TRANS-CONTINENTAL TOUR OF THE "HYATT ROLLER."

Car that has Made 261,800 Miles Will Be in North Platte, Wednesday, September 12th.

The "Hyatt Roller," the famous veteran of motordom, now making a tour around the United States, is scheduled to arrive in North Platte, Sept. 12th at 3 p. m.

Motorists throughout the country have been following the progress of this car with a lively interest and those living in this city and vicinity will doubtless welcome the opportunity afforded them of seeing it as it passes through this city.

The "Hyatt Roller" started from Detroit on June 4th for New York City on its scheduled tour twice across the continent. It is now on its first lap, Detroit to New York.

The tour is being conducted by the Hyatt Roller Bearing Company as a test of the wearing qualities of Hyatt bearings in automobiles. The car selected for the test is a car of antiquated design, a 1909, Model 16 Buick, owned by F. E. Slason, of Plainville, Kans.

Before starting on its long jaunt across the country, it had already made a record for itself and for the Hyatt bearings in the famous Hyatt mileage contest, having traveled the surprising distance of 261,800 miles, or more than ten times around the world, on a single set of Hyatt bearings. So far as known and according to official records, no other car in the world has ever exceeded this mileage record.

The original bearings placed at the differential, on the forward end of the propeller shaft, at the pinion and in the rear wheel hub are all still a part of the car's equipment. Although they have received the most strenuous service of any set of automobile bearings on record, the wear has been so small as to be imperceptible to the naked eye. All indications point to the original bearings being fully capable of completing their present task without mishap.

While in North Platte the "Hyatt Roller" will be on exhibition at the Buick Sales Rooms, corner Fourth and Locust streets. J. S. Davis, or the J. S. Davis Auto Company, will meet the car at HERSHEY on September 12th, at 3 p. m. and will accompany its drive to this city.

Gordon Crippen Weds Sylvia Stenner.

Miss Sylvia Stenner and Gordon Crippen were married Tuesday evening at the home of the bride's parents, Rev. Crippen of Mayflower officiating. The bride wore a pretty gown of white silk with rich lace trimmings, long tulle veil and carried an arm bouquet of white roses. Miss Edith Stenner acted as bridesmaid, wearing yellow georgette crepe and carried flowers of the same shade. The groom was attended by Vincent Crippen.

After a visit in Mayflower for ten days they will be at home in this city.

The bride is the daughter of Mr. and Mrs. Anton Stenner and the groom has been employed here as a carpenter.

"Watch Your Step."

Tuneful music, fast comedy, an excellent company with carefully selected principals and a fast, well drilled chorus, a heavy production and pleasing costumes; these are the ingredients that make Irving Berlin's international syncopated musical success entitled "Watch Your Step" the best show of its kind, and which will be the attraction at the Keith Friday, September 14th.

Principal among the twenty odd song hits are: "Settle Down in a One-Horse Town," "When I Discovered You," "Lead Me to Love," "The Dancing Teacher," "The Mirel Parade," "They Follow Me Around," "Show Us How to do the Fox Trot" and "I Love to Have the Boys Around Me."

Bread Prices to Drop.

Bread prices in North Platte will take a drop next Monday. The prices will be ten and fifteen cents instead of fifteen and twenty. The large loaf will remain the present size, but the small loaf will be fourteen instead of sixteen ounces.

This reduction follows the drop in flour, which is now several dollars below the altitudinous price of a couple of months ago.

DENVER MAN WEDS MISS LULU BURKE

A pretty and impressive wedding took place at the home of Mr. and Mrs. John Burke last evening when their daughter Lulu Jessie became the bride of Robert Burdett Stannard, of Denver. Preceding the marriage service Mrs. Edward Burke sang "Because" and the wedding march was played by Miss Grace Burke. Rev. C. B. Harman performed the ceremony at eight o'clock in a bower of palms, ferns, pink roses and potted plants. The bride wore a gown of white duchess satin with trimmings of tulle and rich lace and a court train which fell from the shoulders. The bodice was embroidered in small beads and her long veil was held in place by clusters of lilies of the valley. She carried Killarney roses and wore the gift of the groom, a diamond necklace set in platinum.

Miss Maybelle Burke acted as bridesmaid. Her gown was of rose pink satin with overdrape of silver cloth and she held an arm bouquet of pink Russell roses. George Stannard, of Denver, attended the groom.

Decorations were in pink and white, and bouquets of cut flowers and ferns were used. Many beautiful gifts were received.

After the congratulations a luncheon was served and assisting in serving were Miss Clara Sorenson, Georgina McKay, Carrie Well and Bessie Randle. The honeymoon will be spent at Grand Lake, Colo., after which they will reside at Twenty-second and Emerson streets, Denver.

Mrs. Stannard was one of the most talented and popular young ladies of this city. She is a graduate of the Denver schools and for the past three years has taught very successfully in the county and city schools.

Mr. Stannard is employed as auditor for the Western Union office in Denver and is a young man possessing many good qualities and splendid business ability.

FREIGHT RECEIPTS SET NEW RECORD IN CITY.

Incoming freight receipts for last month at the Union Pacific depot in North Platte exceeded by twelve thousand dollars any month in the history of the road. For the month the total amount received for the freight delivered was \$52,000. The total charges on outgoing shipments is not known, but they were large.

The freight charges collected, and the increase over any previous month, is an index of business conditions in North Platte, an indication that trade in all lines is good.
