100,000 MEN SHIPPED OVERSEAS LAST WEEK.

Nine hundred thousand men have been shipped across the sea, General March told newspaper correspondents at the weekly conference Saturday.

These include the troops shipped from all American ports of embarkation.

The United States is today five months ahead of its program for placing an army in France, General March said.

The figures on American troop movements are significant since General March at his first conference last week fixed the number at more than 800,000, the addition of 100,000 during the week showing the rate of progress that is being made.

Mayor's Proclamation. To the citizens of North Platte: Friday, June 23, 1918, is National War-Savings Societies Day by official proclamation of President Wilson and Governor Keith Neville, and War-Savings Director, Ward M. Burgess.

Committees will solicit each individual to join a War-Savings Society and will also organize societies in business houses, factories and social institutions. Meetings will be held in all school houses at 8 p. m. to organize one or more societies in each district. All loyal citizens will accordingly depote as much time as possible to assisting in the work of organizing War-Savings Societies. Volunteer for service.

HENRY WALTEMATH, Mayor.

Picnic Well Attended. The old settlers picnic held at the Coolidge grove north of town Friday was largely attended and those present had a very enjoyable day.

The ladies of the north side spread a table that was weighted with chicken, sandwiches, salads, pie, cake, pickles, coffee and ice cream. Following the lunch a program of songs and recitations was given by the boys and girls of the neighborhood and a splendid patriotic address by M. E. Crosby. This was followed by a drill by the Home Guards cavalry troop in which about forty participated. D. W. Macomber presided as chairman of the afternoon and was assisted by a committee of men and women who left nothing undone that would add to the comfort and pleasure of the attendants. The Coolidge ranch is one of the neatest and most attractive on the north side and is an ideal place for holding a picnic.

This was the sixth annual gathering of the old settlers, some of whom have spent over forty years in that section.

Proclamation by Council of Defense. The Nebraska State Council of Defense today made public the following proclamation:

The Nebraska State Council of Defense hereby invites the co-operation of all the people of Nebraska in the effort to make English (the language of the country) the sole medium of instruction in schools, private and public, the language to be generally used in speeches and conversation in public places. To this end nothing but the language of the country should be used on railroad trains, street cars, on the telephone and other methods of public communication. All sermons and public speeches should be exclusively in the English language but where there are old people who cannot understand the English language and it is deemed necessary to give religious instruction in foreign tongue, all publicity should be avoided in such instruction.

For the general welfare of the country and the harmonious conditions of the state the slogan in every Nebraska community should be "If you are an American citizen speak the language of the country." In the fulfillment of this plan great patience and care should be exercised and resort to harsh measures should be discouraged by every good citizen. The educational process will go a long way toward convincing men generally that to ask that all public communications be limited to the language of the country is a perfectly reasonable request, at least during the period of this war, and a request which, if generally adhered to, will accomplish good results for everyone concerned.

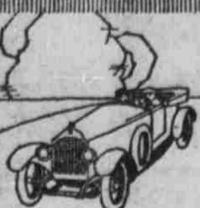

Soldiers Get "Cut Prices." Prices quoted for June on merchandise in the huge general stores operated by the Quartermaster Corps in France show that members of the Expeditionary Forces may secure goods at prices lower than retail prices in effect in this country.

June quotations are: Half-pound package chocolate, 11cents; can of cherries 24 cents; can of cocoa, 14 cents; pocket comb, 6 cents; can of corn, 10 cents; shaving brushes, 12 cents; can stringless beans, 10 cents; bottle ginger ale, 9 cents; can plum pudding, 32 cents; standard \$5 safety razors, \$1.75; pair shoe laces, 3 cents; can talcum powder, 5 cents; cutback sugar, 10 cents; spool cotton thread, 4 cents; 2-ounce package of smoking tobacco, 7 cents; hand soap, 1 cent; can lobsters, 25 cents; shaving soap, 4 cents; bottle Worcestershire sauce, 30 cents; linen handkerchiefs, 16 cents; pint bottle olives, 23 cents; can green peas, 10 cents; shoe polish 9 cents.

Although the men are issued ample rations the quartermaster stores are opened to the enlisted men for the purpose of permitting them to add to their menu or to satisfy individual desires for dainties or delicacies. The highest grade of merchandise only is carried in stock so that the men may be sure of having the best, whether in rations or extra supplies.

WAR-SAVINGS MEETING COURT HOUSE LAWN TONIGHT.

Approximately 3,000 letters were sent out by the County Director of War-Savings Societies relaying the wishes of the national government to the people of the county in the matter of organizing War-Savings Societies, whose membership is a pledge to "avoid competing with the government in the use of material, labor and transportation, by the practice of personal thrift and economy."

Every school, church, Sunday school, club business and profession is asked to form a nucleus of a War-Savings Society on or before the 28th of June. M. E. Crosby, North Platte city chairman, has charge of the city, while Bert Barber as county director is responsible for the organization of the rest of the county.

Each solicitor will carry a list of the important social and professional groups in which societies should be formed, and each individual upon signing the pledge may, if not already a member of a War-Savings Society, indicate to the solicitor which group he or she prefers to cast their lot as a member.

