

## Good watches for farmers

We make it our business to have watches that will give farmers complete satisfaction. That is, accurate timekeepers, well built in every detail, and strongly cased. A watch a man can safely carry while he works and at the same time good looking, so that when he changes his working clothes his watch is still a credit to him. Come in and look at watches. We will be glad to show them and explain just why they are such good timepieces.

E. J. VanDerhoof has under consideration the erection of an apartment house on his lot in the 200 block on west Fifth street. As planned the house would have five apartments of from three to five rooms each. The present house would be remodeled and form a part of the building. The outlay would be about \$10,000.

The demand for autos in North Platte is so great that were the dealers able to secure all the cars needed additional freight trains on the Union Pacific would be needed to bring in the new cars. That, of course, is stretching the truth, but the demand for the gas wagons is certainly the greatest in the history of the town.

The funeral of the late Mrs. Harriet Bostwick, who died the latter part of last week at her home in Beatrice, was held Sunday at the Maloney chapel and the body interred in the city cemetery. The deceased, who was ninety-seven years of age, was the mother of I. V. Bostwick, the well known farmer who lives south of Hershey.

W. C. Cole, who owns over 200 acres of the best land in the valley west of town has been offered \$225 per acre, and based on rental returns of \$20 per acre last year the price is not abnormally high. Mr. Cole has at present nearly all his land under lease and will retire from farming, and as he is without a family and having lost by death his sister who lived with him, he will devote the remainder of his life to traveling.

About twenty-five young people gathered at the Lone Star farm on last Thursday evening and gave Ethel Olson a real surprise, the occasion being her birthday. The evening was spent in playing many games. In the few small hours refreshments were served after which several solo selections were given by some of the young ladies present. Miss Ethel received a very nice present that she may long remember the happy occasion.

Paul and Ruby Romley and Oscar and Ethel Olson left last Saturday for the eastern part of the state by auto.

## At \$1295 the Unquestioned Sensation of All 1919 Six-Cylinder Cars

The owner of an Oldsmobile has always the consciousness of having purchased a quality product. Quality is evident in every line of its design, in every refinement of its equipment, in every detail of its mechanism. Quality is demonstrated in its performance, whether over level pavements or hilly country roads, whether at high speed or throttled down in tangled traffic.

We will be glad to demonstrate the Oldsmobile Six at your convenience. (704E)

### JAMES WARE PASSES AWAY FRIDAY NIGHT

James Ware, one of the most widely known old time stockmen of western Nebraska, passed away at the Hotel McCabe in this city Friday night after a somewhat lingering illness due to a cancerous growth on the back of the neck.

Accompanied by Mrs. Ware, Mrs. Paxton Ware and Mr. and Mrs. Will Waltemath, the remains were taken Sunday to Blair, where Mr. and Mrs. Ware had made their home for five or six years.

Mr. Ware came into western Nebraska more than forty years ago and located at Ogalalla as ranch foreman for W. A. Paxton, and later became associated with Mr. Paxton in the ownership of the herd. He remained in Ogalalla until the early 90s, when he removed to his fine farm near Blair. About fifteen years ago he leased the Keith ranch east of town for a period of years, and at the completion of the lease returned to Blair.

Mr. Ware was a type of man that commanded the respect of all; he was courteous, open-hearted, of sterling integrity, of fine presence and a wonderfully good "mixer." Everybody who knew "Jim" Ware thought well of him, and he had a state-wide acquaintance among ranchmen and cattle buyers of the state.

He was married while a resident of Ogalalla, and is survived by his wife, daughter, Mrs. Margaret Waltemath of this city, and Mrs. Ruth Ware, widow of the son Paxton Ware, who died a year or so ago at Blair. Mr. Ware was seventy-one years of age.

The value found by my 500 Dodge owners, and by the government with thousands of Dodge cars, is built into this car and gives it the long life, the economy and speed for which the car is noted everywhere. It will pay you to wait a little while for a Dodge rather than take an immediate delivery on an unknown car or one of previous bad record (now reformed according to its sellers). J. V. Romigh, dealer

It is a real pleasure to drive a Chandler car on a long trip, for it is a wonderful road car. Try it yourself sometime and you will notice the difference from the ordinary car. Then, too, they do stand up for years. A good motor car investment. J. V. Romigh, dealer.

Messrs. Carson, Doggett, Hart, Fisher and Dixon returned Friday night from a week's fishing trip at Rat Lake. They had very good success.

Wrist watches, pearl beads, lavalliers and brooches are fine for the girl graduate this season. Austin, Jeweler.

Cabbage and tomato plants for sale. Mrs. Benkosky, 606 east Fifth 373

### NEWS ITEMS GLEANED FROM COUNTY PAPERS

The Maxwell Camp of War Mothers of America has received a charter direct from the national organization which will entitle the camp to a delegate to the national assembly.

The village of Maxwell has \$7,000 of registered and outstanding warrants, which is quite a sum for so small a village. During the past year the village clerk disbursed \$5,063.17 and received from all sources \$4,469.65.

We have been asked several times concerning the Lincoln Highway grade at the O'Fallons bluff. Some are under the impression that the new federal aid road would circle the hill

as in the past. County Commissioner Koch informs us the blue print he examined of State Engineer Johnson's showed the road cut through, so by this we infer that the hill will be cut through.—Hershey Times.

## Gaining in Weight

Health Talk No. 6 by

### DRS. STATES THE CHIROPRACTORS

Loss of weight in physical training is simply cleaning the body of its surplus fat. Loss of weight at any other time is a sure sign of weakness and something should be done at once.

The body is nourished by the vigorous action of the lungs and digestive organs.

Weakness of these parts is invariably due to pressure upon the nerves at the point where they leave the backbone. (The spine is yet to be found which is not producing some form of nerve pressure.)

Spinal adjustments, skillfully given, as in this office, remove the nerve pressure. With the pressure removed Nature can act in a normal, vigorous manner. That is why the emaciated and thin pick up weight after spinal adjustments.

### Gained 25 Pounds

"I was a great sufferer from headache and nervous dyspepsia for thirteen years and sought relief constantly during this time. At the time chiropractic adjustments were recommended to me I was having three and four headaches a week.

"In a year's time I gained twenty-five pounds and my weakness disappeared. I am most grateful to the science of chiropractic."
