

ALL CASES OF INFLUENZA MUST BE QUARANTINED.

Acting under orders from the State Board of Health, and effective at once all flu cases will be strictly quarantined.

The Board of Health asks that physicians and all citizens co-operate in this order.

BOARD OF HEALTH.

J. H. Stone, Pres. Board, Henry Waltham, Mayor, Dr. J. B. Redfield City Physician

Two boys, one aged seventeen, the other eighteen, and giving their names as Howard Wilcox and Marcia Roberts were arrested Saturday evening by H. E. Bonner, U. P. watchman, and turned over to Sheriff Salisbury

First Lutheran Church.

Christmas Festival Service, 6:30 a. m. Special musical numbers by the choir; Christmas carols by the congregation.

We cordially invite all our friends to this service.

Sunday School Festival at 7:00 p.m. Rev. C. Franklin Koch, Pastor. Owing to unavoidable circumstances it was necessary to change the program at the Crystal for tonight and tomorrow from "The Price of a Good Time" to "The Marionettes."

ANNEXATIONS ARE JARRING THE PEACE CONFERENCE.

New York, Dec. 23.—Annexation of lands, by both France and Italy, are two issues that threaten to inject into the peace conference another problem that may be serious.

That the peace conference would turn down either of these two propositions, which are very likely to manifest themselves, seems almost certain, but a great wave of enthusiasm for an annexation has developed, such as could be normally expected on part of a victorious nation.

Merry Christmas.

The Tribune wishes its readers a Merry Christmas. May every minute of the day be bright, cheerful and enjoyable.

Major Harrington Passes Though.

Major M. C. Harrington, who was in the quartermaster's department overseas and invalidated home by reason of acute bronchitis, passed through to Denver yesterday forenoon.

Dr. J. W. Butt, of Garden City, Kan. is expected to arrive today to spend Christmas with his mother, Mrs. Helen White.

Lost between Diener's shoe store and 500 South Willow a dark brown shoe. Reward. Phone Black 858.

Clyde Trotter went to Omaha yesterday afternoon to transact business for a day or two.

CORONER'S JURY CENSURES AGENT AT MAXWELL.

The coroner's jury, called to inquire into the death of Evangeline Gough, returned the following verdict after examining eight or nine witnesses:

"At an inquest held in the federal building in North Platte, in Lincoln County, Nebraska, on the 23d day of December, 1918, before A. J. Salisbury sheriff and acting coroner of said county upon the body of Evangeline Gough lying dead, by the jurors whose names are hereto subscribed, said jury upon their oath do say Evangeline Gough came to her death at the village of Maxwell on December 20th, 1918, being run over and killed by the engine on train No. 5 of the Union Pacific railroad company through the negligence, misinformation and carelessness of the agent, an official of said Union Pacific Railroad Co."

Dies of Flu.

Arthur Courtney, a man about thirty-two years of age, who had been employed as cook at the Union Pacific depot, died Saturday night at the detention hospital after an illness of a week from flu. The deceased kept at his work after he had contracted the disease and did not call in a physician until his condition was such as to preclude hope of recovery.

Honor to Whom Honor is Due.

Editor Tribune: In talking with State Engineer Johnson at the Irrigation Meeting at Bridgeport recently, he explained that shortly after the bridge east of North Platte was built, the Board of Public Land, Highways and Irrigation passed a ruling that state funds should not be used in making bridges more than 16 ft. wide, but that in no manner prevented a county from adding sufficient money to make a bridge any width desired.

We all regret that the South Platte bridge is not four feet wider. Some of us were inclined to kick Mr. Johnson. I do not know that anyone is deserving of censure. I presume the increase in cost of construction between the time the cost was estimated and the time the contract was let was so great that the bridge had to be narrowed to 16 ft. instead of being 20 ft. as was understood when the bonds were voted.

While we feel that it is a blunder to make a permanent public improvement too small for the needs of future use, yet, we have a good substantial bridge that fills our needs quite adequately. We are fortunate in getting a bridge as good as this without going through the trouble and expense of voting new bonds. Let's thank the Board of Commissioners and State Engineer Johnson for a good bridge, built on time and forget that we were expecting a twenty foot bridge.

W. P. SNYDER

The Ideal Bakery will close at one o'clock on Christmas Day.

Paul Harrington, who had been in the quartermaster's department at Camp Meigs, spent yesterday in town while enroute to Denver to spend Christmas with the home folks. He received his discharge, and next week will return to town to take up the work he left when he entered the service. With him at Camp Meigs was Carl Brodbeck and Chas. Rincker. He thinks the former will be home in a few days, but as Rincker is in the personnel department he is likely to be longer detained.

SIXTY MILLIONS FOR GOOD ROADS IN NEBRASKA.

