

HAIL INSURANCE

MR. FARMER:

Are your crops fully insured against the losses from hail? Do you realize that at this date a hail storm is about the only thing that can keep you from receiving the largest grain crop in the history of Lincoln County?

If you have only \$15.00 an acre insurance on a crop that will pay you much more, better have us increase your insurance to somewhere near its real value. Figure what your crop is worth!

THINK AND ACT QUICKLY.

RALPH STARKEY AGAIN FIGURES IN BOOZE DEAL

Ralph Starkey, who seems to be possessed of a desire to obtain easy money by fracturing the laws, and who has in the past been convicted of killing prairie chickens out of season and of the illegal handling of booze, is now a fugitive from justice and if apprehended will face a penitentiary offense in court.
Starkey's latest episode occurred at Maxwell last Tuesday morning when Deputy Sheriff Knapp found Starkey at the river bank south of Maxwell with a car. Suspicious that Starkey, who had driven into Maxwell during the night, had booze in his car, Knapp kept watch on him during the night hours after his arrival, and when early in the morning Starkey drove south to the river Knapp followed. Upon Knapp's approach, Starkey drew a gun on him, but this action did not bluff the deputy sheriff, and he continued walking toward Starkey who lowered the gun and fled into the bushes which lined the river and managed to escape from Knapp.
Knapp returned to the Ford car which Starkey had driven and found therein one full case containing twenty-four pint bottles of booze and two partly filled cases, nearly fifty pints in all. Later Sheriff Salisbury was called and going to Maxwell took possession of the whiskey as well as the car, which was owned by Starkey but upon which there is a mortgage. The car will be held and eventually sold. A hunt was made for Starkey by the sheriff, deputy sheriff and others, but he could not be found. It is a safe bet that Starkey will never return to North Platte.

LeDoyt Buys Trovillo Farm.

George LeDoyt has purchased the Charley Trovillo 200-acre farm at Nichols for a consideration of \$150 per acre, or \$30,000. About half this acreage is among the best farm land in the valley, the remainder is about the average quality. The price paid is not excessive considering the price at which land in the valley has been selling.
