## MASKED MEN ASSAULT WOMAN AT SARBEN

A communication received at this office states that two masked men made a brutal assault upon Mrs. W. F. Miller, who resides at Sarben, a station on the north river branch, last Friday night. Our informant says that Mrs. Miller heard a noise at the poultry house, and upon going out to investigate was seized by two masked men who bound her hands and feet with baling wire, dragged her to a ditch, kicked her into insensibility and left her there in an unconscious condition throughout the night. In the morning she was found by members of the family.

Our informant says Mrs. Miller is a woman of respectability and why she was thus treated remains an unsolved mystery. The attack has caused great excitement in the vicinity of Sarben. Mrs. Miller is known to a number of North Platte merchants, she frequently coming here to do her shopping. It is said the Millers have a beautiful home and are successful farmers and stockgrowers.

## Foot Ball Today.

The Kearney-North Platte foot ball game, postponed last Friday, will be played today on the local field at 3:30. The Kearney team is pronounced the strongest that North Platte has been up against this season.

The lineup and numbers of the North Platte players will be: Lathan 1, L. E.; C. Baker 2, L. T.; A. Hood 3, L. G.; Rouch 4, Center; C. Hood 5, R. G.; O'Connell 6, R. T.; Walters 7, R. E.; Jones 8, Quarter; Norris 9, L. H.; Christ 10, R. H.; Elias 11, F. B.; Scott 12, Sub.

## Stockholders Will Meet.

A meeting of those who have subscribed for stock in the Lincoln County Fair Association will meet at the Chamber of Commerce rooms tomorrow afternoon at four o'clock. Shares of the association were placed at fifty dollars each and it was provided that when fifty shares had been sold, an organization would be effected. The requisite number of shares, or practically so, have been sold, and at the meeting Saturday it is probable that such organization will be made.

Perry Carson has evolved the scheme of placing numbers on each of the foot ball players, and then furnishing the spectators with cards giving the name of the players wearing the respective numbers. Inasmuch as the average spectator does not know the identity of each player, Mr. Carson's scheme is an excellent one.

One of the asphalt kettles which are being used in the street paving took fire early this morning from spontaneous combustion. The doors of the machine were warped, but the fire was extinguished before any serious damage resulted.

## WHO'S WHO DEPENDS ON OUTCOME IN CALIFORNIA

The latest available election news places the success of either republican or democratic candidate in doubt, the outcome depending, apparently, upon the final result in California. The candidate who receives the thirteen electoral votes from that state will be elected, hence the suspense is intense. Latest advices state that the two candidates are running neck to neck.

The vote in several of the states is close, for instance, the democrats claiming New Hampshire by one hundred and fifteen votes. In a case like this it will of course require the official count to decide, and it is probable that the same will prove true in California. In New Mexico the vote is also close, and the same is true in Washington and Delaware; the difference is only a few hundred.

The national house of representatives remains democratic, as does also the United States senate, which would naturally mean "hard bidding" for Hughes even should he be elected. So long as congress is democratic, the tail might as well go with the hide, for the enactment of republican policies could be blocked.

In Nebraska the republicans elect two congressmen and the democrats four. Congressman Kinkaid will come through with about his usual majority.

## Chas. Dill Again Stricken.

The latest affliction will at the best intensify his former enfeebled condition.
