

### HENDY SELLS RANCH AT MAXWELL FOR AROUND \$60,000

Chas. Hendy has sold under contract to Alfred C. Coombs, who has been living south of Hershey, his ranch at Maxwell for a consideration of around sixty thousand dollars. The ranch contains 1280 acres, 480 of which is bottom hay land.

Part of this land was acquired by Mr. Hendy after his honorable discharge from the army at Fort McPherson in the early 70's, and the balance purchased somewhat later.

Mr. Coombs will take possession next spring.

### Wileox & Halligan Dissolve

The law firm of Wileox & Halligan, which has existed since January 1, 1896, has been dissolved by mutual consent, July 1, 1919. The firm succeeded Grimes & Wileox when Judge Grimes was elected to the district bench, and has been continued since that time. Mr. Wileox retires from the firm as he no longer desires to remain in active practice, but will still have office with the new firm and will participate in closing up the old business. The new firm organized to take the place of Wileox & Halligan consists of John J. Halligan, Robert H. Beatty and Victor H. Halligan, and will be known as Halligan, Beatty & Halligan.

He gave to the limit, for the happiness of the women he loved.

### 100 PER CENT ON SECOND AND THIRD

Last week was "no accident week" on the railroads of the Central-Western region, and while the result on the Union Pacific system is not now obtainable, it is known at this terminal that no accidents occurred on the Second and Third districts—the district east and the district west of North Platte. This rates those two districts as in the 100 per cent class, and the North Platte engineers and trainmen are to be congratulated on their carefulness and efficiency. One minor accident is reported on the Fourth district, this occurring at Pine Bluff when a woman living in an outfit car was bruised when a switching engine bumped a string of cars into the outfit car.

On the Fifth district an employe of the round house at Laramie was burned while pouring oil into a fire box of an engine.

The worst accident of the week on the system seems to have been the engine explosion near Schuyler, which, however, was fortunate in that only the engineer was burned and he not fatally.

Dr. Geo. B. Dent returned yesterday morning from Rochester, Minn., where he went to visit T. C. Patterson. He left Mr. Patterson feeling improved, but it will be a couple of weeks before an operation will be performed upon him.

The Rexall handles the goods. If it cost Raymond Johnson \$9.80 Friday for excessive speed driving on the streets. The former penalty of one dollar and costs has been discarded; it is now "five and costs," and Judge Miltonberger can say it without batting an eye.

See our high grade line of wrist watches. We have one at \$110.00 that is made of 14K gold platinum and four diamonds; this will interest you we are sure. Call in and see us. H. Dixon, the quality jeweler.

Special Tuesday, Wednesday and Thursday, Middies \$1.95 at the Style Shop.

The sand pit down at the South river bridge is now a favorite and largely patronized swimming hole. Men, women, boys and girls, arrayed in scanty bathing attire frequent the place by the dozens every evening. Many of the boys are good divers and swimmers and some of the girls swim well.

The Methodist aid society will meet in the church parlors Thursday afternoon. Lunch will be served.

### SIX HOMES ARE ENTERED WITHIN TWENTY-FOUR HOURS

A bold burglar made a visitation to at least four Fourth ward residences Sunday night, and for his energy was rewarded by a gold watch and six dollars in cash. In two of the homes he awakened the inmates else his bag of loot would have been greater.

Entering the B. F. Robison home he took a pair of overalls, carried them to the porch and rifled them of a gold watch, leaving the overalls on the porch.

At the Will Owens' residence the thief gained entrance to the kitchen and in passing through the room knocked a tin cup to the floor. This awakened Mrs. Owens, who called to her husband and the burglar beat a hasty retreat.

The home of Pete Hayes was visited and six dollars secured. Other valuables were in sight but were not molested.

At the Sig. Scott residence the noise made by the burglar awakened Mrs. Scott and upon her giving an alarm he made a hasty get-away.

The police are working on a clew which may lead to an arrest of a certain party.

The burglar, however, did not confine his efforts entirely to the Fourth ward, for Saturday night two residences on the south side were entered. Some time during the night the home of Phil Deats at 221 south Sycamore was entered through a screen door which was cut. The thief made his get-away with twelve dollars in cold cash. The next move of the burglar bold was to enter the residence of E. R. Plumer, gaining an entrance through the basement. However, he was frightened away before he succeeded in ransacking the premises.

In view of these house breakings it will be well for the householder to take extra precautions in locking the doors. We would also suggest that a shot gun be kept handy—it's easier to get your man with a gun than with a revolver.

### Brule Here Sunday

In the ball game at the city park next Sunday the opposing team will be Brule. Just because Brule is a small station in Keith county, don't think they do not have ball players—all speedy players do not live in large towns. The fact is the Brule team, if reports are correct, will make North Platte play its best.

The time of calling the game has been changed to 3:30. This will give time for your two o'clock dinner to settle before going to the park.

