Charles Ray, well-loved screen star of "The Pinch Hitter," "The Clodhopper," "The Son of His Father," and "His Mother's Boy," will be seen appearing in his very newest Paramount picture, "The Hired Man," at the Crystal Thursday and Friday. "The Hired Man" is from an original story by Julien Josephson, and was directed by Victor Schertzinger under the personal supervision of Thomas H. Ince himself. A novel episode in "The Hired Man" is a county fair, in which Ray wins a hurdle race against overwhelming odds. There is also a delightful love story running through the production; in fact, it is for the beautiful daughter of his employer that Ray makes the big sacrifice which forms the basis of the story.

RED CROSS THEATRE PROGRAMS THIS WEEK.

The Red Cross theatre will offer its patrons particularly strong programs this week.

This Tuesday evening Margaret Fisher will be seen in "Ann's Finish," a very laughable boarding school play. In this play Ann saves a burglar from going to jail by claiming she is his wife, after the burglar had climbed into her room to steal her valuables. The complications which arise are very amusing.

Wednesday night Earle Williams with Corinne Griffith will be seen in "Love's Doctor," a very strong play that you will enjoy seeing.

Thursday night Francis X. Bushman with Beverly Bayne will be seen in "Their Compact." You will certainly enjoy Bushman in this his latest play.

Friday night the Mutt and Jeff animated comedy cartoons will be started. These are pronounced to be immense.

Dodge Brothers cars give honest value, we try to give true service to their owners. The demand is overwhelming and we would advise your order now, both for price protection and to obtain any reasonable delivery date.

District 39 Over Top.

School District No. 39, located southwest of town, has already gone over the top in the Second Red Cross drive. The committee appointed for this district was Frank Paeka, Barney Guinan and Wm. Ebricht and as soon as they learned the quota for the district they took time by the forelock and started the collecting in advance of the campaign. The quota for the district is \$130 and when these three hustlers completed their rounds last Sunday they had \$178 in cash and several pledges in addition.

This is a splendid showing and can be taken as evidence that the people of every school district in the county will subscribe their quota and probably go over the top in nearly every instance.

The people of Lincoln county are awake to the necessity of supporting the Red Cross. Practically every school district in the county has one or more boys in the service and the people of each district feel that it is their duty to stand behind the boys and Red Cross, for certainly the Red Cross is doing much for the boys under the colors.

"It's my Ford Touring Car and a HEATH-DUPLEX"

Here's how I do it

"I do all my hauling now this way. It takes me only a minute to change my touring car to this splendid truck. I haul seed corn, plows, milk cans, fruit, vegetables and everything that isn't very bulky. It surely does save me money. I couldn't afford to own a truck, you know."

"Then, when I want to take the car out for pleasure driving I simply fold this truck body up and slide the top down back on. My car is as good as new. Believe me, I wouldn't do without this on my car."
