ANTI-AMERICAN RIOTING TAKES PLACE IN BERLIN

Berlin, May 14.—Fifteen thousand majority socialists held a demonstration in front of hotel Adlon today. "Down with Wilson! Down with the Americans!" was the cry on every lip as the crowd surged about the front of the American headquarters until they were dispersed by fifty police.

This wide-spread demonstration followed a speech by Richard Fisher, made in front of the Reichstag building in which he stated that the confidence of the German people in President Wilson had been shamefully abused. The crowd cheered him wildly and then proceeded to the Adlon where they held a half hour tumultuous anti-American demonstration.

Chancellor Scheidmann later addressed the crowd. He stated in substance the same things which he had said in his speech to the national assembly yesterday. He bitterly denounced the peace terms imposed on Germany by the allies, and stated that Germany could not accept the terms of the treaty and still live. He again referred to the treaty as a "murderous scheme."

The hatred of the German people to the terms of the treaty seems to center on America and on President Wilson. Their principal hue and cry is that the treaty is not consistent with the President's fourteen peace points.

W. C. T. U. Notes

The W. C. T. U. met at the Perkins home, 423 west Tenth street Tuesday afternoon, when a business meeting was held. There were eighteen present. Our president, Mrs. Belle Morris, called on several members to read communications of importance. The National W. C. T. U., as a memorial of fifty years of service and the great victory that has come by the ratification of the 18th amendment is making an effort to secure 1,000,000 members and raise a fund of \$1,000,000 this year. Our organization, born of God, could not do otherwise than make big plans. We are gathering this fund that we may do our part in the great reconstruction work; we are gathering this fund to help win prohibition for the world; we are gathering this fund that we may continue our work for America; we are gathering this fund as a thank offering to the Lord. In order to help raise our share, which is \$50, the ladies of North Platte W. C. T. U. will each donate \$1.00. Any one else can contribute to this fund.

Our next meeting is June 3rd. It will be announced where later. Bring your \$1.00. MRS. MINNIE PERKINS, Press Supt. of W. C. T. U.

FORCED TO FINE DOG HERO

But New York Justice Took Into Consideration Animal's Brave Deed in the Past.

Two medals bestowed for bravery hung from the collar of Jim, a Great Dane, when he appeared in the West side court the other day, charged with having been unmuzzled in public, says the New York World.

Patrolman Joseph B. Ward, attached to the health department, said he had seen Jim in a car without a muzzle. Jim would not let the policeman come near when an attempt to serve the summons was made, Ward testified.

Harry Gilpin, a druggist, told the magistrate about Jim's heroism. Mr. Gilpin and his daughter were asleep in their house one night in 1916, when a fire started. Jim was running up and down outside when the firemen arrived. He failed to make the firemen or the crowd understand what the trouble was. So he darted into the smoke and fire and dragged out first Mr. Gilpin and then Miss Gilpin, both overcome.

For this Jim received the Spiers medal that year and Miss Gilpin gave him another. Recently the Alps club of Riverdale honored him.

"A dog that is as brave as you are deserves consideration," Magistrate Nolan said, "but you weren't muzzled and you resisted the officer. Fine \$1." Jim carried the bill in his mouth to the clerk of the court and took the receipt back to Mr. Gilpin.

Wanted—Liberty bonds at market price. Louis Lipschitz.

Tribune Employee Returns.

Harry Lannin, who had been in overseas service, arrived home Tuesday morning. He was sent to France last September as a member of a signal corp then attached to the 84th Division, later transferred to the 35th Division and had been on the front line on the Verdun sector three weeks when the armistice was signed. In those three weeks, however, he was in the midst of the artillery fire and experienced the feeling which came to those who heard the incessant roar of bursting shells. During his term of service he gained fourteen pounds in weight. He will probably re-enter the employ of the Tribune, a position he held several years prior to entering the service.

Songer Has Prospered.

Hugh Songer, living fifteen miles south of town has purchased section 29-12-31 of Chas. Meyer, of Wahoo, and now owns 1860 acres of land. Thirteen years ago Mr. Songer reached Lincoln county with three ponies and a wagon and homesteaded 240 acres which now form part of his ranch. Though handicapped by a crippled leg, Hugh went to work with energy and ambition, and as he earned money he invested in surrounding land until today his real estate and personal property is worth not less than \$50,000.

Big Money for Tires

During the past year Lipschitz, the junk man, has shipped out twenty-five tons of worn out auto tires. These fifty thousand pounds of tires when new cost the purchasers fifty thousand dollars. These worn out tires came from the section immediately tributary to North Platte and represent about one-half the total amount shipped out of the county. The tire bill of the county during the past year was therefore about one hundred thousand dollars, according to Mr. Lipschitz's figures. Louie has fourteen tons of old tires on hand waiting for an advance in the market, the bottom of which fell out about a month ago.

Error Makes a Difference.

In making a note of the wheat crop in Lincoln county, and its indicated value, an omitted figure made the sum read \$240,000; whereas it should have read \$2,240,000. With over 57,000 acres in wheat, indications for a yield exceeding twenty bushels and a guaranteed price of practically \$2.00 per bushel, the estimated value of over two and a quarter million dollars is not extravagant.

Buy's Turple Ranch.

C. V. Turple sold his four hundred acres ranch four miles southeast of town Tuesday to Lee Mustard for ninety dollars an acre, or \$36,000. Practically all the land is in grass, and has been used largely for hay purposes. Mr. Mustard expects to put a good part of the land in alfalfa.

Mr. Strollberg owns land adjoining. Mr. Kochen took the land many years ago under the government timber culture act.

It cost Martin Federhoof \$10.00 in Judge Miltonbergers' court for the privilege of taking on a jag the night before and abusing Officer Rogers. When the officer went to Martin's room Tuesday noon for the purpose of placing him under arrest, he refused to accompany the officer and the latter was obliged to use his club, which tamed Martin to such an extent that he was not half as "bad" as the night before and walked to the police court very peacefully.
