First Capsule, 246, Drawn by Secretary Baker, and the Rest Proceeds in Order—How New Registrants Will Be Placed.

Washington.—The drawing of numbers to determine the order in which youths of the classes of 1918 will be called into military service was conducted here June 27 with much the same ceremony as marked the great drawing of a year ago.

The figures show you at a glance in what order your number is drawn. The registration numbers—"your number" comes first. The figure accompanying it tells the order in which it was drawn and therefore the order in which you will be called for service.
