

### APPOINT COMMITTEE TO ARRANGE FOR CO-OPERATIVE STORE.

About one hundred men responded to the call issued for a meeting Thursday evening at the court house to discuss plans for establishing and operating a co-operative store in North Platte. The matter was discussed at some length, and the opinion was general among those present that such an institution should be established and that stockholders therein were pretty certain to derive good dividends from their investment. The general plan talked was to form an incorporated association with a capital stock of two hundred thousand dollars and use as much of the stock as might be required to conduct the business; with shares selling at \$10 each. This stock would be sold to farmers as well as town residents, with a limit on the amount of stock each individual could subscribe. If necessary a building could be erected in which to house the concern.

A committee of seven was appointed to draft plans for the formation of the association and the general conduct of the business. The committee will make its report in a few days.

### Missionary Drama.

The Ann Hasseltine Group of the Baptist ladies auxiliary will give a missionary drama at the church on Friday evening at 8 o'clock. The Bible Group and the Q. E. Group will serve refreshments in the basement. As this is the first social of the fall season it is especially desired that all members of the church and congregation be present and bring their friends.

### THE COMMITTEE.

The Golden Rule bible class of the Presbyterian church will meet Friday afternoon, September 12th, with Mrs. Dillon, 118 west Third street.

Seamen Stewart and Ross, who have been guests at the home of Mrs. Margaret Christ for the past few days, left yesterday for Ogalala.

Claude Peters, who has been a clerk at the Hotel McCabe during the summer vacation, will return to Lincoln this week to resume his studies at the state university.

### AGRICULTURAL EXHIBITS AT FAIR WILL BE FINE

Manager Moore, who has charge of collecting exhibits for the county fair, and is covering the county securing exhibits and advertising the fair, is exhibiting with excellent success and what Lincoln county can and does grow will be reflected at the fair this month. During last week and the week before Mr. Moore devoted his time and energy to the south part of the county; this week he is working in the east part, and before he is through he will invade the western and northern portions of the county. The samples of grain, vegetables, corn and forage plants he has so far collected are sufficient to open wide the eyes of those Lincoln county residents who have only a general idea of the quality of the crops grown in our county, and when one enters the agricultural hall at the fair grounds he will be amazed at the display.

Though Mr. Moore has made a pretty thorough canvass of the county, it is probable that he has failed to visit some farmers who have products that are well worthy of exhibition, and those who have such are requested to bring them in and place them on exhibition.

There will not only be an excellent exhibit of agricultural produce, but the entries of horses, cattle and hogs promise to be large, thus showing the public generally what our farmers and stockgrowers are doing in the way of improving their herds.

### For Sale.

1800 acre stock ranch 9 miles north of town; good improvements; price \$20.00 per acre. FRANK BUCHANAN.

Miss Elizabeth Weir returned today to her home in Grand Island after spending the week end here as the guest of Miss Clara Sorenson.

Misses Marie and Helen Schwaiger returned Thursday from La Grande, Ore., where they had been visiting relatives for the past six weeks.

Miss Marie Gough returned home Saturday from York where she had been spending the summer with relatives.

### PLATTE VALLEY STATE BANK WILL ENLARGE QUARTERS

At a meeting of the directors of the Platte Valley State bank last evening a lease was signed for the room in the Odd Fellows' building now occupied by the Anderson grocery, and this room will be consolidated with the room now occupied by the bank, thus more than doubling the working space. Grocer Anderson will be given sixty days notice to vacate, and upon his vacation the work of remodeling the two rooms will begin. This remodeling will include a new front and a general re-arrangement of the interior, and the purchase of new furniture.

The business growth of the bank has been such as to make additional working room an imperative necessity, as the volume of business transacted could no longer be handled. In the lease of the additional room the bank is guaranteed ample accommodations for years to come, and it would seem that the move in taking over the other room was a wise one.

