We always have a number of calls from boys and girls who want places to stay and work for their board and room while they go to school. Anyone who can take one of these boys or girls for the winter will please let me know. We have two boys now who are deservng and who want places.

The superintendent will be in his office in the high school building on Friday and Saturday afternoons before school opens and will be pleased to confer with anyone at that time.

A list of the teachers will be published the first of the week with their home address and their assignment in the school.

Miss Catherine Johnson who taught the Baker school last year has resigned to attend the state university and the board of education is looking around for someone to take her place. No applicants have yet presented themselves.

### Exhibits Sent to Lincoln.

The car of Lincoln county products for exhibition at the state fair was shipped out Wednesday afternoon in charge of John W. Fowler, who with the assistance of Mr. Gilman, will arrange the exhibits in the fair building tomorrow.

The Lincoln county exhibit is considerably better than was at first expected, thanks to the assistance given by the farmers who displayed greater interest than usual in contributing to the collection. In some respects the exhibit is better than last year, in others not quite so good, but on the whole President Pielsticker, of the fair association, considers it a little above the display of last year.

### Greater Interest in Politics.

Keith Neville returned home Wednesday night from a campaign trip through the southwest part of the state and will remain until next Monday night, when he will go to the east part of the state. Mr. Neville states that the voters are evincing considerable more interest in politics than they did a month ago, and this interest will undoubtedly grow stronger as election day approaches. He is well satisfied with his prospects for election, finding in many localities conditions much more favorable to him than he expected.

### Secure Men for Preliminaries.

The entrants for the second preliminary event at the Stecher-Davis wrestling contest next Monday will be Thomas Hume, of Silver Springs, N. Y., and Young Lutberg, of Omaha. The other preliminary will be between Trabert and Manover, of Alliance, who will try conclusions for the championship of western Nebraska.

### Start on Elk Hunt.

C. C. Hupfer, Charley Herrod and Henry Rebhausen left last evening for Rock Springs, Wyo., and thence 150 miles into the Jackson Hole country in search of elk, which are known to be quite plentiful in that section.

Mr. Hupfer has had considerable experience in big game hunting, but the hunting of the other men has been confined to smaller game.

### THREE POLICIES IN ONE

The rates of many Eastern Life Insurance Companies and some Western Companies, at the age 35, for a Twenty Payment Life policy are \$38.34 per thousand of insurance, making the rate on a \$3,000.00 policy with them at age 35, \$115.02.

Our \$3,000.00 combination Twenty Payment Life rate at this same age, 35, is \$119.04.

What does each give you for the money you invest in these estates?

THE Companies First Referred to Policy. Fidelity Reserve Combination Policy, Three Policies in One.

RATE \$115.02

Pays \$3,000.00 at any time that death may occur after the first payment is made, or a paid-up policy for \$3,000.00 at the end of 20 years, plus dividends.

In case of Accidental Death, pays \$3,000.00.

NOTHING

NOTHING

NOTHING

Pays \$3,000.00 at any time that death may occur after the first payment is made, or a paid-up policy for \$3,000.00 at the end of twenty years, plus dividends.

In addition to the above, a Fidelity policy doubles in case of accidental death and we pay \$6,000.00 instead of \$3,000.00.

For total disability from sickness or accident, the Fidelity pays \$25.00 per week or equivalent to practically \$110.00 per month. For partial disability, \$12.50 per week or practically \$5.00 per month.

Physician's or Surgeon's fees where there is no disability, whatever, the Fidelity pays such expense not to exceed \$15.00 for any one case.

For loss of any two members—eyes, hands or feet, \$1,500 spot cash; for loss of one member, \$750, and no matter how much you may have drawn from weekly indemnity or for loss of members, the Fidelity must still, at the maturity of the contract, pay \$3,000.00.

Remember also that your health and accident insurance in this policy is in an old line, legal reserve company, which is not spending your money but investing and is not like a fire policy where, if you do not have a fire this year, you have nothing coming, or if you become a bad risk that you are cancelled out, as all health and accident policies must contain a cancellation clause where written alone and issued without a medical examination but any savings or earnings on this policy must drop into the surplus and come back to the policy holders in the way of dividends as this is a full participating policy.
