

One Box Dodd's Kidney Pills

Relieves Mrs. Frey's Rheumatism

Mrs. Ira Frey, of Le Mars, Ia., suffered for six long months with the agonies of rheumatism. Then she heard of Dodd's Kidney Pills and bought a box. Here is what she writes:

"For six months I had rheumatism. I had swelling of the limbs, stiffness in the joints and cramps in the muscles. I suffered greatly from backache. My limbs felt heavy, and I had a dragging sensation across my joints. I had a great deal of pain in the top of my head, was often dizzy and had flashes of light and floating specks before my eyes. I had heart fluttering and could not sleep well. My appetite was fitful and I felt heavy and sleepy after meals. I suffered from shortness of breath. After taking one box of Dodd's Kidney Pills I was much improved."

Mighty few people realize in time that kidney trouble is making its advances upon their health. They put off treatment—they say, "Oh, I'll be all right in a day or two." And the malady tightens its grip. Result: Bright's Disease, hospital treatment, doctor's bills—often death.
