

# Lubricating Gasoline Gives You 25% More Motor Life More Mileage More Power

## Lubricating Gasoline

is produced by treating Gasoline with **Lubri Gas**, a scientific, mechanical and chemical production of a chemist who having conceived the idea that lubricating oil properly treated could be made to properly and uniformly assimilate with water or gasoline.

## Don't Be Deceived

**LUBRI GAS** does not make your gasoline burn any longer, neither does it make it more powerful.

## Lubri Gas is Lubrication

By the lubrication of machinery we reduce friction, by the reduction of friction we reduce the amount of power necessary to propel machinery; by reducing the amount of power necessary to propel machinery we can reduce the amount of fuel necessary to produce sufficient power, hence more mileage.

## Likewise

by lubrication we reduce friction; by reducing friction we reduce resistance of machinery; by reducing resistance we give machinery more **POWER**.

By lubrication we increase the life of machinery.

## CARBON

will not stick or adhere to an oily surface.

North Platte, Nebraska

## Cool Engine--No Carbon

Lubricating gasoline reaches the internal engine as a vapor compared to a mist or fog in the air; this **lubricating vapor will not burn**. When the explosion of the gasoline vapor occurs then the vapor or mist of (**Lubri Gas**) **lubricating gasoline** is sprayed throughout the entire combustion chamber, thereby allowing perfect expansion and contraction of the piston rings.

Carbon not being property that will stick or adhere to an oily surface must of necessity move onward and is forced by compression out of the inner part of the engine through the exhaust valve or pipe.

## Lubri Gas Lubricating Gasoline is Logical

REASONABLE, Mechanical and Scientific Proven by test. Guaranteed to give you Satisfaction.

## More Reasons

By the reducing of friction we reduce heat; by the reduction of heat we give you a cool engine--You can't boil water in your car if you use **Lubri-Gas**.

## DEMONSTRATION WEEK From August 25, and Including Saturday Night, Sept. 1, 1917

## Demonstration Week

we are going to sell lubricating gasoline at the regular price. We earnestly request every automobile owner in this city and vicinity to buy lubricating gasoline and try it for yourself.

We have added extra help and are prepared to give you quick service and certainly it is worth your while to try this wonderful product of merit and know for yourself if lubricating gasoline is what is claimed for it.

## See the Demonstration

in our window. Let a gasoline engine expert explain to you why **lubricating gasoline** is the gasoline you will eventually buy and if your engine is not giving you satisfaction let him explain to you why not.

**Lubricating gasoline** gives you perfect ignition, clean spark plugs, joy and pleasure in driving, better and cheaper fuel.

## 25% More Mileage More Power More Motor Life

Remember all this week, come early and start using **lubricating gasoline** so you can have ample time to give it a thorough test.

Our guarantee--You can make as many miles with 160 gallons of **lubricating gasoline** as you can with 200 gallons regular gasoline. You are burning dollars; why not save dollars?

Postoffice as Second Class Matter

TUESDAY, AUGUST 28, 1917.

## VISIT WITH FORMER LINCOLN COUNTY PEOPLE

In company with Mr. and Mrs. J. C. Den and daughter Marjorie, Will Otten and sons Glenn and Will and Mr. and Mrs. Geo. M. Young of Wellfleet, the Tribune editor spent two weeks in Wyoming enjoying the hospitality of friends, fishing, hunting and climbing the snow capped mountains. The trip was made in the Den and Otten cars and the total mileage was about 1400. Going to Cheyenne the party took the National Highway trail to Casper, passing through Chugwater, Wheatland and Douglas. This trail is very good with a gradual ascending grade. From Casper to Buffalo the road is very hilly, the grade being such as to call for low gear on all cars, whether Fords or Packards, for a good part of the way. The road from Douglas to the oil field at Glen Rock and from thence to the Salt Creek oil field, a distance of fifty miles, was found to be in a condition most disagreeable, due to the heat which was six to eight inches deep, made so by the many auto trucks and eight and ten horse freight wagons that haul supplies to the two fields. Casper is by far the busiest small city we have ever been in, made so by the oil fields. Here is located the immense refining plant of the Midwest Refineries Co., to which is pumped the oil from the Glen Rock and Salt Creek districts, both of which have been producing fields for a number of years. Fifty or more wells are now being put down at Glen Rock and several at Salt Creek.

