THIRTY-FOURTH YEAR.

NORTH PLATTE, NEB., JUNE 28, 1918.

No. 48

OVER 300 MEN TO RESPOND BY JANUARY 1st.

Under the call made for July, August, September, October, November and December, about 325 Lincoln county men will go to the various training camps between now and December 31st, at least if the quotas heretofore assigned to Lincoln county are continued on the same basis, this number will be required. Just where all these men are to come from is not at this time altogether plain to the local board.

Drugs—Drugs.

For all ails and ills where medicine applies, superior to any or all, not excepting "Tanlac" or "Nuxated Iron." Homeopathic medicine at Twinem's Drug Dep't.

Examining Physicians to Meet.

Examining physicians who pass upon the physical condition of selective draft men in many of the counties in the Sixth congressional district will meet in North Platte this evening for the purpose of hearing an address by Dr. Jonas, of Omaha, who is the head of the physicians so employed. The object of this meeting is to establish, as far as possible, set rules in the examination of men who are subject to call to the colors. It is expected that fifty or more physicians will be in attendance.

One of the features of the Fourth of July will be the parade in the forenoon by the Lincoln County Home Guards. In addition to the North Platte company and the cavalry troops of the north and south sides, the Hershey company and the Brady company each 100 strong, have announced their intention of coming and it is expected that the Sutherland company will also be here. This will make a parade with over six hundred men in line. In addition it is aimed to have the high school cadets, the boy scouts and the school children participate in the parade.

Barney Guinan and P. W. Oleson, two south side farmers, said last evening the wheat fields south of the river will average fifteen bushels to the acre. Some few fields will reach twenty-five, others ten or less. Oats they said, is practically a complete failure. Wheat harvest will begin the latter part of next week.

The Woman's Home and Foreign Missionary society and the Young People's Missionary society of the Lutheran church will meet at the parsonage this afternoon, (Friday), at three o'clock. A good attendance is desired.

We fit them all. Men, women and children, in underwear at before the war prices. Heavy cash purchases of eighteen months ago enable us to do this at THE LEADER MERC. CO.

Anyone wishing pasture for horses or cattle can obtain such by calling up 3014 Maxwell, Neb. This pasture is located in south hills.

Harshfield Case Today.

A jury in case of John Harshfield, wealthy cattleman living twenty miles north of Sutherland, was secured last evening in the federal court, and the case is being heard today. Harshfield is being tried on the charge of sedition, two indictments being returned against him by the federal grand jury in Omaha. He was tried the early part of the week on one indictment, but the case was taken from the jury by Judge Woodrough. There are three counts in the second indictment. Upon the conclusion of the Harshfield case, court will adjourn until next fall when civil cases now docketed will come up for hearing.

M. E. Church.

Children's day will be observed Sunday morning at 10:30. Those having children to baptize will please notify the pastor. The following are some of the numbers on the program: Processional by all the children, led by the flag and Columbia. There will be three Violin solos. Three Piano solos. Patriotic recitations intermingled with class songs. The closing number will be a class song entitled "The Beautiful Flag." A cordial invitation is extended to all. Junior League 3 p. m. At 7 p. m. the Juniors will have charge of the Epworth League program. At 8 p. m. the theme will be "Lost at Home."

Eight Billion Asked For War.

Additional authorizations of \$8,000,000,000 in bond issues were asked by treasury officials appearing before the house ways and means committee in secret session yesterday afternoon. The new authorization would bring the total of authorizations since the first Liberty Loan up to \$20,000,000. Two billion dollars of the last authorization still remains unissued.

Wash skirts and dresses in endless variety at THE LEADER MERC. CO. The greatest line in the city of little boys' rompers and wash suits at THE LEADER MERC. CO.

Swiss dispatches received at Paris yesterday stated that owing to the seriousness of the situation in Austria-Hungary martial law is expected momentarily to be proclaimed throughout the empire. This is expected to seriously impair the morale of the troops of the dual empire.

Nat'l Loibl, an old time resident of Cozad, was found guilty by the jury on two counts for sedition in the federal court yesterday. The case was started Wednesday at noon and finished at noon yesterday. Loibl was sentenced to three months confinement in the jail at Grand Island.

Mr. and Mrs. Andy Scharmann returned last night from Minnesota, where they had been called by a case in court.

Homer and Edward Thompson went to Chappell last evening to visit their brother Charles.

