MARRIED MEN REPORTED FOR FURTHER CLASSIFICATION.

Forty-three Lincoln county registrants who were married since May 18, 1917, and were placed in Class Four, will be reclassified by the district board at Omaha. This order for reclassification came to T. C. Patterson, chairman of the County Council of Defense, and was transmitted to the local registration board. The names of those who came within the scope of the order were selected, and together with the questionnaires they signed were sent to the district board at Omaha. This latter board will pass upon the names and the questionnaires evidence with the probable view of placing some or all in Class One. The finding in each individual case will be reported back to the local board by the district board.

The names sent in were as follows: Lawrence Zollars, Maywood Karl Bryan, Table D. M. Grasshopper Meeting.

There will be a meeting at the County Agent Office Saturday June 15th, at 3 p. m., to demonstrate the use of poison in the control of grasshoppers. The demonstration will be conducted by Prof. C. E. Mickel of the University of Nebraska. Mr. Mickel is a specialist in entomology, and has made a study of control methods for grasshoppers.

Grasshoppers are present in great numbers in certain sections of the county, and the attention of farmers is directed to them now while the hoppers are small, for now is the time when the most good can be accomplished.

The question before the farmer is whether or not he can by neglecting to fight the hoppers grow enough more by staying in the field so that he can realize a surplus over and above what the hopper eats as compared with what he might save, were he to stop now and fight them.

Mr. Mickel will be prepared not only to demonstrate the use of poison, but to explain the hopperdozer and other control measures which have been tried, and to answer inquiries.

French Make Gains.

Further gains have been made by the French troops in the fighting in the region between Montdidier and Noyon, where, in addition to the capture of territory near Belloy and St. Maur, the center of the line, 400 additional Germans have been made prisoners and some guns and machine guns have been taken. Numerous German counter attacks have been repulsed, but the enemy succeeded at one point in crossing the Matz river. On the eastern side of the Oise river, the French have carried out a strategic retirement along the line of Belloy-Tracy-le-Yal and Nampcel, unobserved by the enemy.

Further south, north of the Marne in the region of Chateau-Thierry, the French have recaptured the village of Montcourt and a portion of the village of Brusselars.

In violent fighting between the Aisne river and the forest of Villers Cotterets the enemy made slight gains against the French.

HOME GUARDS MINSTRELS DRAWS CROWDED HOUSE.

Though 125 extra seats had been placed in the Franklin auditorium, the capacity was insufficient to accommodate the audience that assembled last evening to hear the Home Guards Minstrels. In order to secure seats, many in the audience assembled early and waited in the sweltering heat of the room for over an hour for the performance to begin.

Whether the show came up to expectations, The Tribune does not know, but today a great many people have been kind enough to say that it was a "good show," that the singing with its splendid orchestra accompaniment was appreciated and that the specialties were interesting. Certain it is, however, that the performance was much handicapped by the lack of a stage curtain, this being particularly true of the second part act. In this second part Marian Huxell pleased the audience with her singing and dancing, Harry Johnson well displayed his ability as a dancer, Miss Esther Antonides as Madame Tetrogluckaruso well rendered a solo and Miss Berke, surrounded by a veteran of the civil war, a veteran of the Spanish-American war and a Boy Scout nicely posed as the Goddess of Liberty, while Jim Keefe as the Box Orator of the west created amusement. The performance will be repeated tonight with seventeen departing soldier boys and their parents as guests. The performance will begin at nine o'clock.

Free Seeds—Free.

Glad to announce that I have received a part of the shipment, of seeds that were lost in transit.

I have to give out to those who will plant, prize grown sweet garden pea seeds. Just now or up to June 20th, time to plant.

Only a limited amount so please call or phone me at once for your allotment. J. E. NELSON, of The Leader Merc. Company.

Notice to Auto Owners.

The state law in regard to lens on headlights must be observed or complaints will be filed against those who persist in disobeying the law.

