SOLDIERS' WELCOME ARCH WILL BE DEDICATED THIS EVENING.

The home coming welcome arch erected under the auspices of the Lincoln county chapter of the Red Cross, was erected yesterday and will be formally dedicated at eight o'clock this evening.

The ceremonies connected with the dedication will be as follows:

Band, drum corps, Red Cross, Sammy Girls, former members of the Home Guards, high school cadets, returned soldiers and sailors and citizens generally will assemble at the court house square and headed by the G. A. R. with J. E. Evans as color bearer will march north on Dewey to the arch. The program will open with music by the band and drum corps, and interspersed with selections by a quartette. Short addresses will be delivered by Rev. Franklin Koch and J. T. Keefe.

The arch has been erected at the north end of Dewey street and we believe the public will agree with us that C. C. Hupfer, who designed it, is entitled to credit for its attractiveness, especially when electrically lighted. While the arch contains the names of 871 Lincoln county boys who entered the service, it is probable that the list is not altogether complete, and those who find omissions will confer a favor by reporting them to Mr. Hupfer and the omitted names will be added.

It is hoped that the dedication of the arch will be considered of such importance as to attract the attendance of a large number of our people.

TRAMP BROTHERS WILL BUY DIENER SHOE STOCK.

The Diener shoe stock is being invoiced this week preparatory to purchase by Herbert and Arthur Tramp, who will take possession as soon as the inventory is completed. This move follows an ineffectual attempt of E. T. Tramp & Sons to secure larger quarters and to include with their dry goods and ready-to-wear garments, a full line of shoes. This failure resulted in a proposition to purchase the Diener stock.

The Messrs. Tramp are enterprising young business men, and in the purchase of the Diener store they take over a business that has long been established and which has a splendid patronage.

Successful Hog Sale.

Frank Strollberg and F. O. Johnson held a successful sale of registered Duroc Jersey brood sows at the North Side livery barn yesterday afternoon. Sixty-one head were offered, all of which were sold, the larger animals bringing as high as \$250.00 each. Buyers were present from Holdrege, Minden and other points outside the county.

The animals offered by Messrs. Strollberg and Johnson were conceded to be by far the best draft of brood sows heretofore offered for sale in North Platte.

After "Zempshun" Money.

Trailed by his wife and 11 children, ranging from stout cornfield hands to bow-legged toddlers, an old dorky made his way from office to office in the federal building at Asheville, N. C., seeking his "zempshun."

Finally reaching the city exemption board, he said: "Boss, I done come for my zempshun money." The clerk did not understand him. "You mean your pension money, don't you?" queried the clerk. The old man shook his head. "No, sir, boss; I mean de \$2,000 de gubment 'loves married folks."

Further inquiry disclosed that the old man had heard some one say the government allowed the head of a family \$2,000 exemption under the income tax law, and he understood this to mean that the government would pay him \$2,000.

He accepted the news that there was nothing coming to him philosophically.

"Just like after tuther wuh," he remarked. "Dey say den us darkies gwine fer to git a mule apiece and we ain't nebber got none."

It is probable that the Canteen will be authorized to send out with wounded soldiers passing through an escort of two or more members. These escorts would render to wounded soldiers such assistance as necessary while enroute from this city to Cheyenne. The plan has been tried out in the east and is said to work very successfully.

If you are going to have your Auto Top recovered see the North Platte Top and Cushion Company at Sixth and Locust streets.

The local telephone exchange has orders for about one hundred new phones which, owing to government restrictions on new work, cannot be installed.
