

THIRTEEN MEN WILL BE CALLED ABOUT MARCH 4th.

One day the Lincoln county exemption board receives certain orders, and within a week receives revocations of the orders. Under these conditions the members are kept somewhat "up in the air." Last week it was announced that the last fifteen per cent of Lincoln county's quota would not be called for the reason that the quota of the state had already been filled by enlistments and inductions. Now, under directions received Saturday evening the last fifteen per cent will be filled, and the date for the Lincoln county boys leaving will be between March 4th and 9th. Through enlistment and deductions this last fifteen per cent has reduced the number of men to thirteen, so that number of sturdy Lincoln county boys will be dispatched to one of the training camps—probably Camp Funston within the period named above.

A. S. Allen, of the exemption board, stated yesterday that he would send out notices to these thirteen men not later than Saturday evening of this week.

Dr. Fennr returned this morning from a professional trip to Denver.

Governor Neville in Town.

Governor Keith Neville has been spending the past few days looking after his business interests, and was present and enjoyed the festivities at the Elks' home last evening. Governor Neville is prominently mentioned as a candidate for United States senator, but has not as yet announced his candidacy. Whether he will be a candidate will probably be made known in a short time. It is conceded by all that he would make a very strong race.

Pay Top Price for Lot.

ELKS CELEBRATE GOLDEN ANNIVERSARY OF THE ORDER.

Elks and their ladies numbering two hundred strong attended the celebration given last evening in commemoration of the golden anniversary of the order, and enjoyed a program that was marked by its elaborateness and efficiency of presentation. It was a program that ranged from the sublime to the ridiculous, a variety that excluded weariness from the opening of the reception at eight o'clock until the final strain of the last waltz at three o'clock this morning.

From eight until nine was the reception hour, during which Stamp's orchestra rendered the best of its repertoire of popular selections, and at the latter hour the scene was shifted to the lodge room where a musical program of much merit was given. Those taking part in this were Miss Sadie Tuvillo, Miss Mildred White, W. V. Hoagland, Mr. Paul Harrington, Mr. Victor Beck and Mr. Earl Stamp, and included vocal, cornet, violin and xylophone solos. Geo. N. Gibbs made a short address, giving a resume of the B. P. O. Elks, the first organization, its growth, and the principles for which it stands.

Following the program the floor was cleared and those who desired to dance were given the opportunity to do so to music furnished by Doucet's jazz band. Those who did not dance repaired to the second floor and were entertained at ball throwing, target shooting and with selections by the Stamp orchestra.

At eleven thirty all were invited into the dancing hall along one side and end of which floor tiers of elevated seats had been erected, thus leaving floor space for the cabaret produced during the refreshment hour. This cabaret was exceedingly clever, thanks to the resourcefulness of stage manager Jim Keefe and efficiency of those taking part. The first stunt introduced was a Robinson Crusoe song rendered in "Heberew" make up by Victor Beck, followed by several selections by a quartette composed of Birge, Harrington, Mitchell and Munger in negro wench make-up. Their songs were largely hits at some of the local Elks and created much applause. The next number was a fairy drill by Jim Keefe, Victor Beck, Perry Buchanan, Prof. Doucet and Elmer Sailer and this too created much amusement.

The closing number was the feature of the evening, a duet between Miss Mildred White and Paul Harrington, in which Miss White, completely enveloped in an armor of steel and astride a shetland pony posed as Joan of Arc.

Following the lunch and cabaret dancing was continued. The committee responsible for this evening of delightful entertainment was composed of F. C. Meisticker, J. T. Keefe, A. B. Hoagland, Frank McGovern and W. H. Munger.

Earl Carlton Weds Mrs. Smith.

Earl Carlton, who went to Camp Cody as a member of Company E, arrived home the latter part of last week, and last Sunday he was united in marriage to Grace A. Smith, to whom he paid attention before going to Camp Cody.

The ceremony took place at the Christian church, Rev. Lippenmeyer officiating. The attendants were James Baker and Miss Mary Giesert, of Overton. Master Clarence Smith, the small son of the bride was ring bearer, and the ring used was the groom's grandmother's.

Mrs. C. H. Hinton, of Gabbro, the mother of the groom, and Mrs. Grace Jessup, his sister were present.

After the ceremony a dainty wedding dinner was served at the home of Mrs. Jessup.

Economy in War Times

Real economy means the buying of that which during its useful life, will return the most benefit at a minimum of waste and expense. War tests men and organizations and it is the acid test of motor cars. Two of the cars I sell have stood the test, Dodge Brothers and the Cadillac, and are being bought today almost exclusively by the government in its various activities, and by the people generally, in larger numbers than any car anywhere near their price class. They have stood up under the test of service both in the United States and France. They will stand up for you and deliver you miles on an efficiency basis. I believe it pays to sell dependable motor cars and I should be glad to talk with you and show you records.
