

OBERST IS PROMOTED TO LIEUTENANCY AT DEMING

Word received from Byron B. Oberst, who enlisted in Company E and went to Camp Cody, is to the effect that he has been promoted to second lieutenant of Company B, 13th Infantry. Shortly after reaching Deming, Mr. Oberst was appointed a corporal, and this is now followed by a second lieutenantcy. Lieut. Oberst when entering the service was determined that he would not long remain a private if conscientious work would win promotion, and his determination has won.

Mr. Oberst's friends in town will certainly be pleased to learn of his promotion and hope to hear of further advancement.

The domestic science department of the Twentieth Century club met Monday afternoon at the home of Mrs. F. C. Pielsticker. The subject for the day was "The Nation's Meat Supply." Three very interesting papers were read by Mesdames J. S. Davis, Otto Thioelcke and I. L. Stebbins. The hostess demonstrated baked macaroni prepared with peanut butter as a meat substitute dish. The department hopes within two weeks to have a young lady from the Department of Agriculture at Lincoln here to demonstrate meatless dishes and wheatless bread. The time and place will be announced later.

Capt. Rolfe Halligan returned from Washington to Camp Cody this week. While at the national capital he was given instructions in the army insurance bill, with the purpose of explaining it to the soldiers of the Thirty-fourth division, of which the One Hundred and Thirty-fourth regiment is a part. Each enlisted man and officer will be urged to take out a policy for \$4,500 or more—\$10,000 being the limit.

Writing from Camp Cody, one of the boys of Company E says that the company has been recruited up to 250 from men transferred from Camp Funston and that the company would be put through intensive training for six weeks. This is taken by some to mean that about January first the men now at Camp Cody will be sent to France.

The Episcopal guild will hold its annual supper November 15th, at 5:30 p. m., in the church basement. The price will be forty cents a plate.

Francis Case Weds Miss Burgner.

Francis Case and Miss Jania Burgner were married Wednesday evening at eight o'clock at the home of the bride's sister Mrs. Fred Loudon. To the strains of a wedding march rendered by Miss Mackay the couple took position under a wedding bell suspended from an archway where the ceremony was performed by Rev. Hull. The bride's gown was of white embroidered net and she carried lilies of the valley and chrysanthemums; while Mrs. Loudon as matron of honor wore a gown of yellow messaline and her bouquet was white and yellow chrysanthemums. Beatrice Loudon carried the ring in a lily. The groom was attended by Fred Loudon. Room decorations were in white and yellow. Following the ceremony a four course dinner was served.

The bride is the daughter of Mr. and Mrs. J. E. Burgner, now of Grand Island, but for a number of years residents of this city, and she is well and favorably known. The groom who recently came here from Omaha, is highly spoken of by all acquaintances. Mr. and Mrs. Case will make North Platte their home.

Radical Seize Petrograd

Petrograd, Nov. 8.—(9 a. m.)—Government forces holding the Winter palace were compelled to capitulate early this morning under the fire of the cruiser Aurora and the cannon of the St. Peter and St. Paul fortress across the Neva river. At 2 o'clock this morning the woman's battalion which had been defending the Winter palace surrendered.

The workmen's and soldiers' delegates are in complete control of the city.

Premier Kerensky was reported last night at Luga, 85 miles southwest of Petrograd.

Delegates from the Baltic and Black Sea fleets have declared in favor of the workmen's and soldiers' council, according to Reuter's Telegram company.

LEONARD ROBINSON IN FRANCE RECEIVES A PROMOTION

Leonard B. Robinson, aged forty-seven, who was the first North Platte man to reach the fighting lines in France, has been promoted from supply sergeant to first sergeant of Co. E, 13th Engineers (Railway). His son, Leonard Robinson, Jr., enlisted in the aviation corps and reached France a few days later. Here is the unusual instance of father and son, imbued with a patriotism that is certainly most commendable, fighting the battles of their country on foreign soil, saving their lives, if necessary, to win.

Turned down by reason of his age from enlistment in other branches of the service, Mr. Robinson persevered and finally passed in the engineering corps; and having passed himself, he was not content until his son—who was also keen to enlist—was passed into the aviation service.

