DR. O. H. CRESSLER,

Graduate Dentist

Office over the McDonald

State Bank.

CITY AND COUNTY NEWS

Walter Kocken spent yesterday in Cozad doing special work on automobiles.

Gene Stratton Porter's "Freckles"—one of the best known stories in the English language with Louise Huff and Jack Pickford in the stellar roles will be the feature attraction at the Keith Tuesday, Jan. 22.

Dr. Brock, Dentist, over Stone Drug Store.

Geo. H. Wilkins, miller at the Electric Mills, has been in Fremont for several days attending the state convention of the volunteer firemen. For a number of years he was connected with the Gothenburg fire department.

J. E. Evans received a letter Wednesday from his son Everett in which he stated that he was carrying a hand in a splint, having badly mashed it. At the time the letter was written the Texas, the battleship on which Everett is stationed was ice-bound "somewhere" in the Atlantic.

T. L. Green returned Wednesday from Oklahoma where he spent a week or ten days investigating oil properties in which he is financially interested. On this property several wells are producers, but they have been sealed until the arrival of pipe to convey the oil to storage tanks.

Mr. and Mrs. Carroll returned yesterday from Fremont, where they were called Monday by the death of Mrs. Carroll's father, Frank Winkelman. The funeral was held at Fremont Wednesday. Death resulted indirectly from injuries Mr. Winkelman received at Sidney several years ago.

All her life a beautiful woman stifled the impulses of her heart. She would not believe. She would not trust. She would not forgive the one who had destroyed her faith in man. This theme is presented in "The Spreading Dawn," at the Keith Wednesday and Thursday, Jan. 23-24, with Jane Cowl, beautiful, appealing, powerful.

Unless shipments of coal into North Platte become more plentiful it will be necessary to limit to one ton the amount purchased by an individual and also to turn down orders from those who have a reasonable amount on hand. Coal stocks in North Platte are low but by adhering to certain regulations the dealers hope to keep their patrons supplied.

We have just received a lot of new Columbia records. Come in and hear the late song hits. Dixon, the Jeweler.

Julius Mogensen was thrown from a wagon by a runaway team Wednesday morning, but the injuries he sustained were slight.

W. C. Cauffman of Kenosaw, was in town Wednesday enroute home from McPherson county where he officiated as auctioneer at a public sale.

Girls between the ages of ten and fourteen, who desire to engage in Red Cross work are requested to meet Mrs. W. H. McDonald on the third floor of the Federal building Saturday forenoon at ten o'clock.

The knitting department of the Red Cross will ship out a box Thursday of next week. Anyone having knitted articles that are finished or that will be finished by then please see that they are turned in so that they can be sent with that box.

The coats for women and misses all must be closed out. The Leader Mer. Co. offer bargains such as you can't get away from. For instance coats up to \$18.50 on sale at \$13.95. Coats up to \$25.50 on sale at \$15.85. And so on up in the finest grades still greater reductions and savings.

There are twenty-two in "The Bird of Paradise" cast which comes to the Keith theatre Monday night. The company carries a big lot of scenery depicting life in Hawaii which will be interesting. The play is one which has been on the stage seven years and is a splendid modern drama.

A local restaurant man says he does not understand why he is not allowed to serve or sell meat on Tuesday while all meat markets are permitted to sell; nor why he is not permitted to serve or sell wheat bread on Wednesday while permission to do so is given bakers. He is not finding fault particularly with the federal regulations, only that on the face it looks as though the restaurant men were not having altogether a fair deal. In many towns the meat markets keep closed on Tuesday and in some towns the bakeries close on Wednesday.

Wm. E. Shuman and daughter Dorothy, returned Wednesday from their trip east. They spent the Xmas holiday season visiting Mr. Shuman's brother in Chicago, then went to Buffalo, N. Y., and witnessed Niagara Falls in its winter beauty. Afterwards they spent a week in New York and a week in Washington, D. C. At the later city Mr. Schuman was admitted to practice before the Supreme court of the United States and watched the workings of Congress for several days. He heard President Wilson deliver his peace message to Congress. Mrs. Louise Burke, who accompanied them on the trip stopped off at Fort Wayne to visit friends for a few days. During the past six months Mr. Shuman has traveled more than 12,000 miles, over a vast range of territory, but he says he has found no place that he likes better than his home city, North Platte.

Moving to New Building.

The North Platte Creamery began moving its fixtures this week to its new building on Sixth street, which was erected expressly for creamery purposes and so arranged as to best meet the requirements of such a concern. Considerable new machinery has been ordered, part of which has arrived and has been installed.

The room vacated by the Creamery will be occupied by Chas. Ebelberry.

Child Dies of Fall.

The four year old son of Mr. and Mrs. A. L. Espey, living at 306 east Third street, died early yesterday morning from the effects of a fall sustained a few days before. The child was riding a yard stick as a "horse," tripped and fell and one end of the broken stick entered the ear and penetrated the brain. The little one suffered intensely until death came to its relief. The funeral will be held from the home at 2:30 this afternoon conducted by Rev. Cram.

