What's Wrong With Us?
The proceeds of the Red Cross sale at Gothenburg last Saturday was over seven thousand dollars. One goose brought six hundred and fifty dollars. We of North Platte ought to feel pretty cheap when we compare our insignificant \$500 sale last Saturday with the Gothenburg sale. It is about time North Platte wakens up to the fact that it is a laggard. We have fallen down in the purchase of our quota of Liberty bonds and war savings stamps, we failed to do what we should in Red Cross and Y. M. C. A. subscriptions, and it is nip and tuck to get funds to maintain the Red Cross work at its present output. The fact is, we are placing our dollars ahead of patriotism; nine-tenths of us are absolutely unwilling to make the least sacrifice in order that our soldier boys may be given the protection and support they are entitled to and deserve; we show a lack of zeal in our patriotism; we neglects discreditably upon our citizenship; and unless we do better the whole of Nebraska will point the finger of scorn at us. For the good of our boys in trenches and camps and for the success of the government under which we live, let us show life and action in all these war measures which are so essential to the success of the war. There is no neutral ground for any North Platte man or woman to stand upon. It is one of two things—we are either for or we are against the government. Which?

A Successful Church Year.
The annual congregational meeting of the Presbyterian church was held Wednesday evening with a fairly good attendance of members present. Reports from all departments showed that the church had been busy at its task; every auxiliary showing an increase in members and offerings, and though without a pastor for near half a year the current expenses had been paid and the quota to the benevolent boards met. The budget for the incoming year, which is considerably larger than last, was accepted and on April 7th the officers will make an every member canvass to secure pledges to meet the budget. The Sunday school showed splendid results. Most of the elders and trustees were re-elected. The trustees reported \$2,500 on deposit, which is the nest egg for the new manse it is planned to build this summer.

Surprise Mrs. Henckel.
Saturday evening at eight o'clock forty-five members of the Swedish Lutheran church and friends gathered at the home of Mrs. Rodine and then went to the home of Mrs. H. P. Henckel and gave her a genuine surprise. The evening was spent in a social time with conversation, music and singing, after which one of the members presented Mrs. Henckel with a beautiful linen table cloth as an expression of their appreciation of her work in the aid society and church. A two course luncheon was served by several of the ladies. All departed at a late hour after spending an enjoyable evening.

Easter at Presbyterian Church.
The First Presbyterian church is planning for a great day Easter. First at the Sunday school hour the children of the school will render an Easter program of songs and recitations suitable to the day. At the preaching hour the pastor J. H. Curry, D. D., will receive a large class from his communicants class, together with a number of adults, into the church and administer baptism to both those being received and also to a number of children whose parents are presenting them at the altar for consecration. The choir will sing an Easter anthem followed by a solo by Mr. Holland.

At the evening hour the choir, with Mrs. Gilfoyl as leader and Miss McKay as organist, assisted by twenty-four voices, will render "The Risen King," which has been in rehearsal for some time and are prepared to present one of the most interesting programs of Easter music that has been given in the city. They will give both the pre-cessional and recessional. Mrs. Holland will assist with a violin number. If you love good music come and enjoy the evening with these artists.

There will be no change in time of any service in the Presbyterian church Sunday, but will run on the old time throughout the day.
