

NORTH PLATTE DISTRICT REACHES ITS QUOTA

Up to yesterday noon \$240,000 had been subscribed to the Victory Loan by residents of the North Platte district, which is about \$1,000 above its quota. Word from Sutherland states that district has reached its quota and Maxwell is nearing the goal. The Hershey district is about \$10,000 short but efforts will be made to come in under the wire by the end of this week, and from Brady comes the assurance that the quota will be reached. The only weak district reporting is the south part of the county, where only a partial canvass has been made. If the solicitors in that district get busy this week it is believed that the quota of the county can be reached.

The quota for the county is \$476,000 and up to yesterday the amount subscribed had reached something over \$400,000.

It is probable that by the end of the week the total of the North Platte district will reach at least \$250,000.

Ensign Ernest Rincker arrived home Saturday night on a five days' leave of absence and will return tonight to the Great Lakes training station where he holds a position. In the insurance branch of the paymaster's office. Entering the hospital branch of the navy in June, 1917, Ensign Rincker was sent to Goat Island, California, and later transferred to Mare Island. In April, 1918, he was transferred to Quantico, Va., where he was given and passed the examination for paymaster service. He was sent to New York City for a month's instruction, thence to Princeton college for sixty days, thence to the Holton school of finance in Philadelphia, and upon completion of the course was sent to the Great Lakes station. His present rank is equivalent to a lieutenant in the infantry.

Mothers, don't figure on making summer wash suits, rompers or waists—you can buy them here better than you can make and for less. The Leader Mercantile Co.

Mr. and Mrs. I. A. Gilbert went to Cozad Sunday to attend the funeral of Saml. B. Arnold, who died Friday at a hospital in this city.

PROPOSE MONUMENT TO LINCOLN COUNTY SOLDIERS.

If plans now proposed are carried into effect, and they are almost certain to materialize, a monument to Lincoln county soldiers, sailors and marines will be erected at the court house park. The plan originated with Victor Beck, Jim Sebastian and Charley Temple, and Mr. Beck is now drawing specifications for the shaft which will be six feet square at the base and twenty feet high. It is proposed to use reinforced concrete as the building material, and imbedded in the shaft will be a bronze dedicatory tablet properly inscribed.

Architect Beck is drawing a plan of the shaft and will have it on exhibition in a few days.

The Tribune received yesterday a little souvenir from the director of publicity of the Tenth Federal Reserve District in the shape of a medal made from a captured German cannon. These medals have been sent out to all newspaper publishers as a reminder of the government's appreciation of their loyalty in assisting to put over the various Liberty loans. On one side of the medal is a cast of the treasury building, a wide spread eagle and the words Victory Liberty Loan; on the reverse side "Awarded by the treasury department for patriotic service in behalf of the Liberty loans—made from captured German cannon." The medal is the size of a silver fifty cent piece.

Capt. Claude Selby and Mrs. Selby are expected to arrive today, Mrs. Selby having left last Friday for Chicago to meet her husband. Captain Selby had been in service as a member of the medical corps for two years and had been overseas for over a year.

The Lincoln county teachers' examinations will be held Friday and Saturday, May 23 and 24, at the usual places. The Reading Circle examination will also be given at this time.

Now during the manufacturers' sample sale of women's and misses' man tailored suits of the very latest creation of styles, you can save yourself from \$5.00 to \$15.00 on any suit you select at The Leader Mercantile Co.'s.

The Revival Meetings.

The meetings at the Christian church under the leadership of Knowles and Tuttle are creating a wide interest. The chorus that fills the platform is in attendance nightly. In most places visited by the evangelists Saturday night meetings are omitted, but it was asked by the Friday night congregation to use this night also. Splendid crowds are in attendance each night. The sermons are interesting in the extreme. Mr. Knowles has had a wide experience in many of the larger cities of the United States since he left North Platte two and a half years ago, which has added materially to his then exceptional ability. Sunday night the church was packed and the speaker held the attention perfectly. Mr. Tuttle is proving a very popular leader of the community singing. If there isn't any sing in a fellow he makes him whistle. Tonight Mr. Knowles' subject will be "No Man's Land," and Mr. Tuttle will sing "Have a Smile." A cordial invitation is extended during the month. Three have responded to these services which will last during the gospel invitation to date.

Attractions at the Sun.
Wednesday evening—Baby Marie Osborn in "The Old Maid's Baby." Thursday evening—Bessie Love in the "Love Net."

The Farmers' State Bank of Wallace moved into its new building Saturday and celebrated the event by keeping "open house." The occasion was attended by a large number of people. The building is of light pressed brick with brown trimmings, and the interior is handsomely furnished in golden oak with tile floor. F. C. Pielsticker, who is one of the directors of the bank, went to Wallace to attend the opening, as did also Elmer Coates.

Have you heard the splendid chorus singing at the Christian church? Hear them tonight.

The Twentieth Century club will meet this afternoon at the home of Mrs. C. F. Baker, 1011 east Fourth street. The subject will be "Future of Ireland," with Mrs. George Frater as leader.