The work outside North Platte will be handled thru school districts, and each school director is asked to form at least one society in each school district. To get the idea of this movement clearly before the people some forty odd meetings have been scheduled in the rural communities on the 28th and Mr. James Keefe, chairman of the Four-Minute-Men, has arranged to provide each community with a speaker.

Mr. Finlayson, general secretary of Nebraska W. S. S., is in the city today to confer with these speakers who have volunteered their services that they may the more clearly carry the correct idea of what is expected out to the people thru these meetings. Mr. Finlayson will address the general public at the Court House lawn at 8 o'clock if the weather is favorable otherwise the meeting will be held at the Franklin auditorium.

Mr. Finlayson is an able talker and general secretary of War-Savings work in intimate touch with Ward M. Burgess, state director, is not only thoroughly familiar with the wonderful organization work which has helped Nebraska patriots to go over the top, but has the active management of much of the campaign. The meeting will be preceded by a concert by the band.

The resignations of three professors of the University of Nebraska were demanded, by the university regents Wednesday, as a result of the hearing held during the past few weeks, when the names of eleven professors were mentioned as being un-American. Those who are to be let go are G. W. A. Luckey, C. B. Persinger and Erwin Hopt. Professor F. M. Fling and assistant Professor Minnie T. England were also asked to resign for "spreading unauthoritative stories" regarding several professors under suspicion.

P. E. O. Elect Officers.

The annual state convention of the P. E. O. Sisterhood closed Thursday afternoon, the delegates from the east part of the state leaving for home that evening. The final work of the convention was the election of officers which resulted as follows: President—Mrs. Minnie M. Stuff, of Lincoln. First vice-president—Mrs. Nora C. Killian, of Kearney. Second vice-president—Mrs. Hattie Rincker, of North Platte. Recording secretary—Mrs. Ona Baird, of Plattsmouth. Corresponding secretary—Mrs. Clara E. Waterhouse, of Fremont. Treasurer—Mrs. Elizabeth Robertson, of Beatrice. Organizer—Mrs. Eleanor O. Kemp, of Fullerton.

Notes About the War.

There are about 5,000 Germans interned in the United States. In one Army camp there are 55 battalion baseball teams, besides the headquarters, staff, brigade and division teams.

More than 700,000 tons of cereal foodstuff were shipped to the allies from North America during May, according to the Food Administration. April shipments were more than 800,000 tons. Two out of every 1,000 men in the army have their shoes made to order. In several camps entire regiments have had their feet measured, and hundreds of drawings were made of odd shapes and sizes. At the present time the army uses between 2,000,000 and 3,000,000 pairs of shoes a month.

Applicants for commissions as first lieutenants in the Engineer Corps, according to a statement by the war department, should be between 32 and 36 years of age and for commissions as captain between 36 and 42. The Engineer Corps is conducting a campaign for 2,000 more commissioned officers, the examining board making a tour of the principal cities of the country to make examination readily available for applicants.

As a result of the studies at the front methods have been developed whereby more than 80 per cent of the wounded, who originally remained at the military hospitals for months, are now cured and returned to the forces in three or four weeks. In order that the army surgeons stationed at camps cantonments, and other military hospitals in this country may thoroughly understand the latest treatment of war wounds, the Army Medical Department has had established special classes of instruction to which are selected officers who, upon completion of their courses, return to their own hospitals and instruct other surgeons in these methods.

The total cost for National Army cantonments was \$140,726,473, according to a statement by the war department. The National Guard camps cost \$38,375,272. Emergency work to provide for soldiers in this country and to provide buildings for the manufacture and storage of material both here and abroad undertaken by the construction division of the army, which has been executed or is under way and in prospect up to June 1, will cost about \$1,170,819,000. This total is exclusive of three operations costing \$106,000,000, under the direct control of the ordnance department. Up to June 1 the construction division had completed 53 jobs, at a total cost of \$202,250,000. It has 244 operations under way, which when finished will cost about \$270,369,000. Preparations are being made to start work on 117 new operations which are expected to cost \$700,000,000.

Birthday Party.

One of the most delightful functions of the week was the birthday party and musical given last Friday by Mrs. C. J. Perkins living on west Tenth street. It was June's twelfth birthday and forty of her friends helped her celebrate. The program was given by some of the young people and proved a treat to all assembled. The opening pieces, America and the Star Spangled Banner were sung by all. Violet Steele beautifully rendered several vocal solos, assisted by Mrs. Hattie Thompson at the piano; Marion Richards gave her four minute speech; Gladys Cornwell gave "The Slacker"; Violet Davis also gave several piano solos. June Perkins gave her War Savings Stamp speech. Refreshments were served at eleven p. m. The birthday cake was decorated with twelve small flags, napkins were red, white and blue. At the close the young people chose their partners and danced the Virginia reel. June received many remembrances and all wished her many happy birthdays.

If you go to Yellowstone National park this season, you will not be able to put up at a hotel. Railroads have received notice that the hotels will not be opened. There will be accommodations, however, as the camps will take care of the public, furnishing meals and sleeping quarters.

If you cannot eat heartily without an attack of indigestion, your stomach is weak. You need Prickly Ash Bitters. It is a fine digestive tonic. Besides, it rids the stomach and bowels of the impurities which make you feel bad. Price \$1.25 per bottle. Gummere-Deat Drug Co. Special Agents.