SEVENTY WOMEN ENLIST IN LOCAL CANTEN WORK.

Mrs. Chas. Bogue, to whom was delegated the work of organizing a Red Cross canteen service, has completed the task and as soon as authority is obtained from Red Cross headquarters at Chicago the canteen will be opened. This authorization from headquarters comes only after the service has been organized and the scope of the work outlined, this outline being necessary in order that the Chicago officials may determine whether the organization is sufficiently strong and financially able to carry out the work which a canteen may be called upon to do.

This canteen will extend its service to troops passing through, but will not apply to the individual soldiers who pass through on every train. In other words the canteen will be open only at such times as troop trains pass through, or when one or more cars of soldiers are attached to a regular train. Should the office in charge telegraph ahead that a meal was desired for so many soldiers, it is the duty of the canteen to furnish such meal, and in this case the expense of serving the meal would be charged to the government. If, however, no such orders are sent then the soldiers will be furnished with coffee, sandwiches, tobacco and magazines free of charge.

Seventy women have enlisted in this local canteen service. These have been divided into squads under command of a captain, and quite naturally each captain thinks she has the best workers in her squad.

The old office building at the depot has been donated by the Union Pacific as a canteen and is now being put in shape for that purpose. Mrs. Bogue and her committee appreciate the kindness and co-operation of General Manager Jeffers, who says he will do everything in his power to help them and make the service a success.

To begin this work the Red Cross chapter donated \$500, but as this sum is only a small part of the funds that are likely to be needed, arrangements are being made to finance the service. One of the plans adopted is the sale of a Ford Sedan which has been contributed by the Hendy-Ogier, Co., and which sale will be handled through the Sammy Girls and the entire proceeds given to the Canteen service.

Mason-Roberts Wedding.

A pretty wedding took place at the home of Mr. and Mrs. J. E. Mason Wednesday, at twelve o'clock, when their daughter Miss Hazel Goldie was united in marriage to Oda M. Roberts by the Rev. M. S. Satchel of Brady. The bride was attired in a dainty gown of crepe de chine and carried a bouquet of ferns and June roses. The house decorations were also ferns and June roses. After the ceremony a splendid dinner was served to the forty-five guests most of whom were relatives. The bride has been one of Lincoln county's most successful school teachers, having taught for a number of years in the rural schools. The groom is a successful farmer residing south of town, a man of splendid character and highly respected by all who know him. Both the bride and groom have a large circle of friends, many of these being North Platte people, who wish them much happiness in the years to come. They will be at home to their friends at the Platte View Farm after July first.

Mrs. Daily and Mrs. Meyers are visiting friends in town today while enroute to their home in Ogden. When you want that new pair of silk hose don't forget to give us a look. E. T. TRAMP & SONS.

CITY AND COUNTY NEWS.

Geo. W. Vroman went to Omaha this morning to visit for a few days. We can fit the stout ladies in the white wash skirts, special models for stout. E. T. TRAMP & SONS.

Miss Ruth Carroll, who is employed at Fremont and was home on a visit, returned to that city this morning.

Official Surgery with Homeopathic Medicine in Acute or Chronic Diseases. John S. Twinn, M. D.

Mrs. C. Fredrickson and children, who had been visiting relatives in Virginia, returned home Wednesday night.

Mrs. Adda Turpie returned Wednesday night from South Dakota where she spent two weeks conducting a county teachers' institute.

Ernest Stenger at one time stationed at North Platte as assistant superintendent, is now in France with an engineering corps. His commission in the service is that of lieutenant-colonel.

A big new supply of collar and cuff sets and the best things for the mid-season wear. E. T. TRAMP & SONS.

There are few people who will not be interested in the film that will be shown at the Sammy Girls theatre tonight, tomorrow afternoon and tomorrow night, namely Gerard's "My Four Years in Germany." The picture will give an insight of many events leading up to the war.

Arv Peterson, now with an engineering corps somewhere in France, writes that railroad operations over there is rather wearing and strenuous work. Unfortunately they are called upon to handle locomotives and cars that are of antiquated make, but they hope soon to have engines and cars made in the good U. S. A.

Did you ever buy mining stock? If you did, you can appreciate Mary Fortune's suspense when she invested her money with "Rimrock Jones." First they tried to steal his mine and then they tried to steal his stenographer—do you think they got away with it? Rimrock Jones at the Keith Saturday night, thinks different.

