SEASONABLE DISHES.

A delicious dessert is made by piling charlotte russe mixture on pieces of chocolate cake.

COMPANY LUXURIES. These dishes are not for daily use in the ordinary household, as they are either too much work to prepare or are too expensive.

Fillets of Game or Chicken.—Cut the meat from the bones in wide strips and cook it in well-buttered skillet until brown, then add a tablespoonful of butter, two tablespoonfuls of currant jelly and the strained gravy left from the first cooking of the fowl, or venison.

Eggs With Cheese.—Beat six eggs slightly with a fork. Place in a chafing dish a tablespoonful of butter, and when this is melted and hot add two tablespoonfuls of grated cheese.

Nesselrode Pudding.—Make a custard of three cupfuls of milk, 1 1/2 cupfuls of sugar, the yolks of five eggs and a half teaspoonful of salt.

Bombe Glace.—Line a mold with sherbet or water ice, fill with ice cream or thin charlotte ruses, cover, pack in ice and salt and let stand two hours.

Curried Potatoes.—Peel a small onion and cut into thin rings; melt three tablespoonfuls of butter in a frying pan and cook the onion until it is softened and yellow.

Baked Ham.—The Swedish people use the following covering over a ham while baking. Take two cupfuls of bread crumbs, four tablespoonfuls of vinegar, one tablespoonful of mustard, one egg and a dash of pepper and salt to season, spread over the ham before baking.

DESIRABLE DUMPLINGS. Dumplings are a great emergency dish when the chicken or stew seems too small for the family.

Bread Dumplings.—Just before putting the bread into the pans, take out about half a loaf, add butter and make small biscuits.

The Wheat Yield Tells the Story of Western Canada's Rapid Progress

The heavy crops in Western Canada have caused new records to be made in the handling of grains by railroads. For, while the movement of these heavy shipments has been wonderfully rapid, the resources of the different roads, despite enlarged equipments and increased facilities, have been strained as never before, and previous records have thus been broken in all directions.

The largest Canadian wheat shipments through New York ever known are reported for the period up to October 15th, upwards of four and a quarter million bushels being exported in less than six weeks, and this was but the overflow of shipments to Montreal, through which point shipments were much larger than in New York.

Yields as high as 60 bushels of wheat per acre are reported from all parts of the country; while yields of 45 bushels per acre are common. Thousands of American farmers have taken part in this wonderful production. Land prices are still low and free homestead lands are easily secured in good localities, convenient to churches, schools, markets, railways, etc.

There is no war tax on land and no conscription. Write for illustrated pamphlet, reduced railroad rates and other information to Superintendent Immigration, Ottawa, Canada, or W. V. BENNETT Room 4, Bee Bldg., Omaha, Neb. Canadian Government Agent