Autoists are further notified that they must quite using their cut-outs on the streets, as the noise has become a nuisance and many complaints have been filed.

These orders must be observed. JOHN JONES, Chief of Police.

County Food Commissioner Goodman held a conference Wednesday afternoon at the McCabe hotel with all the keepers of hotels, restaurants and boarding houses in the city at which the topic considered was the conservation of sugar. By an unanimous vote those present agreed to take sugar containers from their tables or counter, that sugar be served only when actually necessary by the waiter and that the portion to each individual be limited to two cubes or the equivalent in soft sugar.

Theatre Closed Tonight.

Owing to the fact that the proceeds of the Minstrel show are to be given to the Sammy Girls, they have decided that the theatre will not be open tonight so that every one will have the chance to see the Minstrels. Don't forget that there are seventeen Lincoln county boys going tonight. By giving to and patronizing the Sammy Girls you are doing your bit by helping send the boys "off." The theatre will as usual be open tomorrow night with Jewel Carmen playing the lead in "Confession."

Drowned at Trego's Lake.

Oscar Valentine, of Arthur, Neb., was drowned in Trego's lake yesterday morning. The young fellow together with his sister a cousin and his sweetheart arrived at the lake at about eight in the morning. The cousin had gone after a boat and was having some difficulty in getting it over to where the party was on account of the wind, so young Valentine jumped in the water to swim to his assistance. He got but a short distance when he went down, and it is said never once came up. The party called for assistance and Foy Everly, of this place, and Ray Everly and Frank Lilly of North Platte, the only one on the lake at the time aside from the party, rushed down to render what help they could. Soon many of the farmers were on hand but it was found necessary to weight a seine and drag the lake before the body was recovered. Every possible was done toward resuscitation but the body had been in the water two hours so it was practically a hopeless task.

It was presumed that when the young fellow jumped in the cold water he was taken with the cramps, for it he said he otherwise was accustomed to being in the water. He was 22 years old and had been called in the draft for the 24th.—Hershey Times.

DURBIN AUTO COMPANY LEASES MASONIC BUILDING.

The Masonic building at the corner of Fifth and Dewey has been leased for a term of years by the A. N. Durbin Auto Co. and will be occupied by that company as soon as some necessary repairs are made.

One of the windows in the front will be removed and an entrance be made. The building is 88x90 feet, and while the Durbin Co. takes a lease on the entire ground floor, the north and south twenty-two feet will be subleased, the company occupying the middle forty-four feet.

The location is a splendid one for a garage and the Durbin Auto Co. is fortunate in securing such a suitable and centrally situated suit.

The Kindness of People.

To whatever degree the Minstrels show last night was a success, a large measure of the credit is due to Mr. and Mrs. Earl Stamp, who directed the rehearsals and willingly and enthusiastically devoted their time to that service. Credit is also due to the members of the orchestra for their assistance in the work, for without this splendid organization the vocal part of the show would have been lame. Those of us who assist in promoting entertainments are certainly gratified with the readiness with which the talent in town respond. It is a real pleasure to organize these entertainments when everyone who is asked to assist responds so heartily and willingly and never offers an excuse. The real community spirit in North Platte is daily becoming greater.

Judge Woodrugh, of Omaha, will hold a term of federal court in this city beginning June 24th. At this sitting of court four men will answer to the charge of sedition.

John E. Stenvall, who recently moved to Colville, Wash., writes that Mrs. Stenvall, who was in poor health while here, is doing fine in that country. He says there is a heavy frost there June 7th.

At Sammy Girls theatre a special 10 reel feature "Over The Top," by Arthur Guy Empey will be produced Friday and Saturday, June 21 and 22. Prices 25 and 50 cents. This is the story of an American boy who enlisted in the English army and tells of his experiences "over there."

It may be of interest at least to some of our people to know that the Home Guards Glee Club which produced the entertainment last night will remain intact and additions thereto will be made. With this organization existing music for different classes of entertainments will be at all times available. The members will meet regularly for practice in the future.
