FIGHTING DAYS END TO MANY IN FRANCE.

Washington, Nov. 29.—Four divisions in their entirety and major units of eight other divisions of the American army in France have been designated by General Pershing for an early return home.

New figures on the American army casualties, announced by the chief of staff, showed a total of 262,692 exclusive of prisoners. The total, which exceeds that made public a week ago by 25,000 covers all losses to November 28.

The special units to embark soon consist largely of coast artillery brigades and separate regiments, many battalions and batteries of anti-aircraft artillery, engineers, trench mortar batteries and a number of other organizations including aero squadrons.

Orders have been issued the chief of staff also said, for the demobilization of 649,000 men in the camps and cantonments in the United States.

By the end of December, General March indicated, 150,000 to 175,000 members of the expeditionary forces will have returned to this country.

PERSHING AND HIS MEN ARE NOW IN PRUSSIA.

American troops crossed the frontier into Prussia at daylight Sunday behind the German rear guards. Troves is the most important city thus far occupied.

General Pershing is in the immediate vicinity to observe the operations. The advance headquarters will be established at Troves, where Gen. Preston Brown will be military governor.

The advance averaged 12 miles. Troves is situated on the right bank of the Moselle river 67 miles southwest of Coblenz.
