

Brutal Frankness.
 "I came within an ace of having a fight with a pacifist this morning."
 "You surprise me. Evidently he was not sincere."
 "Oh, yes. That was the trouble. We were both sincere. I told him exactly what I thought of a pacifist and he proceeded to tell me exactly what he thought of an apostle of preparedness."

SAVED MINISTER'S LIFE.

Rev. W. H. Warner, Frederick, Md., writes: "My trouble was Sciatica. My back was affected and took the form of Lumbago. I also had Neuralgia, cramps in my muscles, pressure or sharp pain on the top of my head and nervous dizzy spells. I had other symptoms showing that my kidneys were at fault, so I took Dodd's Kidney Pills. They were the means of saving my life."

Evening the Score.

"Pa, what's meant by the 'primeval curse'?"

"It means, my son, that a man must eat bread in the sweat of his brow."

"But a millionaire's son doesn't do that, pa."

"Maybe not, but nine times out of ten the old man had to sweat enough in his early days to square the reckoning for both."

SEASONABLE DISHES.

A delicious dessert is made by piling charlotte russe mixture on pieces of chocolate cake. Another combination with charlotte russe is the orange marmalade, using it as a garnish and serving the charlotte in sherbet glasses. The combination is especially pleasing.

Pineapple Toast.—Add a little sugar to the sirup in a can of pineapple, using half of a can of fruit for this dish. Add a tablespoonful of lemon juice and boil three minutes; then add the slices of pineapple and keep the whole hot. Cut rounds of sponge cake, butter and dredge with sugar, then set in the oven to brown. When ready to serve set a round of pineapple on the round of cake and pour over the sauce.

Hashed Lamb With Rice and Peas.—Chop fine edible portions of cold cooked lamb, to the meat; add a little of the broth or gravy and boiling water, season well with salt and pepper and heat very hot. Place the meat on a hot platter, surround with cooked, seasoned rice and surround the rice with seasoned green peas or the canned variety.

Curried Potatoes.—Peel a small onion and cut into thin rings; melt three tablespoonfuls of butter in a frying pan and cook the onion until it is softened and yellow; add six or eight sliced potatoes, sprinkle with salt, pepper and a level teaspoonful of curry powder, stirred smooth, with a cupful of broth; simmer ten minutes. Squeeze over the juice of half a lemon, turn and serve very hot.

A delicious combination when one desires something especially dainty is creamed celery with shredded almonds. Prepare a rich cream sauce, add cooked, tender celery and the almonds. Serve in tumbler cases or patty shells.

Baked Ham.—The Swedish people use the following covering over a ham while baking. Take two cupfuls of bread crumbs, four tablespoonfuls of vinegar, one tablespoonful of mustard, one egg and a dash of pepper and salt to season, spread over the ham before baking. It forms a delicious crust and keeps in all the flavor of the meat.

If thou of fortune be bereft,
 And in thy store there be left
 Two loaves—sell one, and with the
 dole
 Buy hyacinths to feed thy soul.

PINEAPPLE JUICE.

Pineapple juice is one of the wholesome nonalcoholic drinks which may be bought in bottles or can be put up at home. The wonderful Hawaiian pineapple is now well known and appreciated all over the country. Medical scientists have been experimenting for years with the fruit and juice to discover its therapeutic qualities. It has been decided by these experts that while pineapple juice is not a cure-all it is especially good for the digestive organs and a great benefit to sufferers of sore throat. It is also used in the treatment for tuberculosis. It is a delightful drink served with carbonated water or simply as one does grape juice.

All cooks who use gelatin with pineapple know that they need to use more of the gelatin with pineapple than with other juices as it shows its digestive power on gelatin.

Regents Punch.—Take the juice of three lemons, one pound of sugar, two quart bottles of pineapple juice a quart of strong Oolong tea and a quart of carbonated water.

Fruit Punch.—Take two lemons, two oranges sliced thin, add two quarts of pineapple juice, one quart of fine large strawberries or raspberries, one quart of Apollinaris water and a pound of sugar. Serve with plenty of ice.

Pineapple Punch.—Add to the juice of three lemons a pound of sugar, three quarts of pineapple juice and six slices of pineapple, cut in pieces. Serve in a punch bowl with a quart of carbonated water and a large piece of ice. This will serve a small company liberally. Let stand a while to get thoroughly cold and somewhat diluted with the ice.

Pineapple juice may be used in any number of ways as desserts. A delicious frappe is the following: Boil

together for a quarter of an hour, one and a half pints of water with two cupfuls of sugar. Pour the hot sirup over a can of grated pineapple, then add the juice of three lemons, and let stand until cold. Strain and add a pint of pineapple juice and a pint of water. Freeze to a mush.

COMPANY LUXURIES.

These dishes are not for daily use in the ordinary household, as they are either too much work to prepare or are too expensive.

Fillets of Game or Chicken.—Cut the meat from the bones in wide strips and cook it in well-buttered skillet until brown, then add a tablespoonful of butter, two tablespoonfuls of currant jelly and the strained gravy left from the first cooking of the fowl, or venison. Have molded a ring of rice, place in the oven after spreading with butter and brown. Serve on a round dish and put the fillets in the center with the sauce poured over. A teaspoonful of curry and a teaspoonful of chutney added to the sauce will add variety to this dish.

