

How Much Would You Give To Win the War.

That's the question being put to you today. How much are you willing to give to have the war finished up in a hurry—Germany beaten—the world made a decent place to live in—our boys back home—a victorious and just peace throughout the world? The Fourth Liberty Loan is the biggest single factor in accomplishing all this.

It brings right square up to every man and woman "How much would you give to help win the war?" You know you would give more than the amount of liberty bonds you have already subscribed for.

LOCAL AND PERSONAL

Mrs. Hugh Bird was the guest of friends in Sutherland Sunday.

Fresh Oil of Eucalyptus prevents the spread of Spanish Flu. Get it fresh at the REXALL DRUG STORE.

Mrs. Wm. Pearsall and Miss Violet Steele were guests of friends in Julesburg Sunday.

Will Simants and J. C. Askwig were business visitors in Grand Island yesterday.

Mrs. John Ottenstein left Sunday for a visit with her daughter Mrs. Peck at Erie, Penn.

Mr. and Mrs. R. L. Graves, who had been visiting in town for ten days, left for Omaha yesterday.

Miss Katherine Feathers, of Ogallala, arrived Sunday for a visit with her sister Mrs. E. G. Weston.

Jerry Bowen, of Arthur, was in town yesterday enroute home from a trip in Michigan and Illinois.

For Farm Loans see Gene Crook, Room west of Vienna Cafe.

The Royal Neighbors will meet in regular session Wednesday afternoon at three o'clock at the K. P. hall.

The meeting of the Catholic Girls club announced for this week at the home of Mrs. George Vosheipka, has been indefinitely postponed.

CAMPAIGN MUST GO ON SAYS TREASURY OFFICIALS.

F. L. Mooney, district chairman of the Fourth Liberty Loan, received the following telegram yesterday afternoon from Kansas City:

"Don't let public optimism from present glorious news slow down your campaign. Tenth district needs fifty million dollars every day this week. May we depend upon you doing your full part?"

Wm. A. WROE, Ex. Sec'y 10th Dist.

The fact that the beginning of the end of the war has arrived does not mean that the government does not need every cent of the six million dollars for which a campaign is being waged this week. The facts are that four and one-half of these six millions have already been spent for munitions, ship building, pay of soldiers and other war expenses, and even if hostilities closed tomorrow the government would need not only the six millions, but a billion or two more to square up the war expenses.

There will be at least one more Liberty loan after the present one and no Lincoln county man or woman who made up his or her mind to subscribe for a certain sum of bonds should decrease the amount originally planned to invest.

The boys overseas are doing wonderful work, they are driving the Hunns back as they were never driven before and we at home should enter this Fourth Liberty Loan campaign with as much vim and enthusiasm as the boys are displaying over in France.

Before Saturday evening the people of Lincoln county must subscribe for \$600,000 worth of bonds of the boys overseas will have a right to call us slackers. And not only will they regard us as slackers, but when they come home they will brand us deep with the word "slacker" and that brand will never wear off. People of Lincoln county you have a duty to perform this week. Will you do it?

Belgian Relief Shipment

Thirteen big boxes of Belgian relief goods, weighing 3540 pounds were shipped out Saturday. This is more than double the quota allotted to the committee. Mrs. Durbin, who was one of those having charge of the work, informs us that the quality of the garments contributed was unusually good. The committee feels very grateful to citizens for the liberal manner in which they contributed.

Mr. and Mrs. Chas. Dixon returned yesterday morning from a ten-day visit in Omaha and Des Moines.

In a fight Saturday afternoon with a fellow workman, Frank Sullivan, the plumber, was badly cut on the head with a piece of pipe wielded by the other fellow. The encounter took place while the men were at work in the annex of the Hotel McCabe.

In the county court yesterday was heard the case of James D. Cole against Mrs. F. M. Marshall and Mrs. A. K. Towne, both of Maywood where in the plaintiff sought to recover \$200 damages arising from an auto collision on north Locust street a couple of weeks ago.

NEWS ABOUT THE BOYS WHO ARE IN SERVICE.

Archie Discoe, a Lincoln county registrant who was sent to the auto training school at Kansas City, has been seriously ill with Spanish influenza.

Paul Schwatzer, who enlisted as a gas engine mechanic in the aero service and is now in France, has been transferred to a cold storage plant located near Paris.

Wm. Thompson, of Sutherland, received word that his son, Wm. B. Thompson, is quite sick with Spanish influenza at the base hospital at Camp Humphrey, Virginia.

Frank Coates and family had a letter from their son Fay who is in France. He is well and in good spirits. He had been on out-post duty and was stationed 50 feet from the German trenches.

John M. Thompson, of Sutherland, was transferred to Camp Sherman, Ohio, where he will help train a machine gun company of the 380th Infantry. He reports the whole camp in quarantine for Spanish influenza.

Paul Tobin, of Denver, a former North Platte boy, died at Camp Grant, Ill., Thursday of Spanish influenza. He had been at that camp but three weeks. Paul was a nephew of Mrs. John Herrod of this city.

H. L. Ainley, mayor of Brady, cashier of the Bank of Brady and captain of the Brady Home Guards, left Thursday night for an artillery officers' training camp near Louisville, Ky.

Edwin Kellher, son of John D. Kellher, of Maxwell, was one of the crew of the U. S. S. Tampa, which was torpedoed off the coast of England September 26th. His father was notified that Edwin was among the missing.

