Automobile Buyers

When Buying a Motor Car this
Season Consider a

Dodge Bros. Motor Car

FIRST!

WHY?

Because they are not making a cheap car to compete with the Ford as many manufacturers are doing. This they realize is impossible. No automobile made has better material and will give better service than the FORD. One million one hundred thousand Ford Model T motors and chassis have been made and sold in the past 7 years, one like the other, interchangeable with the other, and all giving service, and these same motors and chassis are coming out at the rate of 2,000 per day.

DODGE BROTHERS are following the most successful plan of the Ford Motor Company, in that one motor and chassis, 2200 lb. weight of simple design, shall come year after year, one interchangeable with the other, with the service like the Ford plan given to the purchasers, which no other manufacturer has given or can give until they build one successful motor and chassis, so that their dealers and branches can keep repairs at the right price in each city and town in the world where motor cars are sold.

Come in and let us show you our stock of parts and price them to you, then compare them with any other car and you will find us twenty-five to fifty per cent lower.

The Dodge is the greatest hill climber barring none, this on account of its 35 horse power motor.

Equipped with Eisman Magneto.

Your battery is not overworked.
Your battery only lights and starts
your car.

Equipped with a North East
Self Starter

Practically noiseless in its action and
Positive.

Equipped with Full Floating
Rear Axle

This means much to your car.
Let us explain why.

CITY AND COUNTY NEWS.

Dr. Morrill, Dentist, McDonall
Bank Building.

Mrs. Charles Wilson left last evening for Ogallala to spend a week or longer.

Herbert Tramp returned yesterday morning from Denver where he spent the first of this week.

Roy Banks left last evening for Kansas City and St. Joseph to spend a couple of weeks on business.

Elmer Coates has rented the Tiff house in the 600 block on west Fourth street and is moving thereto this week.

Christian Science meeting Sunday at 11 a. m., Sunday school at 12 m. Room 25, B. & L. building. A cordial invitation to all.

Mr. and Mrs. John Ershell Owens, who were married in Missouri last week, arrived here last evening to make their home.

Commissioner Dave White has decided to discontinue farming and will sell his stock and implements at public sale next Wednesday.

Mrs. J. K. Ottenstein, who has been visiting her son in Salt Lake City for several weeks, is expected to return home the first of next week.

The Altar Guild of the Episcopal church will give a musicale and tea at the Clinton residence Tuesday afternoon from four to five o'clock.

The quarantine for small pox was raised yesterday afternoon from the Drum residence in the Fourth ward and the LeMaster rooming house.

An Omaha decorator arrived this week to re-decorate the lunch and dining rooms of the Vienna Cafe. He promises exceptionally artistic work.

The ladies of the Methodist church will hold an Easter sale of food and fancy work April 22, the Saturday before Easter, at Derryberry & Forbes' store.

Rev. Robt. White, of this city, will hold a series of meetings at the Presbyterian church in Hershey beginning next Tuesday evening and ending Friday evening.

Mrs. Laura Schaffer, of Dickens, former saleslady in the Wilcox store is visiting local friends this week. Mrs. Schaffer has been residing on a homestead and will return here in July to make her home.

Thirty members of the Altruist bible class of the Methodist Sunday school were very enjoyably entertained yesterday afternoon by Mrs. Roy Mehlman. The afternoon was spent in Kensington and music.

Word received in town conveys the information that W. W. Scott the Sunday school missionary who has made North Platte his headquarters for a number of years, is critically ill at the home of his sister in Tamora, Neb.

Excavation for the Brodbeck & Son building on east Fifth began this morning and material is being assembled on the ground. Contractor McMichael will push forward the building very rapidly if the weather permits.

Dress goods in all lines, silks, wools, spring suitings, voiles, gingham, anything you can be wanting to replenish your wardrobe. Just the very choicest materials. E. T. TRAMP & SONS.

Arthur Hoagland has succeeded in breaking the ice under five spans of the North River bridge, thus creating channels for the ice when it begins to move. The ice is fully two feet thick. Water is now running over the ice and the river is almost bank full.

Mrs. P. A. Norton, P. J. Norton, Joseph Roddy and J. L. Murphy wish to extend their thanks for the generous patronage given them at the social at the home of former yesterday afternoon. The proceeds amounted to nineteen dollars and will be applied on the new Catholic school fund.

