen an auto belonging to Henry Clark, of this city. On a Sunday night early in October the car was taken from in front of the Lutheran church, and a week or so after was found in a wrecked condition in a canyon in the south part of the county. Suspicion pointed to Inman and Sheriff Salisbury mailed out a number of cards giving description of Inman. It was through one of these cards that the Iowa sheriff identified Inman as the man wanted, and arrested him while holding down a job of husking corn.

Will Consider Building Addition.

At the next meeting of the B. P. O. Elks an open discussion will be had on the question of erecting a building on the vacant forty-four feet north of the present building. This additional building would correspond in style with the existing one. The ground floor would be business rooms and the second and third floors for lodge purposes. A larger dining room is needed, many of the members would like to have a bowling alley added, others desire stationary and shower baths, and an enlargement of the amusement room is needed.

Remember all suits and coats at absolutely cost, alterations free.
