WILLIAM WOODHURST, PIONEER RESIDENT PASSES AWAY.

Major William Woodhurst, who located in Omaha in 1856 and came to North Platte in 1868, a pioneer of both state and city, passed away at his home in the Fourth ward at 2:30 yesterday morning at the age of nearly eighty-six. Death was not unexpected; for fifteen years he had been afflicted with stomach and kidney trouble, and as he advanced in years these afflictions became intensified, and at periods during the past six or eight years he suffered intensely. Unquestionably through his strong constitution and the careful nursing of a most devoted wife was due the prolongation of life to this time.

Mr. Woodhurst was born in Windsor, Conn., October 7, 1830. When but a young man he came west to St. Joe Mo., where he remained a year or two and then went to Omaha in 1856 where later he was married. In the early sixties, with his wife and two young sons, he traveled overland to San Francisco, and staying there a year or so returned east to Indiana. The lure of the west was strong, however, and he soon returned to Omaha and in 1868 came to North Platte. In 1869 he was appointed deputy sheriff, and two years later was elected sheriff. He was re-elected, but resigned to become warden of the state penitentiary at Lincoln. This position he held for two years, and then going to Pacific Junction, Iowa, he purchased a hotel which he conducted for several years. Returning to North Platte he was appointed Union Pacific depot master and this he held for a number of years. Later he was clerk at the Union Pacific Hotel, resigning this when his health began to fail.

Major Woodhurst enjoyed the distinction of being in point of membership the oldest Odd Fellow in the state, having been a member for sixty years. He was also for fifty years a member of the Masonic fraternity—blue lodge, chapter and Knights Templar.

He was active in politics and from the time of the organization of the republican party he was an uncompromising member and an energetic worker. For three years he was a member of the board of county commissioners, a position which he well filled.

He leaves a wife and two sons, the latter W. H. C. Woodhurst of this city and Charles Woodhurst, of Lovell, Mont.

The funeral will be held at the residence at seven o'clock Wednesday evening conducted by Rev. Bowker. It is requested that no flowers be sent.

Grant Proves Very Easy

The North Platte ball team journeyed to Grant Saturday, going by train to Ogallala and thence by car to destination. The game was played in the afternoon but was so one-sided as to be almost pitiful. At the end of the ninth the score stood thirty to nothing in favor of North Platte. Had the boys so desired the score would have been much larger.

Indians Meet Defeat.

The Cheyenne Indians were defeated on the local yard Sunday afternoon by a score of six to one. The locals made all their runs in the second inning, when they batted the visitors' pitcher to a fare-ye-well. With the exception of this inning the game was well played and kept the 400 spectators interested. Todenhoft pitched for North Platte and was in his best form, working himself out of several "holes."

Clarence Worlement, of Cheyenne, who played first base with the Cheyenne team here Sunday visited with his aunt Mrs. William Hubbard while in this city.

Your Factory on the Farm

Modern factories are laid out so as to get the most work done with the least lost motion. The barn ought to be planned in the same way.

Back hauls and other faults in planning are expensive. They make the work more difficult and waste your time in the bargain.

The farm factory, also, should be large enough to take care of the produce from your fields. Many real estate men estimate the fertility of a farm by the size and appearance of the barn. They set the proper valuation accordingly.

Command our services when planning your new barn. We'll go the limit in helping you.