One of the entertaining features at the second annual ball of the United Spanish War Veterans at the Lloyd next Tuesday evening will be a competitive drill by twelve members of the High School Cadets. Those chosen are cadets who have stood highest in drilling, and this competitive contest promises to be very interesting.

Keith Neville has been in Omaha for several days looking after his political fences. Mr. Neville is perfecting a splendid organization and will conduct a very active campaign for the next six weeks. It is generally conceded that his chances for securing the democratic nomination for governor are excellent.

High School

Night

What amusement do you like best?
What vacation would you choose?
Who is the greatest person now living?
These questions were answered by the High School pupils.

Hear the results and conclusions. . .
PRESBYTERIAN CHURCH,
SUNDAY, FEB. 27th,
7:30 P. M.

Fear of War Taking Form

Washington, Feb. 24.—Agitation in congress for action warning Americans off armed ships of the European belligerents suddenly grew to such proportions today that the democrats of the foreign affairs committee voted to canvass the sentiment of the house on several pending resolutions of that nature. Sentiment in the senate, in favor of some such action also was expressed openly, but at the end of a day of surprises, tension and agitation such as had not been seen in congress in some time, the word came that President Wilson still was unalterably opposed to any such action by congress and that he would only be embarrassed thereby in the negotiations with Germany.

To widely circulated suggestions that the situation had reached a point where the president soon would lay it before congress; that Secretary Lansing might in some way define the attitude of the government in a communication to Senator Stone, and that a time had been fixed within which the United States would expect Germany to signify her intentions to abandon the announced intention to sink armed merchant ships without warning, the uniform statement was made officially that nothing had been determined upon; that the situation, though grave, still was a waiting one, and that no final position would be announced until Berlin was heard from.

The sudden developments at the capital brought surprise and apprehension to the administration leaders.

A full line of Spring Skirts now on display. E. T. TRAMP & SONS.

Ray C. Langford went to Keystone this morning to act as clerk at a sale.

All boosters smoke Town Boost. If Fred Elliott went to Omaha this morning to visit his son for a week or longer.

Mr. and Mrs. Charles Bowen were called to Norwalk, Ohio, recently by the serious illness of the former's father.

The ladies' auxiliary of the B. of R. T. will hold their anniversary meeting at the home of Mrs. Charles Yost this afternoon.

A business meeting of the Catholic ladies will be held at the home of Mrs. J. B. Murphy Thursday afternoon, March 2nd.

Weather forecast furnished by the local office of the U S weather bureau: Fair tonight and Saturday; colder tonight. Highest temperature yesterday 49, a year ago 47; lowest last night 25, a year ago 21.

Mr. and Mrs. Earl Steiger, who have been visiting in Omaha for several weeks, have returned and will spend several days with the Jeffers family while enroute to their home in LaSalle, Colorado.

The supply of clothing donated to the Associated Charities has been practically exhausted and there are still a good many calls for assistance, particularly for underwear. Further donations will be appreciated.

Items from the City Schools.

A committee of teachers from each grade building has been selected to plan some courses for the appreciation of music. These courses will be given with the aid of the new phonograph which was presented to these schools by the Twentieth Century club of this city. The committee consists of the following teachers: Misses Anderson, McVey and Toole.

The boys of the high school held a mass meeting one day this week and decided to enter track athletics during the spring term. They have some good material for the track and field events, and will begin working it out as soon as the weather will permit. A committee consisting of Bogue, Cool and Thompson was appointed to arrange for some financial backing and this committee is already at work devising means of securing funds for apparatus and necessary expenses.

County Supt. Ganit visited the Normal Training class at the high school recently and talked with the teacher and class about the work of the rural schools and the requirements for a certificate to teach in this county. Miss Richard has charge of this class.

One of the advantages of the Junior High School will be the saving of time to the children who have difficulty with certain subjects. Under the present plan a pupil failing to do the work in some subjects in the seventh grade, takes the work of the whole grade over again. In the Junior High School promotion will be by subject just as it is in the High School at present and not by grade as it is in the Grammar school now.

Mid-term reports were given to all pupils of the city schools below the High School Wednesday of this week and these are expected to be signed and returned to the teacher with any notations which the parents may wish to send the teacher for her guidance or encouragement. Wednesday was the middle of the third quarter or term.