"Children of Banishment" was filmed in the real Northwest country, and the picture certainly shows it. Some of the most beautiful scenes imaginable are shown, and the entire working procedure of a lumbering camp is demonstrated. The lofty peaks of the Sierra Nevada Mountains, where the picture was filmed, form the background throughout. Norval MacGregor wrote the scenario and directed the picture. "Children of Banishment" can be seen tonight and tomorrow at the Crystal Theatre.

Mr. and Mrs. H. L. Pennington arrived home from Estes Park Saturday evening, their return being hastened by the death of Mr. Pennington's father at Staunton.

W. S. Dolsen has sold to J. D. Wolbach the middle one of the three houses he owns on west Sixth street for a consideration of \$6,500.

Ladies' white kid colonials and white cloth colonials at the Shoe Market.

Mrs. H. James, nee Miss Helen Tatum, arrived Saturday from Denver and will spend the summer with her parents Mr. and Mrs. D. M. Tatum.

Mr. and Mrs. Roe and daughter Jennie and Mr. and Mrs. Gracie Turner, of Junction City, Kansas, were guests Friday of Mr. and Mrs. L. B. Redmond.

T. V. Swenson, president of the new Union State Bank which will open in North Platte, is in town offering stock in the new institution to merchants and others.

The most wonderful bargains being offered in children's gingham wash dresses on sale at 95c, \$1.39, \$1.79, \$1.98 and \$2.25 and up. The sale price is less than the cost of the material. The Leader Mercantile Co.

J. C. Pennington, father of H. L. Pennington, died suddenly at Staunton, Neb., last Friday. The deceased was well known here, as he had been with Leopold & Pennington as a traveling hay buyer and seller.

The directors of the Chamber of Commerce met last evening and appointed a committee to solicit funds for band concerts on the Fourth of July and for weekly open air concerts during the summer. It is also proposed to secure camping grounds for auto tourists who pass through the city.

### TRANS-CONTINENTAL FLIGHT IS POSTPONED WITHOUT DATE

When the trans-continental airplane flight was first proposed and a possible date established, Weather Observer Shilling of the local office, was directed to make night temperature maps daily. Yesterday he received a letter stating that he could discontinue making the maps as the flight had been postponed without date. He was further advised that in advance of the selection of a future date for making the flight he would be advised and the making of the maps would be resumed.

We people of North Platte can therefore have peace of mind for a time at least and not be worried for fear that we would not be at the landing place when the plane arrived.

### Major White Passes Away

A wire received Saturday announced the death of Major White at Palo Alto, Cal., his passing away being due to acute kidney trouble. Mr. and Mrs. White were advised by wire last Thursday night of their son's condition, and they left for California Friday morning. When they reached Reno, Nevada, they were handed a message telling them of his death.

Major had been a medical student at the Leland Stanford University, and was making exceptional progress in his work. He was a very brilliant young man and had before him a very bright future.

The Masons received a message late yesterday afternoon stating that the parents accompanied by the remains will start east today and are expected to reach home on train No. 20 Friday evening at 5:20 west time.

You will find the latest in white footwear at the Shoe Market.

A luncheon will be served at the Elks' home next Thursday from twelve to one-thirty.

### "SHEPHERD OF THE HILLS" DRAWS BIG AUDIENCES

Harold Bell Wright's fascinating tale "The Shepherd of the Hills" opened its big two day engagement at the Keith theatre yesterday to immense crowds.

In the picturized version of his story Wright presents it from cover to cover, rounding out one of the best high-class entertainments that is offered in America's popular amusement today—the movie. The stage version of the book attracted millions to the theatre. Manager Ralph Holmes, who is Mr. Wright's personal representative with the picture, states that according to the way people are flocking to the theatre wherever the picture is presented that the picture will out-measure the stage production for popularity. The story is too well known to review it from that angle—it being a great story of the out doors one can readily see the picture possibilities and Mr. Wright has exploited them to a queen's taste.

It will be given its last showing tonight.

### Wanted

Clerk Wanted—A young man of some experience preferred. Must be of energetic ambitions. To the right party this will terminate in a good position. Call on Manager, The Leader Mercantile Co.

Deputy Sheriff Chappell went to Gering last night to bring back "Chick" Clark who is wanted for stealing a ring belonging to A. B. Hoagland. Clark secured the ring a month or more ago and was finally located at Gering and jailed.

Women's, misses' and children's sun bonnets on sale at 47c by The Leader Mercantile Co.

### ASTHMA SUFFERERS

Health Talk No. 12 by

### DRS. STATES THE CHIROPRACTORS

The trouble known as asthma is due to lack of nerve strength in the lung passages. Overly sensitive or weakened nerves cause the peculiar gasping and struggle that is characteristic of this trouble.

Spinal adjustments remove the cause by restoring the nerves to normal freedom and strength. Spinal adjustments remove the nerve pressure which is the source of asthmatic irritation.

FREE—You can find out what spinal adjustments will do in your case by a call. Consultation is free.
