> NORTH PLATTE WAS FIRST DRY TOWN IN STATE

Editor Tribune:

It was stated by an exchange in last Tuesday's Tribune, as in Omaha papers, that North Platte had gone dry for the first time in its history. This is a mistake, which can be proven by our soda department. Some delicious reference to the city records, and dish. in "North Platte and its Associations." The fact is, North Platte was declared "dry" by the city council May 6, 1879, and it may be remarked that it was the first "dry" town in

the state of Nebraska. Law in those days was loosely administered, and western life too free and easy for saloon keepers to be deterred from selling liquor by vote of permanent. ## Now Ready For

Since the 18th day of January, the date that this company voted to move its Home Office to North Platte from Lexington, and the date that we went on a legal reserve basis we have moved all the belongings of the former Fidelity Life Association to North Platte, and on account of the changing of our name and form of insurance, we have had printed an entire new set of blanks, such as Policies, Applications and every other form that an insurance company needs.

We have spent about \$1200.00 in fixing up a modern, up-to-date insurance office, and we are just about ready to commence our active campaign over the state for new insurance. Without any push at all from the home office, as the officers had all they could handle in the removal and reorganization, this company has put on the books \$70,00.00 of insurance since the 18th day of January of this year. Last week the President of the Company, Dr. Baker, was in Sidney and Kimball and wrote \$30,000.00 of new business. This shows the selling qualities of our policies.

We want practically every insurable person in North Platte and Vicinty to carry a policy in this company. We give you the best insurance for the premium of any company doing business in Nebraska today. We will sell it to you on an annual, semi-annual, quarterly or monthly basis. Any terms that are convient to you, and every dollar you invest with this company, will help buildup North Platte and Western Nebraska and not New York, Philadelphia or other eastern city that you are not interested in.

Phone the office for an appointment and one of our agents will call on you and explain our policy. You are under no obligations to buy, by having our policies explained.
