## That Boy or Girl of Yours

Thrift in the home is a splendid heritage for either a boy or a girl.

Do you realize that your son will be a better business man and enjoy greater opportunities if he learns the value of money and saves some of it while he is growing up?

Do you know that your daughter will be a more sensible and attractive young lady, and in time a better wife and mother, if early in life she acquires the right attitude toward money and learns that spending it is not the only way to use it?

We want to help you and your children in this matter. Send them to the bank with their pennies and we will assist them in opening a Thrift Savings account.

### N. B. SPURRIER BADLY INJURED, WHEN GRANDSTAND COLLAPSES

N. B. Spurrier, well known farmer living nine miles west of town was among the 150 injured when a grandstand at the prize fight at Colorado Springs collapsed last Monday afternoon. Mr. Spurrier had a leg broken in four places, sustained serious injuries to his back, and a kidney was torn loose.

His brother-in-law who was seated along side of him had a foot broken and crushed.

Mr. and Mrs. Spurrier went to Idah, Springs several weeks ago to visit Mrs. Spurrier's brother, and were having a delightful visit. The two men had gone to Colorado Springs to see the fight and the collapse came before the fight began. That this serious accident should befall Mr. Spurrier is greatly regretted by his North Platte friends. His injuries are of such nature that it will be several months before he will fully recover. In fact it is probable that the fractured leg will never reach its normal condition.

On Friday, September 15, the Keith Theatre will show for the first time the opening installment of the most costly, most elaborate and most absorbingly interesting motion picture novel ever screened—beautiful Billy Burke in Gloria's Romance. In her role of Gloria Stafford, daughter of a millionaire, Billy Burke experiences joy, sorrow, happiness, fear and jealousy. Mystery, suspicion and intrigue are all about her. The clever way in which she solved her problems make the story more fascinating week by week. During the production Miss Burke will wear some of the most elaborate and magnificent gowns ever seen on the screen. Many of these gowns were designed by Lady Duff Gordon. A notable cast supports Miss Burke including Henry Kolker. Here is one photoplay that you cannot afford to miss as everywhere you go people will be talking about it so you too, must see it. Get in on the opening installment, on the ground floor as it were. Remember the opening installment at the Keith theatre Sept. 15th. Cross this date off on your calendar and come early enough to get a seat.

That cantaloupe exelling in size and flavor the famous Rocky Ford can be raised in Lincoln county was demonstrated this week when several grown by E. E. Moody in his garden were presented to The Tribune. Some one possessing an acre of good irrigated ground could easily clean up several hundred dollars each year by growing cantaloupe. In fact a good truck farm near North Platte, conducted by an experienced gardener, would earn the owner more than a good living with but eight months' labor a year.

## Mutual Building & Loan Ass'n.

OF NORTH PLATTE, NEBRASKA.

ASSETS \$840,000.00

To Prospective Building & Loan Borrowers:

Non-resident Building & Loan Companies are advertising the fact that they have reduced the monthly payments of borrowers to \$1.10 per month on each \$100.00 borrowed, making the monthly payment the same as the Mutual Building & Loan Association of North Platte. They fail to state that of the \$1.10 paid to the non-resident company, there is only thirty-five cents credited as a principal payment, the balance seventy-five cents being taken for interest. Of the \$1.10 monthly payment to this association on each \$100.00 borrowed sixty cents is for interest and fifty cents is credited as a principal payment.

This difference in the amount credited the borrower will result in the borrower in the non-resident company being compelled to pay not less than \$25.00 more on each \$100.00 borrowed in order to discharge the debt than they would if they were doing the business with this Association.
