COL. ROOSEVELT APPEALS FOR THE ELECTION OF MR. HUGHES.

I appeal to my fellow citizens that they shall elect Mr. Hughes and repudiate Mr. Wilson because only by so doing can they save America from that taint of gross selfishness and cowardice which we owe to Mr. Wilson's substitution of adroit elocution for straightforward action. The permanent interests of the American people lie, not in ease and comfort for the moment, no matter how obtained, as Mr. Wilson would teach us; but in resolute championship of the ideals of national and international democratic duty, and in preparedness to make this championship effective by our strength. President Wilson embodies in his person that most dangerous doctrine which teaches our people that when confronted with really formidable responsibilities we can shirk trouble and labor and risk, and avoid duty by the simple process of drugging our souls with the narcotic of meaningless phrasemongering. Mr. Hughes, to the exact contrary, embodies the ideal of service rendered through conscientious effort in the face of danger and difficulty. Mr. Wilson turns his words into deeds only if this can be achieved by adroit political maneuvering, by bartering a debauched civil service for congressional votes on behalf of some measure which he had solemnly promised to oppose. Our own self-respect demands that we support the man of deeds done in the open against the man of furtive and shifting political maneuvers; the man of service against the man who whenever opposed by a dangerous foe always takes refuge in empty elocution.—From the Speech of Col. Roosevelt at Battle Creek, Michigan, in Behalf of Mr. Hughes.

WILSON FORMERLY ASSAILED THE LABOR UNION.

The President is now a candidate for office and speaks well of labor. Until he became a candidate for office, and as long as he was President of a University, he, with entire safety, ignored or assailed the Labor Unions, indeed, he was then their bitter, ungenerous, and often unjust critic. At the People's Forum on February 25, 1905, he said: "Labor Unions drag the highest man to the level of the lowest." In an address at a dinner in the Waldorf-Astoria on March 18, 1907, in speaking of the capitalists, he said: "There is another equally formidable enemy to equality and betterment of opportunity, and that is the class formed by the labor organizations and leaders of this country." In a letter written January 12, 1909, he said: "I am a fierce partisan of the open shop." In June of the same year, speaking at Princeton, he said: "The usual standard of the employe in our day is to give as little as he may for his wages. Labor is standardized by the trades unions and this is the standard to which it is made to conform. I need not point out how economically disastrous such a regulation of labor is. The labor of America is rapidly becoming unprofitable under this regulation. Our economic supremacy may be lost because the country grows more and more full of unprofitable servants." I have no question that when Mr. Wilson thus spoke he expressed his sincere convictions. Less than two years later he was in public life and immediately his attitude changed. There is no reason to believe that his convictions changed.—From the Speech of Colonel Roosevelt at Battle Creek, Michigan, in Behalf of Mr. Hughes.

JOS. H. STONE
 DRUGGIST

A Lincoln County Man for a Lincoln County Office

Royal Ericsson, born in Lincoln county 25 years ago, is for the first time seeking public office. He is the democratic candidate for county clerk. It is believed by all Mr. Ericsson's friends that a man who for so many years has been a constant resident of Lincoln county, and so energetic a "booster" for the county's good, is entitled to recognition at the hands of his fellow residents.
 Born of a pioneer family, Mr. Ericsson was educated in Lincoln county, and has always made his home here, with the exception of a brief period when he was studying in a Grand Island business college, from which he graduated with honors. His people were the first to locate in Lincoln county, and Mr. Ericsson, Sr., was the first man to pay taxes in Lincoln county having in his possession at the present time tax receipt No. 1 for taxes paid into the office of the county treasurer in 1868—ten years before the birth of the candidate.
 After his return from school Mr. Ericsson taught a rural school in the county for three years. Since that time he has been engaged in farming near Brady. Being a graduate of one of the best business schools in the state, Mr. Ericsson is undoubtedly qualified to handle the duties of the office that he seeks, and to give to the office that same loyalty that has always made him one of Lincoln county's "boosters."
 A vote for Mr. Ericsson means a vote for an efficient man.
 Your vote for him on November 7, will be greatly appreciated.

KEITH NEVILLE
 Democratic Candidate for Governor
 A NATIVE SON

A practical man of the people who has made a success in business and to whom the tricks of the ambitious politician are unknown.
 He offers a constructive program that will benefit the people of Nebraska and his candidacy is in harmony with the strong Democratic platform adopted by his party at Hastings.
 He believes that the highest duty of any public servant is to carefully see to it that the will of the people, as expressed at the polls upon all questions, is carefully carried out.
 The two Republican newspapers in North Platte are supporting his candidacy and the vote of nearly five to one given him at the primary election by the people of his home town, among whom he was born and raised, is proof absolute that he is a man of character and standing and a safe one to be entrusted with the business affairs, as well as the enforcement of the laws of the state.
 Vote for a home-grown man and a continued, economical and business administration of state affairs.

Wm. H. Smith, State Auditor.
 State Auditor Smith is serving his first term and is a candidate for re-election. His motto has been "Business Methods Applied to the Public's Affairs." The cost of operating his department was reduced \$5,039.53 during the first 18 months of his term. His influence and vote were exerted in securing a \$1,012,000.00 reduction in securing a \$1,915-16, and in raising state taxes in the amount of \$5,000,000.00 for taxation purposes in 1916.