Presbyterian Church Notes.

At the first Presbyterian church Sunday Rev. J. H. Curry, D. D. will tell at the eleven o'clock hour what the Presbyterian church is doing abroad; and at the evening hour the subject will be "Some of the Things Religion is Achieving during the World War." The Sunday school will begin promptly at 10 a. m. A. S. Allen superintendent. The men of the congregation are especially invited to come to the men's class, taught by the pastor.

Junior C. E. at 3:00 p. m. Miss Buck leader.

Methodist Meetings.

The Evangelistic meetings at the Methodist church are developing much interest in the community. Dr. Runyan's sermons are the most forceful we have ever listened to, yet the spirit of love in which they are delivered, makes each one feel that the speaker has his interests at heart.

Mr. Campbell is making himself felt thru song. The large faithful chorus speaks volumes in his praise.

The Junior Revival which is held Tuesday, Wednesday, Thursday and Friday at 4:00 p. m. is growing each day. The young people are preparing for the Junior Surprise Saturday night. Do not forget this date, the Juniors have something good in store.

Sunday will be a big day and a cordial invitation is extended to all. The chorus will be on hand each night at 7:30 to entertain and uplift.

The Making of Rugged Men.

The Tribune man witnessed for twenty minutes yesterday forenoon the exercises given a score or more boys by Prof. Ohman, physical director of the city schools, and was interested as well as amused by the activity of the boys. The exercises are so varied as to tense every muscle and try out the lung capacity and the heart action—the more vigorous the exertion the more willingly and enthusiastically did the boys take hold. This training certainly develops the physique and is assisting in making our boys, rugged, healthy and active; not only physically fit, but teaches them alertness of mind and eye—to see, to know, to do quickly.

This class is one of three, each having thirty or more members, and each boy holds with delight the dawn of "gym day."

There will be a special called meeting of the local committee on Armenian and Syrian Relief at the Chamber of Commerce rooms this Friday evening at 5:00 o'clock by order of the Chairman A. W. Shilling. All ward chairmen and members of soliciting committees are requested to attend this meeting.

Mrs. Gertrude Carson, of Grand Island, will be here tomorrow to instruct a class of the Sammy Girls in making surgical dressings.

A bunch of twenty or more laborers came down from Denver this morning. Part of the gang will work at the ice houses, the others at the new depot.

Arrange for Sale of Stamps.

The committee selected by Chairman M. J. Forbes to push the sale of War Saving Stamps met Wednesday and outlined a plan for a drive which it is believed will result in every resident of the city being solicited to buy. Instead of making a house to house canvass, committees of railroad men will solicit men of that calling, a business men's committee will solicit business men and members of different women's clubs will be solicited by a committee from each of the clubs. In this way everyone will be given an opportunity. These committees are now being selected and the drive will soon start.

Basket Ball Season Opens.

The basket ball season for the local high school team will open Saturday when the boys journey to Ogallala for a game with the school team of that town. Saturday of next week they will go to Gothenburg to play. Later in the season those towns will play return games.

The local team is said to be in fairly good condition, but will need a game or two with other teams to fully develop their real strength.

Christian Church.

Services of the Christian church for Lord's day, January 20th, 1918.

9:45 a. m. Bible school, communion and sermon; 3:00 p. m. Junior Endeavor meeting; 7:30 p. m. evening worship and sermon, theme, "The Tears of Jesus."

All are invited to attend these services. F. A. Lindenmeyer, Minister.

Wheatless and meatless days, which have been voluntary heretofore, will become mandatory by a bill which has been introduced in congress this week. The food situation the world over is acute, and this country is up against the proposition of enforcing by law conservation of food stuffs. This bill gives the president the power to restrict the manufacture, sale or use of such food and food-stuffs as in his judgment should be restricted. Therefore be prepared to eat according to federal regulation, and find no fault.

Notice to the Public.

We, the undersigned merchants of North Platte, Nebraska, having been called together by the Chairman of the Local Food Administration for the purpose of further co-operation with our government to the end that the best possible results might be obtained in saving food, man power and all other unnecessary expenses have unanimously decided that commencing Monday, January 21st, 1918, we will sell all commodities as per government instructions issued weekly, as follows, cash over counter and carry as per prices of Food Commission, a nominal charge of ten cent (10c) for all deliveries and an additional two per cent (2 per cent) charge for carrying all accounts.

We ask the hearty co-operation of the public and we realize that this will not be withheld, as the patriotic citizenship of North Platte and surrounding community is a well-recognized fact throughout the state of Nebraska. Signed:

SOMEBODY LOST \$1500

S. D. Hastings, of Missoula, Mont., found a roll of bills while engaged in tearing down an old house last September.

The money was tightly wrapped in a piece of black cloth which the rats had used for a nest underneath the old house, and was in good condition.

An expensive rat-nest and a splendid argument in favor of keeping Liberty Bonds and other important papers in the "Platte Valley State" Safe Deposit. Separate steel vault—absolute protection. Individual boxes \$1.00 up, per year.