Ernest Rincker has been appointed a petty officer and delegated to go to Princeton college to be in training for assistant paymaster on a naval vessel. This probably means a permanent position in the navy should he decide to continue in service after the war has closed.

Word received Saturday from the war department announced that Frank Macomber, who lives north of the river and who left here as a member of Company E, had been seriously wounded in France. Frank was sent overseas last May.

Mrs. Jeff Evans received a letter from her son Fred, written on the transport while on the way "across" stating that he had been very ill with appendicitis for five days on the trip, and that his destination was the hospital as soon as he landed.—Hershey Times.

Louis Godeker received a letter from his son John who left for Camp Dodge in June and crossed the sea in August. It is believed he and a number of other Sutherland boys were on the transport which was torpedoed as they all speak of trouble going over in which their ship was damaged. He is now in England and says it is the most beautiful country he has ever seen and that the people are very kind to the American soldiers.

NORTH PLATTE MAN HELD AT KEARNEY AS EVADER.

The Kearney Hub of Friday contained this item:

The police are holding J. W. F. VanNatta, of North Platte, who was unable to produce a registration card when called upon by the police to do so, Van Natta who was traveling east with his family, camping along the road, stated at first that he was forty-one years old and when ordered to produce a registration card was unable to do so. He explained that he had registered at North Platte and had failed to receive a card. The police, by phone, learned that VanNatta had not registered in North Platte and when he was approached again on the subject he contended that he was forty-six years old and not subject to military service. This statement was also false, as proven by records in hands of the chief of police, at least it does not corroborate with the age given by VanNatta when he was married. He is being held for federal authorities.

My commission expires May 24, 1923.

Sixty Stacks of Hay Burn.

Last Sunday trains set fire to hay stacks along the right-of-way to the number of about sixty between North Platte and Sutherland. In this district Geo. Brownfield was a heavy loser, his individual loss amounting to sixteen stacks. At the present price of hay and the urgent need of conservation for feeding purposes this one day's loss will be keenly felt in this community. The sending forth of a petition to McAdoo setting forth the criminal negligence on the part of some train crews is being freely discussed on the streets.—Hershey Times.

Estray Mare.

Estrayed from my place eight miles north of Ingham about the middle of August a bay mare two years old, with bald face and white hind feet. Reward will be paid for return of animal or for information leading to its recovery.

Great Oven Improvement

Saves Time—Saves Food—Saves Fuel

Note that heat travels completely around our high oven on 4 sides, while with common type ranges heat travels on 3 sides only. Anyone can quickly see that this big improvement in oven construction gives a much quicker and more even baking oven and that it would prove a source of big fuel economy. There is no need to turn baking—biscuits steaming on the table in half the time of the ordinary range—Pastry—Roasts—Baking—all browned perfectly with a big saving in time, food and fuel with—

Cole's High Oven Range

(Patented)

Large Baking Oven 18 in. Wide 12 in. High

Oven flues connect firebox with oven—flues triple walled.

Polished top—note the fuel saving Hot Elast Draft.

Heavy boiler iron body. Heavy inside castings.

Large handy ash pan.

Heat Rises
This simple fact has been taken advantage of in Cole's High Oven Range.

It Saves
the "waste or chimney heat" of the ordinary range.

THE FIGHTING DAD.

By Rufus T. Strohm.

I need to think, when I thought at all,
Success was a wad of money,
Or a front row in a senate hall.
Or a king's crown—ain't it funny?
But my eyes are opened now, an' easy,
It's the gospel truth I'm writtin',
The one safe brand of success today
It to win the war we're fightin'.

We can save our gold, we can lay it by
Like the hoardin' of the miser,
But we'll never spend it, you and I
If we fail to trim the kaiser.
My blood runs hot, an' I feel it burn,
An' my temper gets to squirmin'
To think of handin' the dough I earn
To a fat faced, square toud German.

An' so I'm strivin' as best I can
To avoid such circumstances,
By doin' my work like an honest man
An' takin' no foolish chances;
For I've got a youngster over there
Who counts on me as his backer,
An' since he's willin' to do his share,
I'm dammed if I'll be a slacker.

I don't give a cuss for a holiday
Or the old time union hours;
I've sold my watch, an' I work away
To the limit of my powers.
I'm the fightin' dad of a fightin' son,
An' here on the job I'm stickin'
Till the things we're battlin' for are won
An' we've handed Bill his Hekin'.

Sutherland News.

(From the Courier.)

Art Yates, the genial proprietor of the Inter-Ocean Garage bought the Keith section last week for which he paid \$32,000.00. He intends to make this an ideal stock ranch and he always accomplishes what he starts out to do. Not satisfied with a section he also buys a quarter section of Hartman.

Last Saturday when going to North Platte the auto driven by their brother turned over when near Hershey and Mabel and Lettie Woodmen both received fractured collarbones. They were brought back to Sutherland where Dr. Gordon reduced the fractures. They are getting along as well as could be expected under the circumstances.

Postmaster Cox, who for several years has had charge of the Sutherland Post-Office, has handed in his resignation to take effect November 1st. Frank has made a good official and one that we will all be sorry to have quit his job. Miss Freda Meyers will be acting postmistress until a new one is appointed. Mrs. J. B. Crabill will be her assistant.
