RED CROSS WORK ROOM IN FOURTH WARD.

Called together through efforts of Miss Emma H. Smith for the purpose of considering the proposition of opening a Red Cross work room in the school building in the Fourth ward, a large number of enthusiastic ladies of that ward met Tuesday afternoon. The ladies were addressed by Mrs. Dent and Mrs. Rincker who explained the work in detail. Mrs. Chas. Groves will have charge of the rooms and has named as her assistants Mrs. Dugan, Mrs. Hughes and Mrs. Tobias, with other assistants yet to be named. The work rooms commencing next week will be open on Monday, Wednesday and Friday afternoon of each week.

The Fourth ward ladies are very enthusiastic in Red Cross work and we are confident will make a splendid showing.

BOYS TO FORT LOGAN GIVEN ROUSING FAREWELL.

Thirteen Lincoln county boys who left for Ft. Logan on the special train at 12:15 last night were given a rousing reception at the Franklin auditorium last evening at eight o'clock over one thousand being present. Prior to the meeting the Home Guards marchers, headed by part of the newly organized cavalry division and by the band and drum corps, formed in line at the court house, proceeded north on Dewey to Front, west to Locust, south to Sixth and thence east to the auditorium. The streets were lined with spectators.

The soldier boys were seated on the stage and the exercises opened with selections by the band, followed by community singing under the leadership of Supt. Tont. Then followed a piano solo by Miss Emma Bogue, reading by Mrs. Tiley, a selection by a male quartette composed of Messrs. Leiminger, Covell, Bostwick and Ellsworth, readings by Miss Irma Huffman, euphonium solos by Arthur Tramp and a splendid patriotic address by J. T. Kiefe. The readings and musical numbers were loudly applauded by the enthusiastic audience, and each performer was recalled.

A rising vote of thanks was given Comrade John Bratt by Guards for his donation of \$100 to the Guards. Captain Shilling, in an address to the Guards enlisted the service of his men in the campaign for raising funds for the relief of the Armenians and following this T. C. Patterson, in behalf of the Sammy Girls, presented the departing boys with sweaters and comfort kits.

The "Old Man" of The Tribune, who in his earlier days thought he could sing, and made many attempts, wants to personally compliment the Leiminger male quartette on their work at the meeting last night. The voices harmonize, the expression is good and their selections appropriate. This quartette has given its service at a number of patriotic meetings held in different parts of the county.

All Ladies Suits and Coats on sale. E. T. TRAMP & SONS.

At the Red Cross theatre tonight a splendid five-act feature and a comedy will be presented, and the Leiminger male quartette will render several selections. The selections by this quartette will be well worth the price of admission. Admission ten and fifteen cents.

Harry Dixon, county chairman of the second drive for Red Cross funds which will begin May 20th, has organized the county by the appointment of committees in each precinct, and hopes to wind up the campaign if possible within a week. The quota for Lincoln county is seventeen thousand dollars, or about ninety cents per capita. This amount should be easily secured.

Now is your opportunity to secure a Suit at a real bargain. E. T. TRAMP & SONS.

Frank Strollberg, of Birdwood siding, returned yesterday from South Omaha where he went to attend a sale of thoroughbred Shorthorn cattle. There was one cow which Mr. Strollberg coveted and he kept on bidding until the bids reached fifteen hundred dollars, when he concluded that his "pile" was too low to go higher. The cow finally sold for \$2,500. Mr. Strollberg owns a half sister of this cow, and he is confident that had she been offered at this sale she would have brought \$1,500.

HOME GUARDS TO BOOST ARMENIAN RELIEF DRIVE.

One of the objects in organizing the Home Guards was to have a big body of men to back any war measure drive presented to the public. It was believed that 500 enthusiastic men, each willing to do his "bit" could accomplish results much more quickly and more thoroughly than could an equal number of men working as individuals.

A proposition to call the Guards into this class of service was announced by Captain Shilling last evening. Captain Shilling is chairman of the committee appointed to raise funds to aid the starving and perishing Armenians and Syrians. He announced his intention of dividing the city into districts of two blocks each, and appoint Guards to solicit in each district. In this manner the campaign can be completed in one or two evenings, without any loss of time to the solicitors.

Now let the Guards go to it. The good soldier obeys the command of his officer, and if we are 100 per cent loyal—and every Guard is supposed to be—we are good soldiers. The cause which Captain Shilling asks us as Guards to interest ourselves in is a most worthy one, the anguished call of a stricken, starving, dying people to whom our hearts and our dollars should go out without hesitation.

Let us be up and doing.

First Presbyterian Church.

The ladies of the church will present to the congregation a large flag at the 11 o'clock hour and J. H. Curry, D. D., will respond with a patriotic sermon, "Shall We be American or Foreign?"
