Subscriptions Exceed Half Million.

The subscriptions to the third Liberty loan up to Saturday evening in North Platte and Lincoln county had reached the sum of \$513,000, or \$217,000 more than the county's total. The campaign will not close until Saturday evening and by that time several thousand more will be added. The total is not likely to be less than \$525,000.

The showing is a very good one. It is equivalent to \$28 for each man, woman and child in the county.

Seven Million Men Needed.

Former President William H. Taft, speaking as a representative of the league to enforce peace, at the annual meeting of the federated churches at Cleveland Saturday called upon America to abandon hope of early peace and prepare at once to send an army of 7,000,000 American soldiers to the western front.

"America must calculate on a long war," he said. "Let us have a plan to put five or seven millions of men over there."

Mr. Taft attacked the idea that we are not at war with the German people, but with the German government.

"Make no mistake," he said. "It's the German people we must fight."

Replying to an inquiry received by wire Sunday from Governor Neville's office, Clerk Allen of the exemption board, telegraphed in reply the number of drafted men yet remaining in Lincoln county subject to call. There are 254 white and four colored in class one, sixty-nine white and six colored in class three; there are thirteen who are physically defective whose defect can be remedied. Ninety-two have been inducted into service since the draft was made.

It seems to be the general opinion that the greater part of the troops at Camp Cody will be held there in anticipation of trouble with Mexico. A personal representative of Caranza states that there are 10,000 Germans in Mexico City and thousands more throughout that country. The Germans have used every means to get the Caranza government to attack the United States, and failing in this they are now flocking to Villa hoping to influence him to make raids upon this country.

At the Red Cross theatre this evening between the first and second shows the Mitchell-Hirge-Harrington-Munger quartette will sing, and short addresses will be made by Mrs. Roy Cotterell and Miss Annie Kramp, telling of what the woman's committee has done in the third Liberty loan drive. Mrs. Cotterell is district chairman and Miss Kramp county chairman, and a report of the work the women have done will prove both interesting and surprising.

Fireman Steve McWilliams, who was soon to be examined for an engineer, will be one of the boys who go to Ft. Logan Thursday night. One of the men originally called to go was exempted under the agricultural classification, and as Steve was next on the list, he was summoned. It was his intention to enlist in the engineering corps as soon as he passed the engineers' examination.

Victor F. Beck, who has been appointed drum major of the Home Guards with authority to organize a drum and bugle corps, announces that he has fifteen or more applications for membership. There is a shortage of drums, but these will be purchased within the next ten days.

DISTRICT NO. 2 EXCEEDS QUOTA BY \$433,000.

Chairman F. L. Monney, of the Second District of the Liberty Loan states that up to Saturday evening subscriptions in the district totaled \$1,963,000. The quota for the district is \$630,000, so it will be seen that the district has gone over the top in the sum of \$433,000.

The Second district is composed of Lincoln, Keith, Deuel, Garden, Arthur and McPherson counties. Of the total of \$1,963,000 Lincoln county subscribed \$513,000 or early one half.

In view of the most excellent work the local railroad committee performed in the third Liberty bond sale, the members of the committee will be entertained this evening at a seven o'clock dinner by Trainmaster W. C. Shelver and Mrs. Shelver at their home.

Miss Elsie Langford, who had been employed in a bank at Cheyene, came home on a visit Saturday and left Sunday evening for Washington, D. C., to accept a position in one of the federal departments.

NORTH PLATTE DISTRICT SUBSCRIPTIONS REACH \$321,200.

Chairman Temple reports that up to Saturday evening subscriptions to the third Liberty loan had reached \$321,200 in the North Platte district. This is more than double the quota for the district, to be exact it is double the quota and with \$13,200 to spare.

That's a fine showing, a showing that means a star in the honor flag. If all communities do as well as has North Platte and Lincoln county, Secretary McAdoo will have a big smile on his face at the close of the campaign next Saturday night.