Eggs With Cheese.—Beat six eggs slightly with a fork. Place in a chafing dish a tablespoonful of butter, and when this is melted and hot add two tablespoonfuls of grated cheese. Stir until smooth, then add the eggs and season with paprika and salt. Cook until the eggs are scrambled. Serve on toast.

Nesselrode Pudding.—Make a custard of three cupfuls of milk, 1 1/2 cupfuls of sugar, the yolks of five eggs and a half teaspoonful of salt, strain and cool; add a pint of thin cream, a fourth of a cupful of pineapple sirup and 1 1/2 cupfuls of cooked and mashed chestnuts. The nuts are put through a strainer after cooking. Line a two-quart melon mold with a part of the mixture and to the remainder add one-half a cupful of candied fruit, cut in bits, a quarter of a cupful of sultana raisins and eight chestnuts broken in pieces and soaked in cherry juice for a few hours. Fill a mold, cover, pack in salt and ice and let stand two hours. Serve with whipped cream, sweetened and flavored with Maraschino sirup.

Bombe Glacee.—Line a mold with sherbet or water ice, fill with ice cream or thin charlotte ruses, cover, pack in ice and salt and let stand two hours. Macaroon ice cream is another good combination.

DESIRABLE DUMPLINGS.

Dumplings are a great emergency dish when the chicken or stew seems too small for the family. A nice fluffy lot of dumplings to surround the platter of meat makes a most satisfying sight.

Dumplings.—Add one beaten egg to a cupful of milk, a little salt and two teaspoonfuls of baking powder, sifted with flour enough to make a mixture stiff enough to drop from the spoon. Flours differ so in thickening power that no exact measurement can be given. Drop them on the boiling stew with a teaspoon and they will cook in eight minutes. Leave them covered during the entire time so they will be puffy and light.

Bread Dumplings.—Just before putting the bread into the pans, take out about half a loaf, add butter and make small biscuits. Let rise a few minutes until about the size of a walnut. Drop these in the hot broth and cook, carefully covered, twenty minutes. If larger dumplings are made the time must be longer for the cooking.

Potato Dumplings.—To a pint of milk add a beaten egg, a little salt, a cupful of mashed, hot seasoned potato, and flour to make a drop batter. Add two teaspoonfuls of baking powder to the last of the flour, mixing well. Drop in small spoonfuls in chicken or beef broth and cook twenty minutes.

Potato Dumplings With Sauce.—Cook and rice six medium sized potatoes; add a pint of bread crumbs, browned in butter, also two well beaten eggs and salt enough to season. Form in twelve balls and steam twenty minutes; place on a dish and pour over them a half cupful of melted butter.

Sauce.—Brown one teaspoonful of onion and a tablespoonful of flour in two tablespoonfuls of butter, then add a cupful of elder vinegar and stir until it boils, season with salt to taste.

Gaelic Literature for Soldiers. Much Gaelic literature and material comforts were sent to the Highland regiments in Flanders and at the Dardanelles by the Association of Highland societies of Edinburgh. They transmitted also hundreds of copies of the National Anthem, translated into Gaelic by the Rev. Donald Mackintosh. The translation, now slightly revised, was accepted by King Edward. Letters from chaplains have been received, conveying the appreciation and gratitude of the men, and stating that the anthem will be used in their services.

The Wheat Yield Tells the Story
 of Western Canada's Rapid Progress

160 ACRE FARMS IN WESTERN CANADA FREE

The heavy crops in Western Canada have caused new records to be made in the handling of grains by railroads. For, while the movement of these heavy shipments has been wonderfully rapid, the resources of the different roads, despite enlarged equipments and increased facilities, have been strained as never before, and previous records have thus been broken in all directions.

The largest Canadian wheat shipments through New York ever known are reported for the period up to October 15th, upwards of four and a quarter million bushels being exported in less than six weeks, and this was but the overflow of shipments to Montreal, through which point shipments were much larger than to New York.

Yields as high as 60 bushels of wheat per acre are reported from all parts of the country; while yields of 45 bushels per acre are common. Thousands of American farmers have taken part in this wonderful production. Land prices are still low and free homestead lands are easily secured in good localities, convenient to churches, schools, markets, railways, etc.

There is no war tax on land and no conscription.

WHY "ANURIC" IS AN INSURANCE AGAINST SUDDEN DEATH!
 Sufferers from Backache, Rheumatism and Kidney Trouble

Before an Insurance Company will take a risk on your life the examining physician will test the urine and report whether you are a good risk. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or the twinges and pains of lumbago, rheumatism and gout. The urine is often cloudy, full of sediment; channels often get sore and sleep is disturbed two or three times a night. This is the time you should consult some physician of wide experience—such as Dr. Pierce, of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Send him 10 cents for sample package of his new discovery—"Anuric." Write him your symptoms and send a sample of urine for test.

Experience has taught Dr. Pierce that "Anuric" is the most powerful agent in dissolving uric acid, as hot water melts sugar; besides being absolutely harmless it is endowed with other properties, for it preserves the kidneys in a healthy condition by thoroughly cleansing them. Checks the degeneration of the blood-vessels, as well as regulating blood pressure. "Anuric" is a regular insurance and life-saver for all big meat eaters and those who deposit lime-salts in their joints. Ask the druggist for "Anuric" put up by Dr. Pierce, in 50-cent packages.