The wife and mother, equally intense in her patriotism, is keeping the home fires burning and providing for the two younger children by working as a cook at the stockyards until the savings of the father and son can be sent her.

To the credit of the Spanish War Veterans, of which Mr. Robinson was one, it can be said that they are making arrangements to send father and son a Christmas box, the goodness of which will not only delight them, but will remind them that friends at home remember them and appreciate their patriotic service to the country.

A complete canvass of the city under the direction of the Red Cross Chapter, was made Wednesday to secure money for the purchase of Christmas packages for the soldiers. Two score ladies and a number of business men were engaged in the soliciting. The full amount secured had not been turned over to the committee up to last evening. In Tuesday's issue the committee stated that 150 packages to cost two dollars each had been allotted to Lincoln county, but later a letter was received stating that the allotment to the county was 360 packages, thus calling for donations of seven hundred and twenty dollars.

H. Hirschfeld returned yesterday from Chicago where he devoted several days to purchasing goods for his clothing store.

Block is selling all Fall and Winter Suits at cost and in some instances at less than cost. This statement can be verified by a call at this store.

COUNCIL OF DEFENSE WANTS LINCOLN HIGHWAY REPAIRED

A special from Lincoln to the Omaha Bee dated yesterday says: "The Nebraska State Council of Defense, with the aid of the State Highway commission, is asked by the National Defense Council to take immediate steps to put the Lincoln Highway in usable condition and 'keep it so.' The commission, from George T. Porter, chief of the section of cooperation with states, is that the Lincoln Highway, running from ocean to ocean, can be made a useful adjunct to railroad transportation. 'With the constant increase of traffic across the country, the transcontinental highways are becoming increasingly important. Of these the most advanced is the Lincoln Highway, a large section of which lies in your state,' the letter adds.

It is pointed out that auto vehicles destined for use by the government of our allies can be run over the highway to the seaboard on their own power, and in doing so can carry freight, thus making a considerable saving to the railroads."

Mrs. Hoffline Dies.

Three Donegan Boys in Service

Noel Donegan enlisted yesterday in the mechanical arm of the federal service and leaves tonight for Ft. Logan. He hopes to be transferred to the engineering corps after reaching Ft. Logan. This is third member of the Donegan family to enter the service. Joe is an officer on a torpedo boat in the coast defense, Cyril is at Camp Funston and now Noel goes to help win the war. That's certainly loyalty to country—a loyalty that is to be commended and of which the parents, Mr. and Mrs. Joseph Donegan, should feel proud, notwithstanding the great sacrifice they make.

Nick Chiros' statement that there are twenty-five places in town where gambling is indulged in may be overdrawn, yet talk on the streets is to the effect that here is more gambling in town at present than for a number of years past. Perhaps not all games can be ferreted out, but if the police are active it would seem that they should be able to occasionally uncover a game.

ARRANGE FOR THE Y. M. C. A. WAR WORK CAMPAIGN

A meeting was held last night at the Chamber of Commerce rooms of the Sixteenth District of the Nebraska War Work Council of the Y. M. C. A. RED CROSS WORK WILL BE MORE VIGOROUSLY PUSHED

At a meeting of the executive board of the local Red Cross Chapter the work of the smaller towns in the county and surrounding territory was discussed, and while the towns that have been organized have been doing excellent work, they have not really given the attention they should have by the local chapter and there are other towns in the county that desire to organize. It was decided to give this work more attention. It was also discussed and decided to invite the Tryon chapter to become a branch of the North Platte chapter.

Miss Elizabeth Htman resigned as secretary and the vacancy was filled by the election of C. F. Temple. Mrs. G. B. Dent was elected chairman of the executive board and Mrs. J. S. Simms vice chairman.

A finance committee composed of E. J. VanDerhoof, M. J. Forbes, J. Q. Wilcox, C. S. Clinton and W. J. Landgraf was appointed.

C. F. Temple and Mrs. W. H. McDonald were appointed as a publicity committee.

The report of Mrs. W. H. Blalock as delegate to the state meeting was read. This report was very complete, and will be published in a near issue. The work of the Red Cross chapter is to be pushed much more vigorously than has been necessary in the past, and every citizen of Lincoln county is wanted to become a member of the organization.
