MILLIONS FOR BETTER ROADS

Sum of \$85,000,000 of Federal Funds Made Available for Construction of Country Highways.

By the passage of the federal aid road bill the government of the United States has put itself in the way to reap great benefits. According to the new law, the sum of \$85,000,000 of federal funds is made available for the construction of country roads, Of this amount \$75,000,000 is to be expended for the construction of rural post roads under co-operative arrangements with the highway departments of the various states and \$10,000,000 is to be used in developing roads and trails within or partly within the national forests.

This law is proof of the national awakening to the fact that our country is lamentably deficient in wellconstructed highways. The main

Well-Cared-For Highway.

lines of travel in the early days were the shores of great waters and the rivers and canals. The railroad building era followed close upon the period of the river steamboat and for these and other reasons the highways of the land were neglected.

One of the most powerful of the agencies now at work for better roads is the automobile. The country owes a debt to the motor-driven car for making insistent demand for adequate highways over which to travel,

The expenditure of these many millions of dollars will benefit the people very greatly by helping to convey farm products to market and thus to some extent it will make living cheaper and more comfortable, says Chicago News. Moreover, the country with an abundance of good roads within its boundaries is more easily defended when threatened from without. The best result of all, however, will be the quickening of intercourse and intelligence and the unifying of this great nation, which as yet is too much given to sprawling physically and otherwise.

KENTUCKY FIRST TO IMPROVE

Spent Money for Construction of Roads Over Half Century Ago-Had Highway Engineer.

It is often said that the use of state money for the construction of roads is of quite recent origin. The New Jersey state ald law of 1891 is sometimes referred to as the first instance of such use of state funds in this country. As a matter of fact, state money was spent for such purposes more than 75 years ago. Kentucky paid out over \$2,000,000 for road improvements between 1820 and 1840, under the direction of a state highway engineer, who drew a salary of \$5,000 a year, a very large sum for those days. The roads built then were 24 to 30 feet wide between the ditches. The surfaces were constructed of broken stone, and the bottoms were of large stones wedged together to make what road builders call a telford foundation. About 1850 business conditions in the country became bad and this work stopped. When it was resumed in 1908 such a long period had elapsed since the earlier state-aid work that 1908 is usually fixed as the beginning of state roadwork in Ken-

Roads in Wisconsin. The good roads movement in Wisconsin is organizing in a way that seems certain to produce early substantial results.

Autos Pay Best. An automobile load going through the village spends more money there than a dozen train loads passing the depot. Good roads pay.

Heavy Pork Not Wanted. Heavy pork is not wanted in the market as in years gone by.

No Light Matter. Both Germany and Russia are having serious difficulties in getting enough matches "to go around." Germany lacks the proper kind of wood, which formerly was imported from Russia. The czar's country, on the other hand, is in want of the necessary chemicals for match-making, which the Russians used to get from Germany.

SWAMP-ROOT STOPS SERIOUS BACKACHE

When your back aches, and your bladder and kidneys seem to be disordered, re-member it is needless to suffer—go to your nearest drug store and get a bottle of Dr. Kilmer's Swamp-Root. It is a physician's prescription for diseases of the kidneys and bladder.

It has stood the test of years and has a reputation for quickly and effectively giving results in thousands of cases.

This prescription was used by Dr. Kilmer in his private practice and was so very effective that it has been placed on sale everywhere. Get a bottle, 50c and \$1.00, at your nearest druggist.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper .- Adv.

ANY INDUSTRIOUS MAN

"ROUGH on RATS" Hads Rate, Mice, Bu

ess Willard says: Take Nuxated Iron If you want plenty of 'stay there' Strength and Endurance and Health and muscles like mine."

Victories over Jack Johnson and Frank

Ordinary Nuxated Iron will often increase the strength and endurance of delicate, nervous folks 200 per cent in two weeks' time.

