## DR. TWINEM TO BUILD BIG BUSINESS BLOCK

Dr. J. S. Twinem will erect a two story building 44x132 feet on his vacant lots east of the Brodbeck building on Fifth street. Plans for the building are about completed, and the contract will be let at once. It is hoped to have the building completed not later than the first of March. Dr. Twinem reached this decision to build the later part of last week when a representative of the Golden Rule Co., which operates a chain of over one hundred stores in the country, made an offer to lease the entire ground floor of the building. The lease was formally signed this morning, so there is no question as to the erection of the building. The Golden Rule Co., which has stores at Hastings and Grand Island, has for two years made attempts to get into North Platte, but heretofore were unable to secure a building. The Golden Rule stores handle dry goods, clothing, notions and shoes.

The building to be erected will be pressed brick front, with heating plant and the specifications will call for the best material obtainable. The second floor will be devoted principally to offices, the doctor occupying a suite planned especially for his needs. There will also be four suites of rooms for those desiring good living conditions in the business section of the city.

York Will be Here Thursday.

The foot ball team of the York high school will be here for a game with the locals Thanksgiving Day. The competing visitors are touted as a strong team, but the North Platte boys inspired rather than discouraged by their defeat at Lincoln, will give the Yorkites a battle that promises to send them home wearing crapes.

If you had married the most beautiful girl that you had ever seen in all your life, after a romantic courtship in which you never even stopped to ask her who she was or where she came from, and if, after you had been married only a short time, every bit of evidence that you could find pointed to the fact that she had betrayed you and stolen war plans with which you had been entrusted for a foreign spy—would you believe her guilty? This is the situation in "Diplomacy" in which Marie Doru stars at the Crystal Thursday night.

Forget the "Might have been" and act now and insure with Woodhurst's Insurance Agency.

Miss Mata Paulson, who had been visiting in the eastern part of this state, returned home last evening.

## Financial Troubles at The Pat.

As a result of the termination of an ejectment suit brought by Julius Halber against P. H. Lonergan, the Pat theatre was closed yesterday. The disposition of the play house is not at this time known. Mr. Lonergan may make arrangements to pay off the mortgage of \$960 held by Mr. Halber and re-open, or Mr. Halber may foreclose the mortgage and offer the property for sale. The ejectment proceedings were brought for non-payment of rent, and the \$960 mortgage held by Mr. Halber represents rent and bills of repair contracted by Mr. Lonergan which the former guaranteed payment. When Mr. Lonergan took possession of the room he remodelled the interior at quite an expense, and he did this with lack of finances, and in paying for these he became delinquent in the rent. He claims that the furnishings stand him \$2,700, and that if allowed to continue to operate could in six months liquidate his entire indebtedness. Lonergan seems to be an all around hustler, and it is probable that sooner or later he will be back in the business.

Mrs. Matthews Passes Away

Mrs. Henrietta Matthews, aunt of T. M. Ohagen, died Friday afternoon at the age of about eighty years. Death was due to ailments incident to advanced age and her death was not unexpected. She was born in Jefferson City, Mo., and lived in Missouri until about four years ago when her nephew brought her to his home and at her request built her a small house adjoining his home where she lived very happily and contented. Funeral services were conducted Sunday afternoon by Mrs. Lanyon, of the Christian Science Society, and the remains laid to rest in the North Platte cemetery.

The Thanksgiving program at the Keith will be the Triangle which will consist of "No Good Guy" and "A Dash of Courage." This is an especial comedy program. In "No Good Guy" Willie Collier appears as a detective who couldn't detect a thunderstorm unless he was struck by lightning. But aside from the comedy in this 5 reel story will be a really good theme with sure enough thrills. Harry Grilbon stars in the two reel comedy—"A Dash of Courage."
