JULESBURG WINS ON RUNS NOT EARNED

About four hundred ball fans witnessed North Platte go down to defeat Sunday afternoon at the hands of Julesburg, the visitors taking the long end of the three to two score. None of the three runs made by Julesburg were earned; they were the result of errors on the part of the local players. The North Platte team scored in the first and seventh innings, in the first through a hit by Langford, and in the seventh by a two-sacker by Gummere and a similarly long drive by Langford. The visitors rounded the frame once in the sixth and twice in the ninth inning.

The game was really a pitchers' battle, Fussell for Julesburg striking out eighteen men and Eilers having seventeen strike outs to his credit. Each of the two men had an inning when only ten balls were thrown in retiring three men, which is certainly dropping them off pretty fast.

Five of North Platte's team are what might be called inexperienced men, the other four are old timers, but as a whole they play good ball, and though they threw away Sunday's game better playing will come with more experience.

Friday was a red letter day for the Nolan family, for, aside from a family reunion it was the first time that the six brothers had gotten together since their release from service. From this family of twelve children nine of whom were boys, six were in the service, and three James, Joe and Francis in service overseas almost a year and a half. Paul Arthur and Charles served in this country and the signing of the armistice came just in time to keep them from going over.

Willis Baker, who was in the navy, has received his discharge and has returned to town. He will probably accept a position in the Elliott drug store at Maxwell.

The Christian aid society will meet Thursday afternoon in the church basement. Refreshments will be served and all are invited to attend.

CENTRAL LABOR UNION WILL OBSERVE LABOR DAY

The people of North Platte are to be the guests of the North Platte Central Labor Union on Labor Day, September first, if preliminary plans now under way are carried out and they are pretty certain to materialize. For the first time labor in North Platte is so organized that Labor Day, which is a nation-wide holiday, can be fittingly observed, and the local Central Labor Union will ask the fair association for the use of the track and grandstand with the view of putting on a program of sports for the afternoon. The forenoon will be taken up with a mammoth parade of union and brotherhood workers. This parade will pass through the main streets, thence to the city park where a program of addresses and musical numbers will be carried out. The intention is to select for the speakers men who have a wide reputation.

As is customary on such Labor Day celebrations, no charge is to be made for any of the entertainment provided, and for this reason the local Central Labor Union, composed of 2000 members, will ask the Chamber of Commerce and the fair association to cooperate in making Labor Day a pleasant day of recreation for all.

The Woman's Missionary society of the Presbyterian church will meet Friday afternoon at the church with Mrs. Streitz. This is to be guest day when the society will entertain a number of out of town ladies coming from Gothenburg, Hershey, Sutherland, Lexington and other places. The ladies of the congregation are urged to be present and help show the visitors a splendid time.

For Rent—Two unfurnished rooms. Also oil stove, dining table and other household goods for sale. 301 east Fifth street. 47-1p

The Gummere-Dent colored ball team will play the Maxwell team at the city park this evening, the game to be called at six o'clock.

The Style Shop Opens

The Style Shop, North Platte's newest woman's store, with Guy Popejoy as manager, was formally opened last evening and from 7:30 until 10:30 the establishment was crowded with ladies. Last evening's event was somewhat of an innovation in North Platte for the opening was in the nature of a society reception. An orchestra was in attendance and vocal numbers were given by Miss Trovillo, Miss Huffman and Lieut. Conklin, with Mrs. Earl Stamp as pianist.

The Style shop is very attractively furnished and the stock of accessories necessary to a well dressed woman is complete. In connection is a modern equipped beauty shop. The general appearance of the Style Shop suggests "tone," a subdued elegance that must appeal to all. The general effect is due to Mr. Popejoy's conception of harmony.

While sales were not made last evening many of the callers were so favorably impressed with the stock that many requests were made to lay aside articles that were particularly appealing.

The Style Shop opened for business this morning.

Dr. Dent Goes to Rochester.

Dr. Geo. B. Dent left last night for Rochester, Minn., in response to a telegram received from T. C. Patterson. When the letter left for Rochester three weeks ago to submit to an operation arrangements were made that Dr. Dent should be present. Upon arrival Mr. Patterson was inoculated with a serum to prevent possible blood poisoning following the operation and this inoculation made him quite sick and he has since been confined to his room. Letters received by friends yesterday were to the effect that Mr. Patterson had become somewhat discouraged, and that he desired a consultation with Dr. Dent. Mrs. Patterson, who submitted to an operation two weeks ago, has been discharged from the hospital.

Business Men to Meet Tonight.

Business men of North Platte are requested to meet at the court house this evening at 7:30 for the purpose of considering ways and means of providing evening entertainment for the crowd that will attend the auto races July 4th, and also for the entertainment of the Frontier county farmers who will visit the state farm Thursday of this week.

L. C. CARROLL, Pres. Chamber of Commerce.

Farmers to Visit State Farm.

Supt. Snyder, of the state farm, has been notified that a big delegation of Frontier county farmers will visit the farm Thursday of this week. The farmers will make the trip in autos and are expected to arrive during the forenoon and spend the greater part of the day at the farm. Supt. Snyder has taken up with the Chamber of Commerce the proposition of serving the visitors with a noon lunch at the farm.

