VOTE FOR GEO. W. NORRIS FOR U. S. SENATOR. Washington, D. C., Aug. 5, 1918,—I have been an admirer of George Norris ever since he began his distinguished career in the house. He wa one of the pioneers of the progressive movement at the capital. I have been closely associated with him and his friends since he entered the senate. He is a clean courageous and patriotic public servant.

There is no man who more faithfully and persistently urges legislation in behalf of the general public and the people that George Norris. He is able in debate, and exceedingly efficient and industrious in committee.

I believe in him absolutely as a man

and as a public srewant, and hope he will long continue to be in the place which he now occupies.
