No. 29

LINCOLN COUNTY SUBSCRIPTIONS NOW REACH \$471,000.

Up to yesterday noon Lincoln county had subscribed for third Liberty bonds in the sum of \$471,000 or \$165,000 more than its quota. The North Platte district has gone over the top by \$132,500, and the county outside of the North Platte district has gone over by \$31,200. This is a very good showing, though some of us had hoped that the total would reach \$500,000. If the country at large will do as well as Lincoln county Secretary McAdoo will be able to pay war expenses for three or four months.

Form Red Cross Auxiliary.

At a patriotic meeting held in district \$3, ten miles north of the city Friday evening a Red Cross auxiliary was formed. Simms who gave a talk on Red Cross organization, the work it is doing, and the need of everyone interesting themselves in the work. The audience was very enthusiastic and good work may be expected from the people of that section of the county.

When this information was imparted, the 42-year-old-to-be bride shed tears copiously.

WARE AND VARJE ARE GIVEN BIG AUDIENCES.

Dean Ware, of Kearney, who spoke under the auspices of the Sammy Girls and Rev. Varje who delivered an address in behalf of the starving Armenians and Syrians, were greeted by an audience last evening that filled the seating capacity of the Franklin auditorium. The meeting was presided over by Mrs. John McGraw, representing the Sammy Girls, and A. W. Shilling, chairman of the Armenian relief committee. The introductory numbers were a solo by Miss White and a violin solo by Trevlyn Doucet, and selections by the Municipal band. Dean Ware spoke for about thirty minutes on the spiritual side of the war; what the war meant in the protection of the home, the necessity of prayer for the success of our army.

Following solos by Mrs. Gilfoyle and Miss Trovillo, Rev. Varje was introduced and gave an interesting talk on the Armenian and Syrian peoples, the injustice heaped upon them by the unspeakable Turk, their present destitute condition, all due largely to the fact that they are Christians and not Mohammedans.

At the close of this address subscriptions for the relief of these destitute were asked, and several hundred dollars were subscribed. A nationwide campaign to raise thirty million dollars for the relief of these people has been inaugurated. The quota apportioned to North Platte is \$2,300. Prior to last night's meeting \$700 of this amount had been subscribed. Chairman Shilling and his committee will at once begin a campaign to secure the balance of the apportionment.
