BREAKING THE TIES BINDING TO BRITISH

There are two clouds on the Anglo-American horizon which are giving Hughbanks and Lewey and Ernest are left to mourn her. considerable concern to those who have welcomed and hoped for a continuation of the era of good feeling between England and the United States established by the common enemy. The struggle for Irish independence is beginning to assume large proportions with America officially. as well as unofficially, intervening

rein on the side of the Sinn Fein, much to the increasing disgust of the British. The controversy over the adhesion of the United States to the league of nations covenant is coming to a head in this country, with England being widely charged with seek

ing to foist upon America a scheme of supergovernment vastly benefiting the British empire while at the same time impairing the sovereignty, nullifying

the traditional policy and menacing the future welfare of the United States.

There is a storm in each one of these clouds an the question is whether the two nations will come through them friends or enemics.

Steal Bacon and Sugar

The Rush Mercantile store was burglarized Friday night and bountiful supply of provisions carried the hulk of the goods missed. Entrance to the store was gained through a rear window. The matter was reported to the officers but no clew to the burglars has been obtained
