NORTH SIDERS PETITION FOR DAILY MAIL ROUTE

Residents of the north side of the river between Gannett and the D. B. McNeel ranch are getting up a petition asking for a daily mail route. This route as now outlined would go east on the Lincoln Highway to Gannett, serving enroute the people living just east of the city, and crossing north would pass through the long neighborhood, thence west along the north road to the McNeel ranch and returning over the south road and across the north river bridge to town. This route would give a daily service to ninety families and would be thirty miles in length.

The route is one that is needed and it is hoped that it will be established by the postoffice department.

IN MEMORIAM

It becomes our sad duty to give expression in remembrance of our love and grief at the sudden death of our granddaughter, Grace E. Casey. She was eighteen years, nine months and thirteen days of age. The sudden death of this lovely girl was a sad event in our family experience, yet we know that all must make the same change.

At dawn on the thirteenth of July, 1916, her creator called our darling Grace from our family circle to her heavenly home, and there her Savior reigns supreme and she with Him is at peace and rest, free from all pain.

Grace was an invalid and suffered much from the ills of life, yet she always was cheerful. Her lot in life was cast in a family where love's strong affection between its members prevails to a remarkable degree.

Her parents, Joseph Casey, and Gertrude Casey, (nee Parker), formerly of North Platte, Neb., also her sisters, Josephine, Gertrude, Maud, and brothers George and Joseph, were always attentive and solicitous for her welfare, ever ready to contribute to her comfort and happiness. Her home, where peace, love and harmony prevailed was all the world to her. She never sought pleasure beyond its confines or manifested discontent within its limits. Possessing a cheerful, affectionate disposition, she happily responded to the good home influence so constantly exerted in her behalf, and although afflicted nearly all her life, she never complained or found fault with others. Her sweet disposition endeared her to all the family who deeply mourn her loss.

She has found surcease from her severe affliction and peace, joy and unalloyed happiness through the grace and mercy of her God.

J. H. PARKER and FAMILY, Portland, Oregon.

F. W. Herminghausen,

Democratic Candidate for County Commissioner, First District.

Your support on the 7th of November is solicited on the record he has made during the past three years, which record is open and above board and your investigation of it is courted. During these three years he has aimed to serve the taxpayers in a conscientious way, has transacted the business of the county in a fair and impartial manner, and has taken as much interest in county affairs and applied the same careful methods as he would to his private business. He believes that if efficiency counts he is entitled to your consideration and your support. (Advertisement.)

GEO. E. PROSSER,
Clerk of District Court
Lincoln County.

I was nominated for re-election on the Republican ticket. I understand fully the duties of the office, which are many and varied.

If I have conducted the office in a manner satisfactory to you and the public I solicit and will appreciate your vote at the election Nov. 7th. Formerly of Plant Precinct.

A Lincoln County Man for a Lincoln County Office

Royal Ericsson, born in Lincoln county 38 years ago, is for the first time seeking public office. He is the democratic candidate for county clerk. It is believed by all Mr. Ericsson's friends that a man who for so many years has been a constant resident of Lincoln county, and so energetic a "booster" for the county's good, is entitled to recognition at the hands of his fellow residents.

Born of a pioneer family, Mr. Ericsson was educated in Lincoln county, and has always made his home here, with the exception of a brief period when he was studying in a Grand Island business college, from which he graduated with honors. His people were the first to locate in Lincoln county, and Mr. Ericsson, Sr., was the first man to pay taxes in Lincoln county having in his possession at the present time tax receipt No. 1 for taxes paid into the office of the county treasurer in 1868—ten years before the birth of the candidate.

After his return from school Mr. Ericsson taught a rural school in the county for three years. Since that time he has been engaged in farming near Brady. Being a graduate of one of the best business schools in the state, Mr. Ericsson is undoubtedly qualified to handle the duties of the office that he seeks, and to give to the office that same loyalty that has always made him one of Lincoln county's "boosters."

A vote for Mr. Ericsson means a vote for an efficient man. Your vote for him on November 7, will be greatly appreciated. (Advertisement.)
