

The North Platte Semi-Weekly Tribune.

THIRTY-FIFTH YEAR.

NORTH PLATTE, NEB., FEBRUARY 28, 1919.

No. 14

LOCAL AND PERSONAL

Charley Herrod has been transacting business in Chicago for several days past.

John Christ and Will Howe, two young boys, started out Wednesday to tour the west in a box car, but were intercepted at Paxton by the town marshal and returned home.

Leypoldt & Pennington deliver Coal, Flour and Feed. Phone 266.

C. P. Howard, who has been living northwest of town for ten years, will leave shortly for a visit at his old home in Columbus, Ohio. He is inclined to believe that he will locate in Tennessee.

We are requested to announce that there will be no church services at the Presbyterian church Sunday, but Sunday school will be held as usual. The pastor, Dr. Curry, was taken ill yesterday with a rather bad attack of influenza.

Mrs. Roy Cotterell is suffering from a very severe attack of tonsillitis.

Both Rev. and Mrs. J. H. Curry are in bed suffering from an attack of influenza. Rev. Franklin Koch, who waited on them last night, reports them better this morning.

Though the attendance at the Howard sale northwest of the city Tuesday was not as large as expected, bidding was fairly brisk. Cattle sold a little low, but farm machinery brought good prices. The receipts of the safe were in the neighborhood of \$7,000.

Mrs. Frank Woodgate was operated upon at a local hospital on Monday of this week. She is doing very nicely.

A wave of sickness struck the boys in the Rexall drug store yesterday, and today Charley Tighe, Hoyt Smithers and Raymond Toddenhoft were unable to leave their homes.

Frank R. Lang, section foreman at Big Springs, was unloading rails at Julesburg Wednesday morning when one of them fell on him, breaking his back and neck. He died within a few minutes from the injury.

The D. A. R. will meet Monday evening with Mrs. T. C. Patterson. The program will be selections by the D. A. R. quartette, "War Poets and Poems," by Miss Nantine Iddings, selected poems, roll call with original story or poem, Nebraska Society D. A. R. Conference plans.

F. L. Mooney returned yesterday from Omaha where he attended a conference of state district chairmen of Liberty Loans. At this meeting several Washington and Kansas City loan officials were present and outlined the plans for the Fifth or Victory loan, which plans are similar to those employed in other campaigns. This Victory loan will be for six billion dollars. Nebraska's quota will be about sixty millions and Lincoln county will be expected to subscribe between five and six hundred thousand dollars. The campaign will open April 21st, the day following Easter and will continue for three weeks.

Twinem Buys Guyann Land

Dr. J. S. Twinem this week purchased of B. J. Guyann 320 acres of land situated southwest of the city for a consideration of \$25,000. This land, which was part of the Beer ranch, was purchased by Mr. Guyann less than a year ago for \$19,000 and he thus cleans up \$6,000 on the deal. The improvements on the land are old but in fair shape. This leaves Mr. Guyann without any Lincoln county real estate, having sold his home place last summer. He is, however, looking around for a tract of land that suits him.

Auto Dealers Organize

In order that they may work more in harmony and by closer co-operation benefit both buyer and seller, the automobile dealers of North Platte met Wednesday evening and organized the North Platte Automobile Dealers' Association. The officers elected were C. M. Trotter President, Avery Duvall secretary and J. J. Crawford treasurer. The association will hold regular meetings on the first Tuesday of each month.

The formation of this organization means improved service to auto owners wherever such is possible, and is therefore to the owners' benefit as well as to the benefit of the dealers.

An Enjoyable Recital

An audience that filled the seating capacity of the Presbyterian church auditorium were delightfully entertained Wednesday evening at a recital given by the pupils of Miss Florence McKay assisted by Mr. and Mrs. Arthur Tramp and Paul Harrington. Pupils participating in the program were Emma Bogue, Anna McGrew, Zoe Reynolds, Lucille Beyerle, Betty Turple, Leota Schermann, Margaret Edwards, Francis Edwards, Dorothy Elder, and Clara Sorenson, the latter giving her selection on the pipe organ. Each number was well rendered, enjoyed by the audience and heartily applauded.

Mrs. Tramp sang in a pleasing way "I Gathered a Rose" and "I Know a Lovely Garden," each of which received merited recognition from the audience. Mr. Harrington gave a group of four songs which he rendered with his usual brilliancy and effectiveness, and Mr. Tramp pleased his auditors with group selections on the euphonium.

First Lutheran Church

Morning worship, 8:30, subject "The One Thing Needed." Evening worship, 8:15, pre-Lenten message, "Beside the Way to the Cross." At this service the Lenten calendars will be distributed. Special music. Sunday school at one o'clock. Everyone is welcome at these services.