The objective point of the party were the ranches of Jesse and Will Young located at the base of the Big Horn mountains twenty-two miles southwest of Buffalo. Here they were entertained royally by Mr. and Mrs. Jesse Young, Mr. and Mrs. Will Young, Mr. and Mrs. Marvin Young, Jay Young, Mr. and Mrs. W. H. Freeman and Mrs. Robbins, the two latter ladies being daughters of Mr. and Mrs. Jesse Young. Mr. and Mrs. Young and their three sons and daughters left Medicine precinct in this county in 1905 and located on their present holdings. Each has a large body of land, part of which was acquired by purchase and part under the homestead act. On each of the tracts sufficient alfalfa is grown under irrigation to furnish winter feed for the respective bunches of cattle. These cattle are grazed during the summer months on the national forest reserve, for which privilege a tax of thirty-four cents per head per season is paid. The government requires that the stock shall be properly taken care

of by herders, who camp on the range and are to some extent under the direction of the forest rangers who are employed by the government to look after the timber, to extinguish fires started by the careless campers and to have general supervision of the ranging of cattle. The homes of these former Lincoln county people are comfortable, they have fine gardens and summer flowers grow to perfection in that section. After camping on the W. S. Young ranch for several days, the party together with the Young contingent--more than a score in all--spent three days on the top of Big Horn Mountains fishing. Here the altitude was 8,400 feet, and the temperature at night dropped below freezing.

The fishing feature of the trip was not altogether satisfactory, though enough were caught to supply the score of people with all they could eat three times a day, but whatever was lacking in this regard was more than made up by the generous hospitality of our former Lincoln county friends.

**Books for War Camps**  
If you cannot fight at the front, you can send a book to the man you are sending to the front to do your fighting for you. The government has asked the American Library Association to assume responsibility for supplying the camps and cantonments with reading material. Every group of soldiers, small as well as large, is to have books. The Public Library in this city has been asked to get donations of books and magazines in North Platte, Nebr. These will be sent to the various camps and cantonments throughout the country and will be made available to the soldiers, either directly, or through such agencies as have facilities for distribution of books.

If you write in each book your name and address, the soldier who reads it will know that some one in North Platte is his friend and stands ready to help him.

The following is suggested as to the books and magazines desired:  
Poorly printed uninteresting, obviously out-of-date books, are not worth shipping to the men. Type should be good and clear and the books in fair condition.

Books of good stories will be wanted most, books of adventure, sea stories, detective stories, historical novels and collections of short stories, especially humorous ones. Such authors as Kipling, Doyle, McClatchieon, O'Henry, Stockton, Brindloss, Tarkington, Houskinson Smith, Oppenheim, etc., have been found popular authors with men. Good poetry and drama can be utilized.

All the men must be helped by these libraries. Some of them have not established reading habits. Some of the books must therefore be light and easily read.  
Foreign language study books, especially French grammar and dictionaries, are much needed--possibly more than any other non-fiction books. In one camp nearly one-fifth of the men are studying French. They should have easy readers and stories besides their text-books.  
Books of travel, biography, and history, especially lives of heroes and travels in the countries at war.

Technical books on aviation, wireless telegraphy, submarines, automobiles, signaling, first aid and hygiene, drawing and lettering.

Ethical books on patriotism, courage, good citizenship, with simple non-sectarian, devotional books. Fresh, attractive, magazines are also desired--such as American, Century, Harper's, Everybody's, Popular Mechanics, Popular Science Monthly, Scientific American, Saturday Evening Post, etc. None over two years old should be included.

The material is needed at once. Why not select today the books which you are willing to give? Do not give worthless unattractive books, but some of your good, fresh, interesting, and valuable ones.

Send the books and magazines to the Public Library between the hours of two and six p. m. upon any week day. If you cannot send the books and magazines, notify the librarian by mail, and they will be called for.

Do it today.

## LOCAL AND PERSONAL

Mrs. Addie Likens, of Paxton, is taking treatment at a local hospital.

Mrs. W. M. Smith has returned from a visit with relatives in Gothenburg.

Mrs. N. F. Clough is visiting with relatives in Lewellen and Ogallala this week.

Capt. and Mrs. M. S. Moore of Gothenburg, were the guests of local friends last week.

Mrs. Ella Smith will enter the North Platte hospital this week to have an operation performed.

Millard Richards of Omaha, a former North Platte boy spent the past week here with friends.

Mrs. C. S. Cantrall, of Gothenburg, arrived here Friday to visit her daughter who resides in this city.

Emil Ericsson left a few days ago for Brady to visit his brother Charles and R. S. Ericsson and families.

Mr. and Mrs. Luke Healey left Friday evening for Denver to spend a week or longer visiting friends.