DO AWAY WITH POSITION OF PASSENGER DIRECTOR

John J. McIlvane, Union Pacific passenger director at the depot, was notified last evening that the position he held would be abolished at once. It is understood that Mr. McIlvane has been offered a less lucrative and less desirable position with the company.

The abolition of the office came as a surprise to all, largely because it is one of great convenience to the traveling public, and without this official there is certain to be much confusion at the depot as regards the departure of trains, especially in the morning when three passenger trains leave the terminal following the arrival of No. 19. Beginning tomorrow Genl. Passenger Agent Orr will look after this work so far as his other duties will permit.

Mr. McIlvane has filled the position in a most efficient manner. His courteousness has always been commended and his popularity with the traveling public extends from Omaha to Ogden. His services and presence at the depot will be greatly missed.

The abolition of the office is along the line of retrenchment which has been inaugurated by the director general of railroads, and which so far has affected North Platte to the extent of reducing the round house force by the dismissal of thirty-five men and a big reduction in the number of freight crews.

The unmarried members of the Travel and Study Club entertained the married members at a dinner last evening at the home of Mrs. Blanche Field. A very enjoyable course dinner was served.

Miss Minnie Sieman, who purchased one of the Tift houses in the 300 block on east Sixth, is having the interior remodeled and will move her bath and massage plant thereto.

U. S. W. V. Encampment.

The United Spanish War Veterans will hold their twelfth annual encampment at York, Neb., May 19 to 21 and a large delegation from the local camp expects to attend. York is making great preparations to give the veterans a royal good time and they expect a large turnout of the Spanish-American War Veterans from over the state. Department Commander A. W. Shilling and Department Adjutant A. E. Bell expect to leave Sunday morning so as to be early at the encampment to register the comrades as they arrive. Harry E. Brown Camp No. 11 will be represented by Commander E. E. Moody, Senior Vice Commander J. W. Rowland, Junior Vice Commander, W. D. Adamson and delegates Luther I. Tucker, Chas. Haner, J. I. Shaffer and J. B. Farusworth of Kimball, Eugene Beals of Ogallala and W. J. House. Alternates elected were K. M. Sturtevant, C. W. Likes, F. C. McMichael, J. C. Crow, H. R. McMichael and R. L. Murdock. Past Commanders Leonard Robinson, A. W. Brown and Julius Hoga have a vote in the encampment and are also going with the rest of the delegates from North Platte. A rate of one and one-half fare has been granted by the director-general of railroads to the veterans, their auxiliary and families.

The Woman's Home Missionary society of the M. E. church will meet Friday afternoon with Mrs. E. O. Cool, 521 west Eleventh street.

HARSHFIELD CASE TO BE HEARD IN MINNEAPOLIS

Attorney J. J. Halligan left Sunday night for Minneapolis where he will argue in the case of J. A. Harshfield in the United States appellate court.

Harshfield, who lives north of Sutherland and is a well to do stockman, was arrested last spring on the charge of making unpatriotic remarks. There were three counts against him and the trial was held in the United States court in this city before Judge Woodrugh. On two of the counts Harshfield was found not guilty, but on the third the jury brought in a verdict against him and he was assessed a heavy fine.

Harshfield carried the case to the United States court of appeals which is in session in Minneapolis this week, and Attorney Halligan goes there to appear in Harshfield's behalf.

Chamber of Commerce Dinner.

Thursday night the Chamber of Commerce will hold another of their justly famous dinners, place to be announced later. Through the kindness of Mr. Stackhouse, formerly of the Experimental Farm force, the principal address of the evening will be delivered by Mr. E. P. Perrine, of Denver. Mr. Perrine is noted throughout this country for the "Perrine Money-Logues," and he will address the business men on the "Betterment of Business through Betterment of Salesmanship." Every business man should be present and should see that his sales force is also provided with tickets. Arrangements for the dinner are in the hands of Messrs. Birge, Buckley and Munger, who will have full charge of the program. That in itself will assure a live wire evening. Tickets will be on sale at one dollar each and there should be at least one hundred live business men on deck.

Children's gingham dresses on sale at The Leader Mercantile Co.'s at 95c, \$1.45, \$1.95, \$2.45 and \$2.95, to fit girls in ages 3 to 14 years.

Weak Voice and its Cause

Health Talk No. 4 by

DRS. STATES

THE CHIROPRACTORS

Lost or weakened voice is an ailment that is quite frequent. Most singers have suffered from periods of vocal weakness which failed to respond to care and nursing. Often such weakness is accompanied by serious results affecting health and efficiency.

The trouble is one of the nerves and the cause can be removed by spinal adjustments which remove nerve pressure and give Nature a chance to act in a normal way. Singers, speakers, and many others not so dependent on the voice, have found Chiropractic adjustments a boon.

CHOKING SPELLS DISAPPEAR

I had been in poor health since I was about fourteen years old. I would have choking spells with my throat that they could hear me breathing across the street. Hyperdermics afforded the only relief, and yet they affected my heart and made me lose my voice entirely. I have not had a choking spell since I began taking Chiropractic adjustments.