Omaha, Neb.—Sixty million dollars are to be spent on good roads within the state of Nebraska and the money will be raised by statewide taxation, according to plans now being worked out by good road enthusiasts of the state. The state legislature which meets next month, will be asked to appropriate this amount of money for road work and if the legislature has not the power to make the appropriation, a bill is to be introduced which will permit the people of the state to vote upon the big bond issue.

LOCAL AND PERSONAL

The Ideal Bakery will close at one o'clock on Christmas Day.

Mr. and Mrs. Alvin Elias returned this morning from their wedding trip to Kansas City and Denver.

Guy Granger has returned from a training camp where he was stationed as an aeroplane mechanic.

Mr. and Mrs. R. C. Pratt left this morning for Omaha where they will visit relatives for several days.

Mrs. Harry Blickensderfer and daughter left for Cozad this morning where they will spend Christmas with relatives.

Sheriff Salisbury will go to Aurora tonight to visit his mother, who is spending the winter there with a daughter.

Mr. and Mrs. W. A. Buchfink left yesterday for Grand Island where they will spend Christmas with relatives.

WILSON'S PARIS SPEECH SHOCKS THE GERMANS.

Berlin, Dec. 23.—The people of Germany were given a rude shock when the latest address of President Wilson recently delivered in Paris, was made known to them, in which the president stated that he supported a movement to bring to justice all those who were responsible for the world war. The German peace delegates were ready to accept all the peace principles laid down by the president and looked up to him as the man of the hour and one in whom Germany could place her future. But they did not think that he would stand out for punishment of those fixed at the conference as being guilty of the war.

Protestant Episcopal Services.

Tuesday, December 24, 1918. 7:30 p. m. Sunday School Festival, Service in Church, 11:30 p. m. Carol Service and Holy Communion. Midnight Service.

Wednesday, Christmas Day, Dec. 25. 10:00 a. m. Christmas Festival Service, Sermon and Holy Communion. Rev. Arthur Dittes Jones, Rector.

Miss Besie Salisbury returned last evening from a two months' visit with friends in southern California, and left this morning for Aurora to spend Christmas with relatives. Starting January first, Miss Salisbury will succeed Saml. Goozee as secretary of the Mutual Building and Loan Association.

Mr. and Mrs. Will Patterson, of Minneapolis, arrived yesterday to spend Christmas with Mrs. Patterson's parents, Mr. and Mrs. Victor VonGoetz.

Mrs. Victor VonGoetz, Jr., of Portland, passed through Sunday night enroute to Stapleton to spend Christmas with her parents.

Dr. J. B. Redfield returned last night from a professional visit to Sarnen and left this morning to look after a patient at Cozad.

QUARANTINE IS ABSOLUTE SAYS THE STATE BOARD.

Christmas should be enjoyed as quietly as possible, according to an order put out Saturday by the state board of health in which it announces that the quarantine on Spanish influenza is intended to be an "absolute" quarantine. The board says: "In order that people will understand the quarantine for Spanish influenza, we wish to state that it is an absolute quarantine. No certificates of immunity will be accepted, nor will anyone be permitted to be quarantined out."

"The disease must be gotten under control; the devastation has existed too long. It required time to work out a feasible plan, and then it was necessary to call a conference to ascertain if local communities would enforce same. The above plan was endorsed almost unanimously by the conference, and it is expected that all local communities will live up to the same. Any violations must be prosecuted immediately."

"That some inconvenience will exist is to be admitted. On the other hand, it is hoped that many lives will be saved."

"We also desire to call the attention of the people to the fact that large crowds unquestionably spread this disease, and we therefore trust that Christmas will be enjoyed in as quiet a manner as possible."

Hardin's Wheel a Success.

Jake Hardin, who lives in Plant precinct, and is the patentee of a spring auto wheel, has been in Cincinnati for a week past having several of the wheels made to demonstrate their practicability. He writes that the firm making the wheels pronounce the design the best yet presented to the public. It will require ten days to make the dies and produce the wheels and immediately thereafter public demonstrations will be given. J. C. Askwig is associated with Mr. Hardin in putting the wheel on the market.

A. N. DURBIN AUTO CO.,

Studebaker and Oldsmobile Cars and Fulton Trucks.

REPAIR PARTS AND ACCESSORIES.

We keep in stock repair parts for the Studebaker and Oldsmobile cars and the Fulton trucks. Also keep in stock Tires of all sizes, Greases and Oils, including the celebrated Mobile A lubricating oil.

EXPERIENCED MECHANICS FOR REPAIR WORK.

We have two experienced auto mechanics and we solicit your repair work. It saves you money in the long run to have your car frequently inspected by experienced men.

SEE US ABOUT STORAGE.

If you live in town where you can store your car in a steam heated garage, you can rest assured that it will pay you to do so. It will save you many dollars in a few months on your storage battery alone. Then again, when you start your car in a cold garage the engine will not be properly lubricated for several minutes while your car is warming up and this will wear out the bearings.