SPECIAL NOTE.—Dr. E. Sauer, a well-known physician who has studied widely in both this country and Europe, has been specially employed to make a thorough investigation into the real secret of the great strength, power and endurance of Jess Willard, and the marvelous value of nuxated iron as a strength builder. NEW YORK,-Upon being inter-

viewed at his apartment in the Colonial Hotel, Mr. Willard said: "Yes, I have a chemist with me to study the value of different foods and products as to their power to produce great strength and endurance, both of which are so necess ry in the prize ring. On his recomm idation I have often taken nuxated 'ron and I have particularly advocat 4 the free use of iron by all those who wish to obtain great physical and mental power. Without it I am sure that I should never have been able to whip Jack Johnson so completely and easily as I did, and while training for my fight with Frank Moran I regularly took nuxated iron, cause which started their and I am certain that it was a most important factor in my winning the fight so easily." Continuing, Dr. Sauer said: "Mr. Willard's case is only one of hundreds which I could cite from my own personal experience which able your blood to change food inproves conclusively the astonishing to living tissue. Without it, no matpower of nuxated iron to restore strength and vitality even in most com-

plicated chronic conditions." Not long ago a man came to me who was nearly half a century old, and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 20 and as full of —in fact, a young man he really was, notwithstanding his age. The secret he said was taking iron—nuxated iron had filled him with renewed life. At 30 he was in bad health; at 46 careworn and nearly all in. Now at 50 a miracle of vitality and his face beaming with the buoyancy of youth. As I have seaf a hundred times over iron is the greatest of all strength builders. If people would only throw away pattent medicines and nauseous concoctions and take simple nuxated iron, I am convinced that the lives of thousands of persons might be saved who in the proper form. And this after trouble, etc. The real and true included in the forms of reduced iron, iron acetate or heart trouble, etc. The real and true included in the four save a few included in the forms of iron simply to save a few included it for you.—Adv.

NOTE.—Nuxated Iron, recommended above by Dr. Sauer, is not a pâtent mediche above by Dr. Sauer, is not a pâtent mediche above by Dr. Sauer, is not a pâtent mediche not had filled him with renewed iron three times per day after meals for two five-grain tablets of ordinary nuxated iron three times per day after meals for two five-grain tablets of ordinary nuxated iron three times per day after meals for two five grain tablets of ordinary nuxated iron three times per day after meals for two five grain tablets of ordinary nuxated iron three times per day after meals for two five grain tablets of ordinary nuxated iron three times per day after meals for two five grain tablets of ordinary nuxated iron three times per day after meals for two five grain tablets of ordinary nuxated iron three times per day after meals for two five grain tablets of ordinary nuxated iron three times per day after meals for two five grain tablets of ordinary nuxated iron three times per day after meals for two five grain tablets of oversited by eminary particular and see for yourself how much you one which is well known to drively prospation object to well known to drively provide them the well known to drively provide them the well know heart trouble, etc. The real and true tincture of iron simply to save a few it for you.

JESS WILLARD AT HOME

Among all the prominent figures of the prize ring, probably none is so devoted to family life as Jess Willard. After each engagement the champions burries to his wife and children and remains at their side until public demand forces him to leave for new encounters. Everything is done to bring up the "little Willards" with strong healthy bodies. Mr. Willard accounts for his own success by saying:

"I consider that plenty of iron in my blood is the secret of my great strength, power and endurance."

diseases was nothing more or less than a weakened condition brought on by lack of iron in the blood. Iron is absolutely necessary to

ter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it, and as a consequence you become weak, pale and sickly looking, just like a plant trying to grow in soil deficient in iron, If you are not strong or well, you owe vigor, vim and vitality as a young man how far you can walk without becom- -E. Sauer, M. D. -in fact, a young man he really was, ing tired. Next take two five-grain

cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want it to do you any good, otherwise it may prove worse than useless.

Many an athlete or prize fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the affray, while it to yourself to make the following many another has gone to inglorious test: See how long you can work, or defeat simply for the lack of iron.
