Stand to Lose a Billion.

before the house agriculture committhe world market price, which they a billion and a quarter dollars, but said this loss was preferable to any attempt on the part of government to maintain an artificial price. Representative Lever of South Carolina, suggested three other plans: that the wheat mopement bo entirely on the pre-war basis; that the government possibly be restricted by the government being rethorized to sell or buy so as to prevent manipulation, and that the domestic movement be entirely on the pre-war basis with the export movement under federal control

> - ::0::-A Job for Every Soldier.

Washington, Feb. 5 .- "Every soldier who put on the uniform of the United States, who fought or trained to fight, will have a job if he wants one," Sec retary Baker declared today in delivering the opening address at the 14th annual convention of the national rivers and harbors congress.

The secretary emphasized the duty of American business men to co-operate in what the government was doing in this direction, and said that every chamber of commerce, board of trade or other similar organizations should realize the need for its participation.