Frank Hood the north side ranchman, returned Wednesday from a trip to Hot Springs, S. D.

Sergeant Claude Weingand, of Co. A, High School Cadets, was awarded the Sconover medal in the competitive drill Wednesday.

For Rent—Rooms for light house-keeping, 400 east Third Street. 10-11

The Robekah degree staff will meet for practice next Monday night instead of Tuesday night as was announced. The practice will begin at 7:45.

New styles in Ladies' Shoes with 8 inch tops at Wilcox Dept. Store.

In the police court yesterday Hiram Waldo was fined \$15 and costs and John McGarvey \$2 and cost for drunk and disorderly conduct in the Palace Cafe the evening previous.

Try Us First.

Will Waltemath returned Wednesday evening from Omaha after spending four days there.

Mrs. G. T. Raspor of Belleview, was called here Wednesday evening by the death of her brother the late Walter Stuart.

The boys of the high school under the direction of Prof. Redenbaugh, held a meeting the first of the week and decided to organize a team for track athletics, but not having enough funds to go ahead with the plans they will give an exchange in the Derryberry & Forbes window Saturday commencing at 9 o'clock. A large quantity of home cooking will be on sale and the boys should be given a good patronage.

"Trilby" at the Keith

Tuesday Evening.

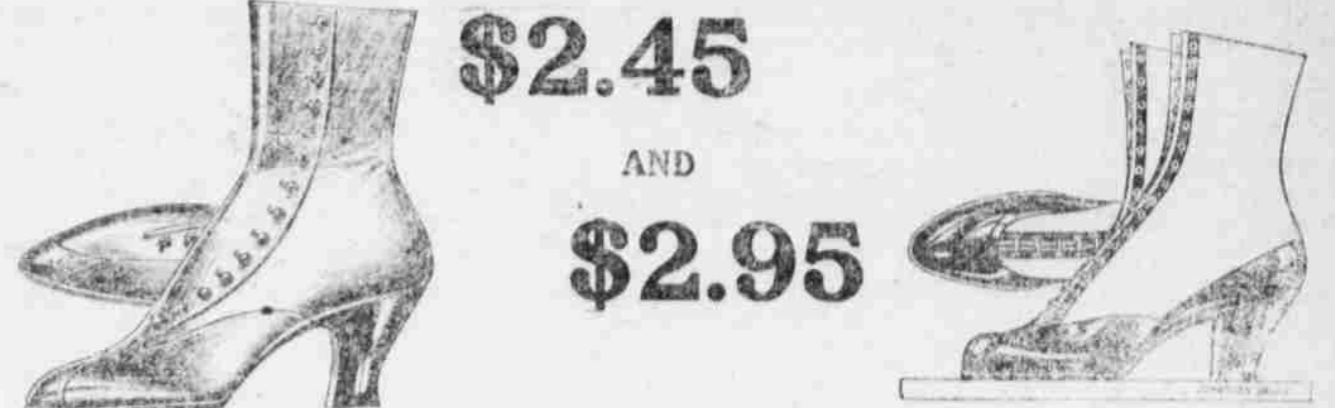

CLARA KIMBALL YOUNG and WILTON LACKAYE in "TRILBY"

"Trilby," in its screen form with Clara Kimball Young and Wilton Lackaye, will be seen at the Keith Theatre, Tuesday, Feb. 29th. In addition to Miss Young and Mr. Lackaye, Paul McAllister and Chester Barnett are seen in important roles. Maurice Tourneur directed the screen classic "Trilby" for the Equitable company and required three months time, over 50 principals and a supporting cast of 700 people. The total cost of producing "Trilby" was \$72,000 and it was shown at Shubert's New York theatre for a long period at a high scale of prices to an immense business. The story of "Trilby" is too well known to need any comment as it was perhaps the most popular book and play ever presented internationally.

Don't forget the time and place. 10c and 15c.

Making a Start With Poultry

The safest way for those about to make their first attempt at poultry raising, is to start in a small way with a few chickens. Then you can learn the business thoroughly as you go along. Spring or early summer is the best time to build the house. This gives them time to dry out during the hot days. Then the summer heat and humidity will not be so much to be feared. Chickens do not like to be crowded.

We have all the material for you to build the poultry house—have helped many others get started—let us help you. Put up your poultry house now. It is the best time of the year.
W. W. BIRGE COMPANY.
