THIRTY-FOURTH YEAR.

NORTH PLATTE, NEB., APRIL 30, 1918.

No. 31

THE CAMP FUNSTON BAND WILL VISIT THIS CITY.

T. C. Patterson, chairman of the County Council of Defense, received a phone message from Governor Neville Saturday stating that the Camp Funston band would make a tour of the Union Pacific towns as far west as North Platte, then up the North River branch and the Burlington into Wyoming and back over the Northwestern. If our people so desired, the band would stop here at a probable cost of \$100.

Yesterday Mr. Patterson got into communication with the Governor's office at Lincoln and learned that according to the itinerary the band will reach North Platte at 5:45 tomorrow evening on train No. 17. Arrangements have been made for a concert by the band at 7:00 at the court house park if the weather is favorable; if unfavorable the concert will be given in the Franklin auditorium. The concert is given early so that the program can be concluded before the Engineers' May Party opens.

NORTH PLATTE PATRIOTISM IS FIRED LAST NIGHT.

Patriotism for country and loyalty to the twenty-one boys who left for Camp Funston was evidenced last night in a wonderful meeting at the Franklin auditorium; a gathering that more than filled the seating capacity of the big hall; an audience that efferved with enthusiasm and loudly applauded the soldier boys, the speakers and the musicians. There was no discounting the patriotism of the more than one thousand men and women present; enthusiasm that will continue so long as the war lasts, and if possible increase in its intensity.

The occasion was a farewell reception tendered the departing boys by the Sammy Girls, and the attendance and the enthusiasm was heightened by the mobilization and short march of the Home Guards, the splendid Home Guards band and the efficient Home Guards drum corps recruited by Drum Major Beck during the past three days. The inspiring music of the band and drum corps fired the loyalty of men in line and the crowds on the streets, and when the meeting at the auditorium opened they were Johnnie on the spot with a big load of enthusiasm.

The audience was addressed by two very able speakers, Mrs. B. A. Cram and Rev. Franklin Koch, addresses that were full of patriotism, well delivered and enthusiastically received. Interspersed in program were selections by band, selections by the Home Guards male quartette, cornet solo with orchestral accompaniment by Earl Stamp, readings by Miss Elsie Waltemath, and vocal solos by Miss Carroll Derryberry. The soldier boys were escorted to the stage, each presented with a sweater and comfort kit by John E. Evans in behalf of the Sammy Girls, and while doing so he amused the audience with story and jest. The meeting closed with singing "America."

The boys left on train No. 4 at 11:30 and several hundred assembled at the depot to give them a final farewell!
