T. K. Kelly, the Prince of Modern Merchandising,
IS HERE!

WARNING!
When a merchant turns over his stock to us to close out we never give it a thought. We sell everything to the bare walls and counters. We pay no heed to the regular prices. Sell the goods--reserve nothing. These are our orders. No "Bankrupt" rubbish. No fake or make-believe. We would not tolerate it for a single minute. Everything crashed out with a selling price and taken from regular stocks.
The T. K. KELLY MERCHANDISE CORPORATION, IN FULL CHARGE.