A lot of new waists just received at THE LEADER MERC. CO. Georgetown crepe, Crepe de Chine and a lot of Organdies.

The Lincoln Highway between North Platte and Brady is in very good condition, at least we considered it so when driving over it Tuesday evening. Commissioner Springer, in whose district the road is located, says, however, that he is planning considerable more work on it, for he realizes that there are a number of stretches that will not stand up in wet weather.

The 142 young men who registered on June 5th have been notified to appear next week to fill out their questionnaires. The 142 were divided into four lots, the first lot to appear July 2d, the second July 2d, the third July 5th, and the fourth July 6th. The questionnaires will be filled out under the direction of the advisory board consisting of the county judge and two attorneys.

In our millinery department we are closing out all the high grade trimmed hats at \$3.45. Hats that previously sold up to \$9.00. Better grades \$10.00 and upwards are now on sale at \$4.85. This is certainly an opportunity to save. Visit the millinery department of THE LEADER MERC. CO.

Mr. and Mrs. W. H. McDonald and daughter Janet returned from Poughkeepsie, N. Y., the early part of the week, where the parents had gone to be present at the daughter's graduation at Vassar College. Mr. and Mrs. McDonald were present at the commencement exercises and heard the baccalaureate hymn, the music of which was Miss McDonald's composition. Enroute home they visited in New York City, Philadelphia, Wilmington, Del., and Elmira, N. Y.

Smash every spoke out of a front wheel while hitting a forty mile clip and yet keep the car from going over. That was the performance of Arthur Hoagland Wednesday evening with his Buick roadster on the road south of the river. He struck soft sand, the car skidded, went into the ditch, tire flew into an adjoining field, spokes broken off, hub of wheel plowed along top of ditch thus keeping car from going over. Hoagland not "skereed" but a few more gray hairs.

W. E. Flynn, Jr., son of Mr. and Mrs. W. E. Flynn of this city, passed through on No. 6 enroute from Camp Fremont, Cal., to an eastern camp and thence to France. He claims the distinction of being the first Lincoln county boy to enlist, having done so two days after war was declared. After enlistment he was sent to Ft. Logan, thence to Camp Fremont in the hospital department and has since been commissioned as an officer.

U. S. Troops in Italy.

Washington, June 27—General Pershing, under instructions from Washington, has selected a regiment of infantry to be sent to Italy, Secretary Baker announced today. The secretary would not disclose the identity of the troops.

The regiment is in training in France and will be replaced there by one sent from this side, Baker indicated that the sending of this regiment was not to be taken as representing the full extent of American military participation on the Italian front which may be carried out later.

This first regiment will carry the American flag immediately to join those of Italy, France and Great Britain against the Austrians for its moral effect. The United States already is represented in Italy by an aviation contingent.

Address—Rev. S. H. Yarian, Ph. D., D. D., President of the Synod of Nebraska. Hymn—"My Church, My Church, My Church." Benediction. Rev. C. Franklin Koch, Pastor.

There will be a special meeting of the Sammy Girls Monday evening at the home of Mrs. McGraw at which plans for the work on the 4th of July will be discussed. Every girl is asked to bring a spoon Monday evening as refreshments will be served.

BOYS' FIELD MEET

Bronze and Silver Medals to be Given as Prizes

Boys Field Meet which proved a big event in last year's chautauqua, is to be held again this year. To the boys winning bronze medals last year, and winning all four events this year, will be given a beautiful silver medal. Boys winning for the first time, the four events, will be given a bronze medal. Boys of all ages are eligible. Get out and train for the events at once.

The following are the four events: Running High Jump, Standing High Jump, Chinning, 100-Yard Dash. All boys who want to win a badge must come and enter the try-outs in chinning, jumping and running. The crewman, who is a real athlete, will meet with you every morning, umpire your ball games, go hiking with you and train you for the field meet. Big field meet last day. Get out and make a record for our town, boys, for we are all proud of you!

∴ SERVICE ∴

I am prepared to give good service on Dodge Brothers and Chandler Motor Cars. Repair parts in stock at North Platte. No expensive delays for service. This is the day when we all need real service, and that is one thing you buy of us, when you buy one of our good cars. Better think more of this after service than of your choice of colors in cars, because it means much to you.
