Captain Halligan Arrives Home.
Capt. P. R. Halligan, of Co. E, Fifth Nebraska Guards, arrived home yesterday after four months service on the Mexican border at Camp Llano Grande, Texas. Capt. Halligan is somewhat thinner than when he left for the south, but looks rugged and feels fine. He left all the North Platte boys in good condition.

Captain Halligan secured a 45-day leave of absence in order that he might reach home and take the oath of office as county attorney, and likewise become a Benedict, for on January 11th he will wed Miss Dayle, of Lincoln. It is expected, however, that before his leave of absence expires the Fifth Nebraska will have been ordered home.

Captain Halligan is of the opinion that conditions in Mexico are as unsettled as ever, and that Villa will for a long time to come be a revolutionary spirit in northern Mexico, and as he, Villa, has a large following, he will naturally be in a position to keep things stirred up in Mexico.

Name Original Date.

The stag banquet of the B. P. O. Elks will be held at midnight December 31st. This was the date originally selected, but later through a misunderstanding the date was announced for the evening of January first. The committee in charge now make the hour and date midnight December 31st, thus giving the banqueters an opportunity to welcome the new year.

Miss Dentler in New Play.

The company is playing "Strings," in which Miss Dentler takes a role that promises to make the play a big success.