Work has begun on the mausoleum which T. C. Patterson is having erected in the city cemetery.

In its construction grey white Vermont marble is used and the work is being superintended by a forman sent out by the firm of builders. There will be eight vaults, three on either side and two in the floor.

Big Strike Threatens Omaha.

Unless the employers of teamsters and truck drivers now on strike in Omaha agree to confer with a committee of the strikers on the present situation, a sympathetic strike of more than 20,000 organized workers is certain by Wednesday, union officials declare.

It is understood that several locals met Sunday to consider sympathetic action with the teamsters and truck drivers, but the results of these meetings were not divulged.

As the executive committee of the Central Labor Union has gone on record favoring a general walkout unless employers agree to a conference before Wednesday, union heads stated that the men in the various locals would approve the action of their officers and vote for a sympathetic strike.

Word received yesterday stated that Joe Schatz, who had been in service overseas, had landed at Charleston, S. C., and is expected to reach home some time next week.

Always try The Rexall first, it pays.

LIEUT. CONKLIN SAYS PLANE MAY START TOMORROW

While Lieut. Conklin has no positive word as to when the airplane in its ocean-to-ocean flight will leave Mineola, L. I., he rather surmises that the flight will begin tomorrow morning if weather conditions on the Atlantic coast are favorable. The plane has had its final tests in trial trips and has been pronounced in perfect trim for its long flight. Any delay in the starting will therefore be wholly due to weather conditions.

Just as soon as the plane starts Lieut. Conklin will be notified, and when he receives such word, it will be transmitted to all town in the section tributary to North Platte, so that if the people have a desire to come to the city to see the landing they can do so. Lieut. Conklin is inclined to believe that if the weather conditions are favorable the plane will cutly its schedule time.

The landing field east of the river bridge is all in readiness, its area being marked with white flags at each of the four corners and the spread of canvas to mark the center of the field has been prepared.

C. J. McNamara has moved his family to Lexington where they will remain while Mr. McNamara has charge of the paving.

Rev. J. H. Curry left last night for Denver where he will look after business matters for a couple of days.

Hun Surrender Complete

Weimar, June 23.—The national assembly this afternoon voted to sign the peace terms unconditionally, the government having succeeded in overcoming the opposition of those who insisted on two conditions.

The German note accepting the allied peace conditions without reservation made only one typewritten page. Paul Dutasta, secretary general of the peace conference, had the note translated as soon as he received it and sent copies of the translation to Premier Clemenceau, Premier Lloyd George and President Wilson.

Into the general feeling of optimism that has been created by the last 24 hours from Weimar, a note of gloom is injected by the apparent widening of the split in the allied ranks, all the disgruntled little nations banding together in a formidable unit against the "big five" especially against Italy.

The first announcement yesterday that the Germans had signed the peace was given by the siren whistle at the waterworks. The announcement did not create any great excitement as it was generally believed that Germany could not afford to pursue any other course. Now that the pact has been signed we can look for an early return of the troops which compose the army of occupation among which are a number of Lincoln county boys.

Mrs. Van Doran Passes Away.

Mrs. Clara E. Van Doran died Sunday at her home on east Fourth street after an illness of nearly a year. Death was due to a cancerous growth, which developed a number of months ago and for which an operation was performed six or seven months ago.

Mrs. Van Doran had been a resident of North Platte about forty years, coming here from Canada with her brother Mr. Picard, a former well known contractor of the city. She is survived by her son Harvey and daughter Nina. Mr. Van Doran passed away a number of years ago.

Funeral services were held at the Catholic church this forenoon.

Notice to Royal Neighbors

All Royal Neighbors are requested to meet at the court house Wednesday at 2:30 p. m. From there they will be taken to Dick's grove and entertained by Mesdames T. E. Halligan, W. H. Egan and T. M. Cohagen. Those having cars are requested to bring same and take as many Royal neighbors as possible.

It is probable that a special meeting of the city council will be held this evening for the purpose of making official disposition of the petition for and protest against paving.

DO YOU OWN ANY PART OF THE EARTH

Right in the City. Only seven to ten blocks from Dewey St. Continuous cement sidewalks to the Business District.

Foxes have holes. Birds of the air have nests. The Indian has his wigwam, but not more than one civilized man in four has a habitation he can call his own. Home is the biggest word in all this world. A cottage all your own is better than an imitation palace belonging to the other fellow. If you haven't started to acquire a part of the earth, start now and start right.

Get a close in addition lot at outside addition prices, in

Trustee's or Riverdale Addition

Don't be one of those who in a year or two will regretfully say "Why, I could have bought one of those beautiful lots in Trustee's or Riverdale Addition for \$475.00 and on the easiest kind of payments at that."

Prices \$450.00 and corner lots \$25 higher.

Lots with prices marked thereon on the above map, are still for sale. Five per cent discount for cash. Liberty bonds accepted the same as cash. These prices include cement sidewalks, crossings, sewer, graded streets, all paid, warranty deed, abstract and perfect title.

If you want a lot for immediate use or for investment, or you want to begin putting away something each month and soon be able to say: "I am a citizen of the world in the fullest sense, for I own a part of the earth," you can't afford to pass this chance without investigation. YOU CAN NEVER BEAT IT.