R. T. Duffel, employed as night ticket agent at the depot, died early Sunday morning of tuberculosis. He had worked up to Friday night. The deceased was about twenty-five years of age and had come to this city for his health. Relatives in Denver are expected to take charge of the body.

### FINAL ESTIMATE PRECLUDES BUILDING FACTORY FOR 1920

"I regret to say that the purpose and plans to build a sugar factory at Hershey to work up the 1920 crop has had to be abandoned. Final estimates made by our engineers on the cost of a factory has proven so enormously high that the directors, after due consideration, decided not to start the erection of the Hershey factory this year. We are sorry to disappoint the people of Hershey, and the best growers of the valley, but it is impossible to erect new factories at the prevailing high price of machinery, structural steel, brick, lumber and labor."

Thus is quoted Gus Heldt, of Scotts Bluff, field man for the Nebraska division of the Great Western Sugar Co. who accompanied by A. B. Cross, W. P. Hogarty and Hans Mendleson, of Denver, all interested in the Great Western Co., arrived in the city Saturday night and spent all of Sunday in inspecting the best fields between North Platte and Sutherland. These four men left town in a car at seven o'clock and did not return until late in the evening, and during the day inspected nearly every field in the valley.

### MCCABE HOTEL WILL BE ENLARGED NEXT YEAR

One of the city improvements for the year 1920 will be an enlargement of the Hotel McCabe by the addition of a third story on the corner building. This additional story will add twenty-five rooms, thus making the McCabe a one-hundred room hotel.

This addition will be started as early after the first of the year as possible in order that it may be completed in time for the accommodation of the early summer tourist business which is an important factor in the summer trade at the McCabe.

The need of additional rooms has been felt keenly all this year by Mr. Weingand, and there has scarcely been a night this summer that he has not been forced to turn people away.

### American Federation of Labor

ATLANTIC CITY, JUNE 18, 1919

"WHEREAS the war, so happily ended, has required our people to develop Thrift and Saving, which to some degree has stimulated freedom of action and independence on the part of some wage earners;

"AND WHEREAS it is essential to stimulate Thrift and Saving in time of peace as in time of war;

"AND WHEREAS the inauguration of the national system of War Savings and Thrift Stamps has afforded to some of small earnings a safe, sound, and guaranteed method of Government investment of their hard-earned savings;

"THEREFORE, BE IT RESOLVED, that this convention do approve of the continuation and extension of the War Savings and Thrift Stamp institution as a necessary peace-time institution or the substitution of a National Savings Institution akin in character and method, which shall prove helpful to safeguard the earnings of the toiling masses of our country."

## The Most Bread from The Least Flour

—is no empty statement when applied to Cow Brand Flour.

Because of its extremely high absorption powers and the generous percentage of highest quality gluten it contains.

Cow Brand Flour will produce more bread than is possible when you use ordinary brands—and not only more bread, but bread of rich, creamy flavor and highest nutritive value.

A test under actual baking conditions in your own home will prove these facts.

## DODGE BROTHERS MOTOR CAR

I desire to announce to those who have been waiting a long time for delivery and to my trade in general that Dodge production is now on a normal basis again, and that in the past 10 days I have either received or had shipped 21 Dodge Brothers cars with more coming.

This has been good news to all of us, but I still repeat that today is not a day too early to get your choice of the six Dodge models on order, and then we will make you the earliest possible delivery without any unreasonable delay.

Have you seen the new 1920 Dodge bodies?

## Long Distance Calls and Operating Expense

Long distance telephone calls can be handled with much greater speed when conversation is not required with a particular person but when anyone at the telephone called will talk.

Also, the operating cost and use of wires involved in handling a long distance call for a particular person is much greater than for a message where the person will talk with anyone answering the telephone called.

A lower rate is now offered to telephone users who place long distance calls for anyone at the telephone wanted rather than for a particular person.

A "report charge" is made to cover a portion of the expense we incur when a long distance call is placed but which is never completed.
