Let 'his' gift to YOU be a HOOVER!

The days are not long enough, it seems, for you to attend to your multiplied duties. You must adopt more short-cuts.

Most tiresome, time-consuming and disagreeable is the weekly cleaning day. Let it be largely replaced by a few moments daily use of a HOOVER.

Then dirt will never accumulate in your rugs and carpets. Housecleaning will be much simplified.

Though THE HOOVER glides so lightly that a three-year-old can use it, it beats out imbedded grit, sweeps up stubbornest-clinging litter of all kinds and dustlessly withdraws the dirt thus dislodged.

Only THE HOOVER beats, sweeps, suction cleans. Only The Hoover cleans THOROUGHLY. When he gives you a HOOVER he gives you the BEST.