Mrs. Larson Smith left the latter part of last week for Omaha. Enroute she visited in several Nebraska towns.

Aveline Gates formerly of this city accepted a position in the Potter drug store at Gothenburg last week.

Misses Margaret and Mildred Woods left a few days ago for the eastern part of this state to visit relatives.

Mrs. George Schell and son Charles left the latter part of last week to visit relatives in eastern Nebraska.

Mrs. S. R. Derrberry returned the latter part of last week from a two weeks' visit in David City with relatives.

## RECORD OF THE PAST

No Stronger Evidence Can be Had in North Platte.

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; and any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement.

Geo. W. Weinberger 721 W. Ninth St., North Platte, says: "Two years ago, I became afflicted with kidney trouble. I had agonizing pains in my back, my kidneys didn't act properly and I was gradually becoming worse. I got stiff and lame, lost my rest at night and became all run down. Doan's Kidney Pills, procured from the Rexall Drug Store, gave relief from the first and about six boxes cured me. I need not say how gratifying this cure was, as I had to lay off several months from work. I feel that Doan's Kidney Pills have saved me from many months' illness."

**OVER FIVE YEARS LATER** Mr. Weinberger added: "Occasionally I need a few Doan's Kidney Pills and they always do good work. I still recommend them highly."

Price 60 at all dealers. Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mr. Weinberger had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

North Platte, Nebraska, Aug. 22, 1917.

Sealed bids will be received by the Mayor and City Council of the city of North Platte, Nebraska, for the city of North Platte Fire Station bonds in the sum of \$12,000.00, bonds draw five per cent semi-annual interest, run twenty years, optional after five years. Said bonds are registered and ready for delivery. All bids to be filed with O. E. Elder, City Clerk of said city on or before the 1st day of September, 1917. The Council reserves the right to reject any and all bids.

O. E. ELDER, City Clerk.

Always Glad to Get A Good Cigar

And there's no place you can get a good cigar better than at Schmalzried's. With filler and wrapper of the best quality hand made, there is in the Schmalzried-made cigar all that the most exacting smoker demands.

We handle tobacco and smokers' articles.

J. F. SCHMALZRIED.

## SCRAP IRON

\$6 per Ton.

North Platte Junk House.

Read No. 408

To Whom it May Concern:

The special commissioner appointed to locate public road as follows: Commencing at the southeast corner of the southeast quarter of Section 19, town 9, range 27, thence north on section line between Sections 19 and 20 in town 9, range 27, about 170 rods to a point at the edge of bluff on section line, thence around the edge of bluff on the east side, (which is about 30 rods), until reaching the section line between sections 19 and 20 in town 9, range 27, thence north on section line about 40 rods, terminating at the northeast quarter of Section 19, town 9, range 27, road to be 66 feet wide, has reported in favor of the same.

All claims for damages thereby or objections thereto must be filed in the office of the county clerk on or before 12 o'clock noon of the 10th day of October, 1917, or such road will be allowed without reference thereto. Dated at North Platte this 27th day of July, 1917.

A. S. ALLEN, County Clerk.

331-4.

## Notice to Creditors

Estate No. 1491 of Homer F. Fort, deceased in the County Court of Lincoln County, Nebraska.

The State of Nebraska, ss: Creditors of said estate will take notice that the time limited for presentation and filing of claims against said Estate is March 14th, 1917, and for settlement of said Estate is Aug. 10, 1917; that I will sit at the county court room in said county on Sept. 14th, 1917 at 9 o'clock a. m. to receive, examine, hear, allow or adjust all claims and objections duly filed.

GEO. E. FRENCH, County Judge.

## Order of Hearing Probate of Will and Appointment of Administrators

In the matter of the Estate of Sophia Federhoof, Deceased.

Now on this 13th day of August, 1917, on the filing of the petition of Clara J. Robbins praying that instrument filed herein be probated as the last will and Testament of Sophia Federhoof, deceased, and that Clara J. Robbins, Amanda A. Huffman and Martin Federhoof be appointed as executors of said Will.

It is hereby ordered that September 7, 1917, be set for the hearing thereof before this court at 10 o'clock a. m., and that notice of said hearing be given the heirs, devisees and all persons interested in said estate by publication of a notice thereof for three successive weeks prior to said hearing, in The North Platte Semi-Weekly Tribune, a legal semi-weekly newspaper printed and published in Lincoln County, Nebraska.

GEORGE E. FRENCH, County Judge.

331-4