REV. C. F. KOCH, Pastor.

Albert Schatz, of Omaha, has been in town for a day or two transacting business and visiting friends.

LOCAL EMPLOYMENT BUREAU MAKES A GOOD SHOWING

In calling at the office of the U. S. Employment service, we find that branch of the Department of Labor quietly doing some very effective work in its line, as is shown by the following statistics, gathered from the records kept.

During the months of November, December and January—usually very dull months in all lines of business—there were 614 callers at the local office, 462 applications and registrations for work, 60 per cent of whom were referred to positions and most of those referred were reported placed.

In January the office mailed out a letter to each farmer, business and stockman in the district—comprising 23 counties—requesting that they file their applications for help wanted and assist the service in securing positions for returned soldiers and sailors or placing them in their former jobs. Many responses were received and as a result a large number of returned soldiers and sailors have been placed in good positions by the office. It has been demonstrated during the past year that the U. S. Employment Service has been of great benefit during the strenuous days of the war and there is no doubt but that its work will become still more important in these reconstruction days, and as its work becomes more far-reaching and more generally known to the public, it will prove of inestimable value to both employer and employes.

Wilson Will Sail March 5th.

President Wilson will make one more public speech before he goes abroad—in the Metropolitan opera house, in New York, on the night of March 4. He will go directly from the opera house aboard the George Washington, sailing for France early on the morning of March 5. This announcement came from the White House Thursday.

Former President Taft is expected to be a special speaker at the same meeting, which will be held under the auspices of a non-partisan committee of representatives of various societies advocating formation of a League of Nations. President Wilson is said to be very eager to have Mr. Taft on the program with him.

Can't Raise Blockade.

The blockade of Germany could not be raised until Germany had signed a peace treaty which would make war impossible. Premier Lloyd George declared in speaking at the industrial parliament Thursday afternoon.

A complaint filed in the county court yesterday by Ruby Callender, an unmarried woman, charges Wayne Cass with being the father of her unborn babe. A warrant for the arrest of Cass was placed in the hands of Sheriff Salisbury yesterday afternoon.

It will pay you big to patronize the sale of the Edwards-Reynolds Co. which opens tomorrow morning. Goods will be sold at a reduction of from one-third to one-half.

Dividends on running stock and interest on paid up stock are being computed by Secretary Miss Salisbury of the Mutual B. & L. Association for the six months period ending March 1st. The dividends credited to running stock for the period is \$16,864, and the interest to be paid on paid up stock is \$13,977.

Bad Yesterday, Bright Today.

For several hours yesterday afternoon and last evening North Platte and surrounding section was in the grasp of a blizzard. The falling snow was accompanied by a stiff wind, and the snow was swirled and drifted badly. The storm abated about ten o'clock and the temperature dropped during the night to ten below zero. Though the fall of snow was not heavy drifts two and three feet deep are to be seen this morning.

The storm is reported to have been more severe along the North River branch than here in town.

This morning the sun is shining and local indications are for continued fair weather.

Mr. S. C. Brogan and Miss Donna Moore, both of Keystone, were united in marriage at the St. Luke's church in Ogalalla Wednesday morning.

They left on No. 13 for Denver, where they will spend their honeymoon. Mr. Brogan is a prosperous young farmer near Keystone while the bride was postmistress at Keystone—Ogalalla News.

Rev. Fr. McDaid and the priest who is his guest, returned this morning from Denver.

TO INSURE WORLD PEACE WE MUST RATIFY LEAGUE

If the League of Nations constitution is not ratified by the United States it will bring despondency to a war-worn world, the league will fail and chaos and turmoil beyond description will result in Europe, President Wilson told members of the Senate foreign relations committee and house foreign affairs committee Wednesday night, following the White house dinner to which the members of the two committees had been invited to discuss with him the league's proposed constitution. This is to be his chief argument in presenting his case to the people of the United States.

The president believes the league the world's morning star of hope. For an hour and a half the president freely and frankly discussed the proposed constitution, answering numerous inquiries from members of congress at a sort of round-table discussion following the dinner. The conference continued until after midnight. The fight will continue in congress, however.

Arleigh Jones, who had been in service overseas, reached home yesterday.

Special Service for Farmers

Because of the handicap of distance from town, extremely busy seasons, etc., most farmers need special service for taking care of their banking needs.

This institution is officered and equipped to deliver this kind of service in the fullest measure.

Farmers will appreciate what we are prepared to do for them in the way of saving time and steps through the use of the mails and telephone.

Find out about this service the next time you are in town. We are never to busy to talk to you.
